

RESOLUTION No. 23-142

OF THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA

RESOLUTION AUTHORIZING EXECUTION OF A CONTRACT WITH FLOCK GROUP INC. FOR SOFTWARE SERVICES AND ACCESS TO FLOCK HARDWARE THAT WILL PROVIDE CAPABILITIES FOR SEARCHING VIDEO FILES FOR THE PURPOSE OF LAW ENFORCEMENT INVESTIGATIONS IN THE AMOUNT OF \$78,750.00 AND APPROVE THE RELATED BUDGET AMENDMENT (4/5 AFFIRMATIVE VOTE REQUIRED)

WHEREAS, the Nevada County Sheriff's Office desires to maintain security and safety for the Public and its Law Enforcement Officers; and

WHEREAS, routine camera surveillance in public spaces is widely used to assist in law enforcement investigations; and

WHEREAS, Flock Group, Inc. provides technology and services that will provide camera surveillance in specified locations and its data will be accessible by the Sheriff's Office to assist when necessary in law enforcement activities; and

WHEREAS, the Nevada County Sheriff's Office desires to enter into a contract with Flock Group, Inc. in the amount of \$78,500 for a 12-month pilot program to use the technology services provided by Flock; and

WHEREAS, there are Law Enforcement Services Fund 1642 funds available for these contract costs.

THEREFORE, BE IT HEREBY RESOLVED, the Board of Supervisors, of the County of Nevada, State of California, that the Chair of the Board of Supervisors be and is hereby authorized to execute, on behalf of the County of Nevada, an agreement between Flock Group, Inc. and the County of Nevada for technology services and correctional policy manuals and ongoing training on those manuals in a maximum amount of \$78,750, and for the 12-month period from the date of the execution of the contract, and directs the Auditor-Controller to amend the Sheriff's Office FY 22-23 as follows:

Increase		
1642 20201 152 1000 550700		\$78,500.00
0101 20201 152 1000 474000		\$78,500.00
0101 20201 152 1000 521520		\$78,500.00

PASSED AND ADOPTED by the Board of Supervisors of the County of Nevada at a regular meeting of said Board, held on the 28th day of March, 2023, by the following vote of said Board:

- Ayes: Supervisors Edward C. Scofield, Lisa Swarthout, Susan Hoek and Hardy Bullock.
- Noes: Supervisor Heidi Hall
- Absent: None.
- Abstain: None.

**FLOCK GROUP INC.
SERVICES AGREEMENT
ORDER FORM**

This Order Form together with the Terms (as defined herein) describe the relationship between Flock Group Inc. (“**Flock**”) and the customer identified below (“**Agency**”) (each of Flock and Customer, a “**Party**”). This order form (“**Order Form**”) hereby incorporates and includes the “GOVERNMENT AGENCY AGREEMENT” attached (the “**Terms**”) which describe and set forth the general legal terms governing the relationship (collectively, the “**Agreement**”). The Terms contain, among other things, warranty disclaimers, liability limitations and use limitations.

The Agreement will become effective when this Order Form is executed by both Parties (the “**Effective Date**”).

Agency: CA - Nevada County SO Legal Entity Name:	Contact Name: Jason Perry
Address: 950 Maidu Ave Nevada City, California 95959	Phone: 530-265-1603 E-Mail: jason.perry@nevadacountyca.gov
Expected Payment Method:	Billing Contact: (if different than above)

GOVERNMENT AGENCY AGREEMENT

This Government Agency Agreement (this “**Agreement**”) is entered into by and between Flock Group, Inc. with a place of business at 1170 Howell Mill Rd NW Suite 210, Atlanta, GA 30318 (“**Flock**”) and the police department or government agency identified in the signature block of the Order Form (“**Agency**”) (each a “**Party**,” and together, the “**Parties**”).

RECITALS

WHEREAS, Flock offers a software and hardware situational awareness solution for automatic license plates, video and audio detection through Flock’s technology platform (the “**Flock Service**”), and upon detection, the Flock Services are capable of capturing audio, video, image, and recording data and can provide notifications to Agency upon the instructions of Non-Agency End User (as defined below) (“**Notifications**”);

WHEREAS, Agency desires access to the Flock Service on existing cameras, provided by Agency, or Flock provided Flock Hardware (as defined below) in order to create, view, search and archive Footage and receive Notifications, including those from Non-Agency End Users of the Flock Service (where there is an investigative or bona fide lawful purpose) such as schools, neighborhood homeowners associations, businesses, and individual users;

WHEREAS, Flock deletes all Footage on a rolling thirty (30) day basis, excluding Wing Replay which is deleted after seven (7) days. Agency is responsible for extracting, downloading and archiving Footage from the Flock System on its own storage devices for auditing for prosecutorial/administrative purposes; and

WHEREAS, Flock desires to provide Agency the Flock Service and any access thereto, subject to the terms and conditions of this Agreement, solely for the awareness, prevention, and prosecution of crime, bona fide investigations by police departments, and archiving for evidence gathering (“**Permitted Purpose**”).

AGREEMENT

NOW, THEREFORE, Flock and Agency agree that this Agreement, and any addenda attached hereto or referenced herein, constitute the complete and exclusive statement of the Agreement of the Parties with respect to the subject matter of this Agreement, and replace and supersede all prior agreements, term sheets, purchase orders, correspondence, oral or written communications and negotiations by and between the Parties.

