Dog Bar Bridge

Truckee River Bridge

Project Timeline

- **Award Nov 26, 2024**
- **Preliminary Environmental work Nov –April 2025**
- **Begin Construction April 2025**
- **Complete Construction Fall 2026**

Design Parameters

Caltrans funding thru the HBP program only funds bridge specific costs.

All three bridges were designed to adjoin potential future recreation activities.

- 1. Staircase adjacent to the Truckee River Bridge**
- 2. Trail under the Dog Bar Bridge Project**
- 3. No net loss parking**

All three bridges are included the County's Recreation Master Plan. Future recreation facilities are being evaluated by the County's Recreation Program Analyst.
