Interests & Experiences

Experience: A resume, or additional sheets, may be attached containing any information that would be helpful to the Board in evaluating your application.

Education/Employment Experience

I am the Owner/Administrator of the longest operating child development center in the area. I believe I bring a unique perspective to the Child Care Coordinating Council due to my center's multifaceted program. We serve children birth to 10 years on a full time and year-round basis. In addition to partnering with local, state, and federal programs to provide care for low-income children, we maintain a strong private pay business. While there are unique challenges to these partnerships, it allows my center to be truly inclusive of our community. I can use my experience to view the issues facing our childcare community through the lenses of the most common program types in the county.

Community Experience and Affiliations

I am a second generation Nevada County resident who has served the community in a variety of way. As a teen I was heavily involved in the creation of the Grass Valley Skateboard Park and volunteered at the food bank after college. Most recently I served a river monitor for SYRCL and participated in numerous community projects as a Rotarian.
