Terms

Each term of this Contract below specifically incorporates the information set forth in the Summary at page one (1) above as to each respective section (§) therein, as the case may be.

Services

1. **Scope of Services:**

Contractor shall provide all of the services, materials and products (herein "Services") generally described in **Exhibit "A"**, according to a performance schedule, if applicable, as set forth in said exhibit (herein "Performance Schedule"). If requested, Contractor agrees to serve as an expert witness for County in any third party action or proceeding arising out of this Contract.

Payment

2. **Charges and Payments:**

The charges (herein "Charges") for furnishing the aforesaid Services under this Contract are set forth in **Exhibit "B"**, including, if applicable, hourly rates, unit pricing, and expense, mileage and cost limits. Said Charges shall be presented monthly by invoice, and shall be due within thirty (30) days of receipt of said invoice unless payment is otherwise set forth in said **Exhibit "B"**, and shall remain in effect for the entire term of this Contract, and any extension hereof. In no event will the cost to County for Services to be provided under this Contract, including direct non-salary expenses, exceed the **Maximum Contract Price** set forth at §2, page one (1), of this Contract. If a Catalog of Federal Domestic Assistance ("CFDA") number is designated at §33, page one (1), of this Contract, then all components of compensation billed to County shall be calculated in accordance with Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 CFR Chapter I, Chapter II, Part 200, et al (commonly referred to as the "OMB Super Circular" or "Uniform Guidance").

Time for Performance

3. **Contract Term:**

This Contract shall commence on the **Contract Beginning Date** set forth at §3, page one (1), of this contract. All Services required to be provided by this Contract shall be completed and ready for acceptance no later than the **Contract Termination Date** set forth at §3, page one (1), of this Contract.

4. **Liquidated Damages:**

County and Contractor agree that damages to County due to delays in timely providing Services in accordance with the aforesaid Performance Schedule and Contract Termination Date are impractical and difficult to ascertain. Therefore, if §4 at page one (1) hereof shall indicate a daily amount as **Liquidated Damages**, County shall have the right to assess said daily sum, not as a penalty, but as and for damages to County due to delays in providing Services not in accordance with the said Performance Schedule, or later than the Contract Termination Date (herein "Delay"). Liquidated Damages shall be offset against amounts owing to Contractor, including retention sums.

To the extent that any Delay is a result of matters or circumstances wholly beyond the control of Contractor, County may excuse said Liquidated Damages; provided however, that County may condition such excuse upon Contractor having given prompt notice to County of such delay immediately by telephone and thereafter by written explanation within a reasonable time. The time for Contractor's performance shall be extended by the period of delay, or such other period as County may elect.

5. **Time of the Essence:**

Time is of the essence with respect to Contractor's performance under this Contract. Delay in meeting the time commitments contemplated herein will result in the assessment of liquidated damages, if indicated at §4 at page one (1), hereof. If Liquidated Damages are not so indicated, damages shall be as otherwise provided by law.

Insurance

6. **Commercial General Liability Insurance:** (County Resolution Nos. 90-674, 02-439)

If §6 at page one (1) hereof shall indicate a **Commercial General Liability** insurance policy is required, Contractor shall promptly provide proof of such insurance evidenced by a certificate of insurance with properly executed endorsements attached, which insurance shall include the following:

- (i) Broad form coverage for liability for death or bodily injury to a person or persons, and for property damage, combined single limit coverage, in the minimum amount indicated at said §6;
- (ii) An endorsement naming County as an additional insured under said policy, with respect to claims or suits arising from the Services provided or the relationships created under this Contract;
- (iii) A provision that said insurance shall be primary and non-contributory, that other insurance maintained by the County of Nevada shall be excess only and that neither the insured nor the insurer shall seek contribution from any other insurance or self-insurance available to County;
- (iv) A provision that said insurance shall provide for thirty (30) days written notice to County of any termination or change in coverage protection, or reduction in coverage limits (except ten (10) days notice for non-payment of premium).

