Dear Board Chair and Members of the Board of Supervisors,

I am writing to you to offer my support for the funding of the contract between Nevada County and Design Workshop to complete a Nevada County Recreation and Resiliency Master Plan. *Peak visitation, outdoor recreation opportunity, accessibility, resiliency and adequate public facilities* are all top-of-mind challenges in meeting the demands of resident and visitor recreation while maintaining a healthy dose of respect for the landscape that we residents and business owners choose to call home. There is a great opportunity to study the issues, find creative solutions and ultimately tap into funding opportunities. This is a 'must need' study for our residents, businesses, our employees and our visitors.

Thank you, -Chris Parker-
