NEVADA COUNTY BOARD OF SUPERVISORS
Board Agenda Memo

MEETING DATE: December 15, 2020
TO: Board of Supervisors
FROM: Jessica Hankins, Public Works Project Manager
SUBJECT: **Resolution Certifying County-Maintained Mileage for 2020 – All Districts**

RECOMMENDATION: Approve the attached resolution.

FUNDING: Not applicable.

BACKGROUND: Each year Nevada County submits any changes in its maintained mileage system to the California Department of Transportation, pursuant to Section 2121 of the California Streets and Highways Code.

Nevada County maintains approximately 562 miles of road. There were multiple changes to the maintained system in the past year, as shown in Exhibit A, including to add a small amount on Woodridge Road that was relinquished by Caltrans, add a small portion on Alexandra Way to maintain a portion owned already by the County, and to reflect various corrections to maintained segments. However, the overall maintained mileage remained nearly identical to what it was, with only a 0.141 mile difference. The new total maintained mileage is 561.574 miles. All maintained roads as of this date are shown in Exhibit B. Upon certification of the maintained mileage by passage of the attached resolution, this item will be submitted to the California Department of Transportation pursuant to Section 2121 of the Streets and Highways Code.
