Dear Board of Supervisors,

I write today to encourage you to approve the resolution for the Request for Applications (RFA) and award selection procedures for the Community Resiliency Grant program as recommended by the CEO's office.

As a member of the Nevada County Relief Fund Team, I was devastated to see firsthand the impacts of the COVID pandemic on our community. I was also heartened by your leadership throughout the past 18 months, as we leveraged public and private resources and raised over \$1,000,000 to directly support our nonprofit and small businesses.

I believe these larger grants will provide not just immediate relief, but have the potential to support a long-term vision of community resilience, health and well-being. I urge you to adopt the resolution as is, and applaud the County team for capitalizing on opportunities and seeking creative solutions to our communal challenges.

Best regards,
Cristine Kelly
