**Interests & Experiences**

**Experience:** A resume, or additional sheets, may be attached containing any information that would be helpful to the Board in evaluating your application.

## Education/Employment Experience

---

Currently, I am a Digital Arts teacher at Lyman Gilmore Middle School in Grass Valley. I have been an educator in Nevada County since 2008. Prior to working as a teacher I was a secretary at Seven Hills Middle School and assisted The Salvation Army with the creation of Camp Del Oro in Nevada City, upon our arrival to Nevada County in 2002. See my attached resume.

## Community Experience and Affiliations

---

Since my son's mental health diagnosis in 2014, I have been involved with family support and volunteering with NAMI Nevada County. I have created NAMI's website, setting up email, and other tech needs. I was a school volunteer while my children were in school. In my early 30's I worked as a volunteer for a homeless youth organization in Seattle, WA. <https://nhmin.org/> My experience with my 10 plus years with The Salvation Army brought me in contact with families and youth dealing with: homelessness, shelter life, domestic violence, transitional housing, food insecurity, foster youth, and so much more. My husband I were inspired, by our time with The Salvation Army, to become foster parents and later adopt 2 children from foster care. Both of my adopted children suffer from severe mental health conditions (bipolar & schizophrenia).

## Other County Boards, Commissions, or Committees on which you have served:

---

NAMI Nevada County Board Vice-President

## Other experience you feel would be helpful to the Board of Supervisors in making this appointment:

---

I have been involved with NAMI since 2014, but providing family support for the past 3 years, through support groups and one-on-one phone calls. My two children have received services through children's mental health. After my son was diagnosed with schizophrenia, he was under the county conservator's care for 2 years and in facilities & hospitals 14 times, along with Odyssey House, AMI Housing, and Turning Point. I feel I have a good understanding about the continuum of care in our county and want to learn more, so I can support others in our community.
