Eric Jorgensen submitted a new eComment.

Meeting: Nevada County Board of Supervisors January 10, 2023, Meeting

Item: 23. SR 22-1616 Resolution authorizing the capital asset purchase of a gas furnace in the amount of \$5,826 for the Nevada City Veterans Hall, and directing the Auditor-Controller to amend the Fiscal Year 2022/23 Facilities budget. (4/5 affirmative vote required) (Facilities)

eComment: As member of the county's Energy Action Plan committee I oppose purchase of gas furnace and it's 20 year life. Install heat pumps. Yes higher install cost, but long term cheaper energy efficiency operational cost. The proposed gas furnace does not support supervisors Objective for resilience. Electrification of county transportation and buildings is a clear win for environment, adaptation and mitigation. Eric Jorgensen,