7. Automobile Liability Insurance: (County Resolution No. 90-676)

If §7 at page one (1) hereof shall require either a Business Rated or a Commercial Automobile Liability insurance policy, for each vehicle used including non-owned and hired automobiles, Contractor shall promptly provide proof of such insurance evidenced by a certificate of insurance with properly executed endorsements attached, which insurance shall include the following provisions:

- (i) Liability protection for death or bodily injury to a person or persons, property damage, and uninsured and underinsured coverage, combined single limit coverage, in the minimum amount indicated at said §7;
- (ii) An endorsement naming County as an additional insured under said policy, with respect to claims or suits arising from the Services provided or the relationships created under this Contract;
- (iii) A provision that said insurance shall be primary and non-contributory, that other insurance maintained by the County of Nevada shall be excess only and that neither the insured nor the insurer shall seek contribution from any other insurance or self-insurance available to County;
- (iv) A provision that said insurance shall provide for thirty (30) days written notice to County of any termination or change in coverage protection, or reduction in coverage limits (except ten (10) days notice for non-payment of premium).

If §7 at page one (1) hereof shall require a Personal Auto policy, for each vehicle used including non-owned and hired automobiles, Contractor shall promptly provide proof of such insurance for a minimum of three hundred thousand dollars, (\$300,000), in combined single limits, and naming the County as additionally insured.

8. Workers' Compensation: (County Resolution No. 90-674)

If §8 at page one (1) hereof shall indicate a **Workers' Compensation** insurance policy is required, Contractor shall maintain said policy as required by law, and shall promptly provide proof of such insurance evidenced by a certificate of insurance, or other documentation acceptable to County. The Workers' Compensation insurer shall agree to waive all rights of subrogation against the County, its agents, officers, employees, and volunteers for losses arising from work performed by Contractor for the County.

Before commencing to utilize employees in providing Services under this Contract, Contractor warrants that it will comply with the provisions of the California Labor Code, requiring Contractor to be insured for workers' compensation liability or to undertake a program of self-insurance therefor.

9. Errors and Omissions:

If §9 at page one (1) hereof shall indicate **Errors and Omissions** insurance is required, Contractor shall maintain either a professional liability or errors & omissions policy in the minimum amount indicated, and shall promptly provide proof of such insurance evidenced by a certificate of insurance, or other documentation acceptable to County.

10. Miscellaneous Insurance Provisions: (County Resolution Nos. 90-674, 90-675)

All policies of insurance required by this Contract shall remain in full force and effect throughout the life of this Contract and shall be payable on a "per occurrence" basis unless County specifically consents to "claims made" coverage. If the County does consent to "claims made" coverage and if Contractor changes insurance carriers during the term of this Contract or any extensions hereof, then

Contractor shall carry prior acts coverage. The following additional conditions apply to "claims made" coverage: In order for the acts and omissions of Contractor and all its agents during the term of this Agreement to be "continually covered" there must be insurance coverage for the entire contract period commencing on the effective date of this Agreement and ending on the date that is three (3) years beyond the final date this Agreement is effective, including any extensions or renewals of this Agreement. Contractor acknowledges that the provision of this Section may necessitate the purchase of "tail insurance" if coverage lapses. The requirement to maintain tail insurance shall survive termination of this Agreement.

Insurance afforded by the additional insured endorsement shall apply as primary and non-contributory insurance, and neither the insured nor the insurer shall seek contribution from any other insurance or self-insurance maintained by County, its officers, agents and/or employees. Any insurance or self-insurance maintained by County, its officers, agents and/or employees shall be excess only and not contributing with insurance required or provided under this agreement.

At all times, Contractor shall keep and maintain in full force and effect throughout the duration of this Contract, policies of insurance required by this Contract which policies shall be issued by companies with a Best's Rating of B+ or higher (B+, B++, A-, A, A+ or A++), or a Best's Financial Performance Rating (FPR) of 6 or higher (6, 7, 8 or 9) according to the current Best's Key Rating Guide, or shall be issued by companies approved by the County Risk Manager. In the event the Best's Rating or Best's FPR shall fall below the rating required by this paragraph, Contractor shall be required to forthwith secure alternate policies which comply with the rating required by this paragraph, or be in material breach of this Contract.

Failure to provide and maintain the insurance policies (including Best's ratings), endorsements, or certificates of insurance required by this Contract shall constitute a material breach of this agreement (herein "Material Breach"); and, in addition to any other remedy available at law or otherwise, shall serve as a basis upon which County may elect to suspend payments hereunder, or terminate this Contract, or both. (See §13, ¶2, below, as these provisions additionally apply to subcontractors.)

