Dear Ms. Wilburn:

I'm pleased to enclose a claim form for the remainder of your California Library Literacy Services funding for the 2018-2019 fiscal year.

This **final, second payment** of your total allocation for the fiscal year that began July, 2018 is based on:

- A *per capita* amount per adult learner served at your library during the previous fiscal year.
- A *match* on local funds raised and expended for adult literacy services at your library during the fiscal year that ended June 30, 2018.

Earlier this year you received a baseline for your literacy program. The baseline reflects the importance of each library having enough funds to provide local literacy staffing and service.

Below is a re-cap of your total California Library Literacy Services funding for the current program year:

| | |
|---|--|
| Baseline Adult Literacy Services: | \$18,000 (amount previously claimed) |
| <u>Final Payment (Per Capita & Match):</u> | <u>\$1,998 (amount to be claimed now)</u> |
| GRAND TOTAL FOR 2018/19: | \$19,998 |

Changes in your funding from last year are based on an increase or decrease in the number of adult learners you served, and/or an increase or decrease in the amount of local funds expended on adult literacy last year.

We'll initiate the payment process upon receipt of your signed claim form, which is attached. This final payment will be processed after all reporting requirements from the prior fiscal year have been received, all adjustments made and unexpended monies returned.

The following specific issues or observations are being made about your final report:

We notice you report a decrease in tutors - more than 20% - from last year's report. We do understand that more outreach is needed according to the Director. If you need assistance in developing strategies to increase your tutors please contact Natalie Cole at natalie.cole@library.ca.gov.

Please mail the signed claim form to: **California State Library
Fiscal/Local Assistance
P.O. Box 942837
Sacramento, CA 94237-0001**

The attached forms require your signature and serve two purposes:

1. Requests to claim the funds and have a check sent to you
2. Certifies that your library will use the funds for the purpose intended; and

In January, you'll be asked to revise your literacy budget for the 2018-2019 fiscal year utilizing the actual total allotment from the State Library shown in this award letter. The budget that you submitted with your application earlier this year was based on projections. Your revised budget should reflect updated information and more accurate figures than you had at the time of application.

You'll be asked to report electronically after the close of the fiscal year. Library literacy services staff will provide more details on this process. If you need a copy of your most recent final report and/or application, please contact Andrea Freeland at andrea.freeland@library.ca.gov.

PLEASE REMEMBER THAT
ALL STATE FUNDS MUST BE EXPENDED OR ENCUMBERED BY JUNE 30, 2019
OR RETURNED TO THE STATE.

Should you have additional questions regarding the new funding and/or reporting process, please contact:

Natalie Cole (916) 651-0985 or natalie.cole@library.ca.gov
 Andrea Freeland (916) 651-3191 or andrea.freeland@library.ca.gov

Thanks again for your commitment to literacy. It's one of the most transformative and successful things libraries do.

Respectfully yours,

Have you reading in the letter for County Librarian about library places.
