BACKGROUND:
On December 10, 2024, the Nevada County Board of Supervisors approved the California Wildlife Conservation Board grant of \$106,037 administered by the California Department of Fish and Wildlife via Resolution 24-631 with a non-federal cost-share of \$35,346 to enhance public accessibility, improve infrastructure, and foster Leave-No-Trace principles at one of the public access points along the Truckee River in Nevada County adjacent to Glenshire Dr. The match is provided by Truckee Trails Foundation from the Nevada County Outdoor Visitor Safety Fund.

The grant award named Truckee Trails Foundation as the contractor to implement this project to enhance public river access for paddlecraft and other visitors. The project will rectify large potholes and use decomposed granite to enhance the surface of the parking area and access roadway. Additionally, improvements will include Americans with Disabilities Act (ADA) accessible parking, kiosk, and picnic access.