11. Indemnity:

Nothing herein shall be construed as a limitation of Contractor's liability, and Contractor shall indemnify, defend and hold harmless the County and its officers, officials, employees, agents and volunteers from any and all liabilities, claims, demands, damages, losses and expenses (including, without limitation, defense costs and attorney fees of litigation) which result from the negligent act, willful misconduct, or error or omission of Contractor, except such loss or damage which was caused by the sole negligence or willful misconduct of County or its officers, officials, employees, agents and volunteers.

Personal Services

12. Contractor as Independent:

In providing services herein, Contractor, and the agents and employees thereof, shall act in an independent capacity and as an independent contractor and not as agents or employees of County. Contractor shall hold County harmless and indemnify County against any such claim by its agents or employees.

13. Assignment and Subcontracting:

Except as specifically provided herein, the rights, responsibilities, duties and Services to be performed under this Contract are personal to the Contractor and may not be transferred, subcontracted, or assigned without the prior written consent of County. Contractor shall not substitute nor replace any personnel for those specifically named herein or in its proposal without the prior written consent of County.

Unless otherwise agreed in writing by the County's Risk Manager, Contractor shall cause and require each transferee, subcontractor and assignee to comply with the insurance provisions set forth herein at §§6, 7, 8, 9 and 10, in the same amounts and subject to the same terms as are required of Contractor under this Contract, unless otherwise provided by County's Risk Manager. Said insurance shall include all upstream parties (including the Contractor and the County) as additional insureds using a Blanket Additional Insured Endorsement (ISO form number CG 20 38 04 13) or coverage at least as broad. Contractor shall verify that all subcontractors provide a policy endorsement in compliance with this Paragraph and shall provide a copy of the same to County at least ten (10) working days prior to commencement of any work by subcontractor. Failure of Contractor to so cause and require such compliance by each transferee, subcontractor and assignee, or to timely provide County with a copy of the required policy endorsement, shall constitute a Material Breach of this agreement, and, in addition to any

other remedy available at law or otherwise, shall serve as a basis upon which County may elect to suspend payments hereunder, or terminate this Contract, or both.

14. Licensing and Permits:

Contractor warrants (i) Contractor is qualified and competent to provide all Services under this contract; (ii) Contractor and all employees of Contractor hold all necessary and appropriate licenses therefor, including those licenses set forth at §14, page one (1) hereof; and, (iii) Contractor shall obtain, and remain in compliance with, all permits necessary and appropriate to provide said Services. Contractor shall cause said licenses and permits to be maintained throughout the life of this Contract. EXHIBIT "A"
SCHEDULE OF SERVICES
THE FRIENDSHIP CLUB (TFC)

This Agreement is entered into by and between the County of Nevada, herein referred to as "County", and The Friendship Club (TFC), herein referred to as "Contractor" to increase access to TFC's comprehensive, year-round, long-term program that provides social and emotional support and crucial life skills to at-risk girls within Nevada County.

Project Overview:

The Nevada County Board of Supervisors allocates Community Initiative Funding (CIF) through the Adult and Family Services Commission (AFSC) in order to assist non-profit organizations to support single, one-time only funded projects. CIF funds are not intended to provide long-term support of a program and are not to be used to pay for administrative overhead costs which include staff and operating cost of the non-profit organization. Funding priorities are aligned and set forth by the Community Services Block Grant Community Action Plan (CSBG CAP) in an effort to reduce poverty, revitalize low-income communities, and provide the empowerment for low-income members of the community to achieve economic self-sufficiency.

Contractors shall adopt a services delivery approach that serves customers efficiently, identifies barriers and gaps in services, and tracks outcomes to determine how customers are benefiting as a result of the services provided. To ensure uniformity of services coordinated through the AFSC, the Contractor shall comply with Results Oriented Management and Accountability (ROMA) principles and practices.

The services provided under this contract shall be designed to enhance and improve the Contractor's overall agency administrative functions (e.g. policies, procedures, services delivery systems) to effectively serve the Contractor's client population.

To efficiently provide Clients with access to the services they need to gain or maintain self-sufficiency, Contractor shall:

- 1) Establish linkages with other agencies in the community to improve coordination, avoid duplication, and enhance the delivery of services to alleviate the causes and improve the effects of poverty on the target population.
- 2) Participate in the evaluation of the delivery of services through data collection and client satisfaction surveys.

Community Need:

The Friendship Club (TFC) provides at-risk girls, ages 10-18, within Western Nevada County with a comprehensive, year-round, long-term program that delivers social and emotional support and crucial life skills.

