As such, County agrees not to disclose to any unauthorized group or individual any of the information obtained pursuant to this Agreement. Access to the data shall be limited to County's staff assigned to the youth and for planning and evaluation

purposes. County agrees, in return, to share data with the Sending County as outlined above.

1.3.5. Cooperate with County and County staff in the performance of all work hereunder.

The Directors of the Facilities or the Probation Chief of County may, at their complete and absolute discretion, determine that a particular Youth referred by Sending County is not appropriate for placement and may decline to accept or retain such Youth of the Sending County. In the event of such termination, Sending County shall provide transportation for all of its Youth to alternative destinations and shall pay County for all services and expenses rendered prior to the date of termination.

4. Indemnification. To the full extent permitted by law, County and Sending County shall each defend, indemnify and hold harmless each other as well as their respective officers, agents, employees, volunteers or representatives from and against any and all liability, claims, actions, proceedings, losses, injuries, damages or expenses of every name, kind and

description, including litigation costs and reasonable attorney's fees incurred in connection therewith, brought for or on account of personal injury (including death) or damage to property, arising out of or connected with any acts or omissions of that party or its officers, agents, employees, volunteers, or contractors or their subcontractors, when performing any activities or obligations required of that party under this Agreement. Each party shall notify the other party immediately in writing of any claim or damage related to activities performed under this Agreement. The parties shall cooperate with each other in the investigation and disposition of any claim arising out of the activities under this Agreement, providing that nothing shall require either party to disclose any documents, records or communications that are protected under peer review privilege, attorney client privilege, or attorney work product privilege.

5. Insurance. With respect to performance of work under this Agreement, the parties recognize that County and Sending County are both self-insured in whole and/or in part and shall maintain, to the extent not so self-insured, and shall require all of their respective subcontractors and other agents who provide services in connection with this Agreement to maintain, all necessary insurance as described in "Exhibit A," which is attached hereto and incorporated herein by this reference.
6. Extra or Changed Work. Extra or changed work or other changes to the Agreement may be authorized only by written amendment to this Agreement, signed by both parties. Minor changes, which do not increase the amount paid under the Agreement, and which do not significantly change the scope of work or significantly lengthen time schedules may be executed upon agreement by both parties' Chief Probation Officers, in a form approved by both parties' County Counsel.
7. Confidentiality Requirements. The parties and their officers, employees, agents, and subcontractors shall ensure that:
 - 7.1 All records concerning any Youth made or kept in connection with the administration of any provision of the services provided by this Agreement shall be confidential and shall not be open to examination for any purpose not directly connected with the administration of the services provided herein, except as requested in writing by County or as required by law.

 - 7.3 Sending County and its officers, employees, agents, or subcontractors shall not voluntarily provide declarations, letters of support, testimony at depositions, response to interrogatories, or other information concerning the work performed under this Agreement. Response to a subpoena or court order shall not be considered to be "voluntarily" provided. Sending County shall give notice to County of any such court order or subpoena prior to compliance.

- 7.4 Sending County agrees to inform all of its directors, officers, employees, agents, and subcontractors of the provisions of Welfare and Institutions Code section 10850, and that any person knowingly and intentionally violating the provisions of this paragraph is guilty of a misdemeanor.

8. Authority. The undersigned hereby represents and warrants that he or she has authority to execute and deliver this Agreement on behalf of County and Sending County.
9. Demand for Assurance. Each party to this Agreement undertakes the obligation that the other's expectation of receiving due performance will not be impaired. When reasonable ground for insecurity arises with respect to the performance of either party, the other may demand, in writing, adequate assurance of due performance, and until such assurance is received it may, if commercially reasonable, suspend any performance for which the agreed return has not been received. "Commercially reasonable" includes not only the conduct of a party with respect to performance under this Agreement, but also conduct with respect to other agreements with parties to this Agreement or others. After receipt of a justified demand, failure to provide such assurance of due performance as is adequate under the circumstances of the particular case within a reasonable time, but not exceeding thirty (30) days, is a repudiation of this Agreement. Acceptance of any improper delivery, service, or payment does not prejudice the aggrieved party's right to demand adequate assurance of future performance. Nothing in this Article limits County's right to terminate this Agreement pursuant to Article 3.
10. Assignment and Delegation. Neither party hereto shall assign, delegate, sublet, or transfer any interest in or duty under this Agreement without the prior written consent of the other, and no such transfer shall be of any force or effect whatsoever unless and until the other party shall have so consented.