The majority of girls participating in TFC are low income (91%) and are considered at-risk due to family factors such as drug/alcohol abuse, domestic violence, and poverty; they also have

academic and/or social challenges at school. Of all the girls served by TFC, an average of 70% have drug/alcohol abuse in the home, 41% have experienced some form of abuse, and 36% have or have had a parent be incarcerated.

Limited transportation options within rural areas can create a barrier to services, exposing youth to continued at-risk situations. TFC works with 18 schools in Nevada County and provides transportation for 85-100 girls from these schools to its after-school program four to five days a week. TFC also provides transportation home for girls whose parents/guardians do not have access to transportation or are not able to provide transportation. On average, TFC makes 30 transportation trips each week during the school year, and over 100 transportation trips throughout the summer, so that girls have access to its programs. On average, TFC provides over 1,000 transportation trips to participating girls each year. In order to accomplish this TFC spends more than \$10,000 annually on vehicle rentals and mileage reimbursement.

Program Description:

TFC enrolls girls ages 10-18, into the program the summer before 6th grade and are served until they graduate high school. TFC also provides an alumni program for girls after they graduate high school to assist them with the transition to adulthood, navigate college, careers, and parenthood, and to achieve their life goals.

TFC shall purchase a 12-passenger van (or the equivalent). TFC shall use this van to provide transportation for low-income girls to participate in after school program meetings, activities, field trips, and summer camps. It is anticipated that this will allow for the following goals to be met by June 30, 2018:

- 50% increase in the number of girls participating in field trips.
- A reduction of costs associated with car rentals and mileage reimbursements.

Contractor agrees to:

- Purchase a 12-passenger van (or the equivalent) in accordance with competitive procurement practices.
- During the useful life of the vehicle, which in no event shall be less than five (5) years from date of procurement, Contractor shall, at its sole expense, properly maintain, service, repair and inspect the vehicle to ensure its safe and operational condition at all times. This provision shall survive the termination date of the Agreement.
- Maintain, at its sole expense, vehicle licensing and a business rated or commercial automobile liability insurance policy on the vehicle at all times. Unless paying directly for repairs, Contractor shall submit insurance claims and use the insurance proceeds to repair the damage to the vehicle. If, however, Contractor does not repair the vehicle, or the vehicle is otherwise declared a total loss, all insurance proceeds collected by Contractor shall be used to repay County the vehicle's pre-damage fair market value.
- Should the Contractor cease operations, stop using the vehicle for its intended purpose, intend to sell or abandon the vehicle during its useful life, fail to repair and maintain the vehicle or allow it to fall into disrepair, or otherwise be in material breach of this

Agreement, Contractor shall at County's election either reimburse County the fair market value of the vehicle or return the vehicle to County with good and free title. However, Contractor shall first be provided a thirty (30) day correction period before any obligation contained herein to return or repay County the fair market value of vehicle is due. This provision shall survive the termination date of the Agreement.

- Engage youth in skill development activities.
- provide transportation for low-income girls who need it to participate in after school program meetings, activities, field trips, and summer camps
- Track the number of individuals utilizing TFC's services.
- Tracking client information shall include: demographic information such as age, location and number of family members served as clients, family size, and program/fundraising/administration ratios.

Contractor's failure to comply with any of the above requirements, or correct any deficiencies related thereto within thirty (30) days shall constitute a material breach of the Agreement.

Contractor shall provide attached reports (herein Attachment A) to the Director of Social Services and Housing Administrative Services Associate (ASA) regarding the tracking of Client Characteristics, National Performance Indicators and Program Accomplishments.

The Contractor shall provide the County with all data required to complete the reports along with completed copies of the reports for the duration of this agreement as follows: Client Characteristics and National Performance Indicators by January 10, 2018; Client Characteristics and National Performance Indicators and Program Accomplishments by July 10, 2018. . The contractor shall attend and provide program updates to the Adult and Family Services Commission upon request.

Contractor shall contact the ASA prior to report submission for questions or concerns with reporting requirements. Contractor shall also work and cooperate with the County for any other data and/or information needed for any other reports deemed necessary by the County.

Retention:

The Contractor shall retain all books and records pertaining to this contract which must be retained for at least five (5) years from the close out date of the County's fiscal year 2017/2018.