1. DEFINITIONS

Certain capitalized terms, not otherwise defined herein, have the meanings set forth or cross-referenced in this Section 1.

1.1 “**Advanced Search**” means the provision of Services, via the web interface using Flock’s software applications, which utilize advanced evidence delivery capabilities including convoy analysis, multi-geo search, visual search, cradlepoint integration for automatic vehicle location, and common plate analysis.

1.2 “**Agency Data**” means the data, media and content provided by Agency through the Services. For the avoidance of doubt, the Agency Data will include the Footage.

1.3 “**Agency Generated Data**” means the messages, text, illustrations, files, images, graphics, photos, comments, sounds, music, videos, information, content, ratings, reviews, data, questions, suggestions, other information or materials posted, uploaded, displayed, published, distributed, transmitted, broadcasted, or otherwise made available on or submitted through the Wing Suite.

1.4. “*Agency Hardware*” means the third-party camera owned or provided by Agency and any other physical elements that interact with the Embedded Software and the Web Interface to provide the Services.

1.5. “*Aggregated Data*” means information that relates to a group or category of individuals, from which any potential individuals’ personal identifying information has been permanently “anonymized” by commercially available standards to irreversibly alter data in such a way that a data subject (i.e., individual person or impersonal entity) can no longer be identified directly or indirectly.

1.6 “*Authorized End User(s)*” means any individual employees, agents, or contractors of Agency accessing or using the Services through the Web Interface, under the rights granted to Agency pursuant to this Agreement.

1.7 “*Deployment Plan*” means the strategic geographic mapping of the location(s) and implementation of Flock Hardware, and/or other relevant Services required under this Agreement.

1.8 “*Documentation*” means text and/or graphical documentation, whether in electronic or printed format, that describe the features, functions and operation of the Services which are provided by Flock to Agency in accordance with the terms of this Agreement.

1.9 “*Embedded Software*” means the software and/or firmware embedded or preinstalled on the Flock Hardware or Agency Hardware.

1.10 “*Falcon Flex*” means an infrastructure-free, location-flexible license plate reader camera that enables the Agency to self-install.

1.11 “*Flock Hardware*” means the Flock cameras or device, pole, clamps, solar panel, installation components, and any other physical elements that interact with the Embedded Software and the Web Interface to provide the Flock Services.

1.12 “*Flock IP*” means the Services, the Documentation, the Embedded Software, the Installation Services, and any and all intellectual property therein or otherwise provided to Agency and/or its Authorized End Users in connection with the foregoing.

1.13 “*Flock Safety Falcon™*” means an infrastructure-free license plate reader camera that utilizes Vehicle Fingerprint™ technology to capture vehicular attributes.

1.14 “*Flock Safety Raven™*” means an audio detection device that provides real-time alerting to law enforcement based on programmed audio events such as gunshots, breaking glass, and street racing.

1.15 “*Flock Safety Sparrow™*” means an infrastructure-free license plate reader camera for residential roadways that utilizes Vehicle Fingerprint™ technology to capture vehicular attributes.

1.17 “*Footage*” means still images, video, audio and other data captured by the Flock Hardware or Agency Hardware in the course of and provided via the Services.

1.18 “*Hotlist(s)*” means a digital file containing alphanumeric license plate related information pertaining to vehicles of interest, which may include stolen vehicles, stolen vehicle license plates, vehicles owned or associated with wanted or missing person(s), vehicles suspected of being involved with criminal or terrorist activities, and other legitimate law enforcement purposes. Hotlist also includes, but is not limited to, national data (i.e. NCIC) for similar categories, license plates associated with AMBER Alerts or Missing Persons/Vulnerable Adult Alerts, and includes manually entered license plate information associated with crimes that have occurred in any local jurisdiction.

1.19 “*Implementation Fee(s)*” means the monetary fees associated with the Installation Services, as defined below.

1.20 “*Installation Services*” means the services provided by Flock for installation of Agency Hardware and/or Flock Hardware, including any applicable installation of Embedded Software on Agency Hardware.

1.21 “*Non-Agency End User(s)*” means any individual, entity, or derivative therefrom, authorized to use the Services through the Web Interface, under the rights granted to pursuant to the terms (or to those materially similar) of this Agreement.

1.22 “*Services*” or “*Flock Services*” means the provision, via the Web Interface, of Flock’s software applications for automatic license plate detection, alerts, audio detection, searching image records, video and sharing Footage.

1.23 “*Support Services*” means Monitoring Services, as defined in Section 2.10 below.

1.24 “*Usage Fee*” means the subscription fees to be paid by the Agency for ongoing access to Services.

1.25 “*Web Interface*” means the website(s) or application(s) through which Agency and its Authorized End Users can access the Services, in accordance with the terms of this Agreement.

1.26 “*Wing Suite*” means the Flock interface which provides real-time access to the Flock Services, location of Flock Hardware, Agency Hardware, third-party cameras, live-stream video, Wing Livestream, Wing LPR, Wing Replay, alerts and other integrations.

1.27 “*Wing Livestream*” means real-time video integration with third-party cameras via the Flock interface.

1.28 “*Wing LPR*” means software integration with third-party cameras utilizing Flock’s Vehicle Fingerprint Technology™ for license plate capture.

1.29 “*Wing Replay*” means enhanced situational awareness encompassing Footage retention, replay ability, and downloadable content from Hot Lists integrated from third-party cameras.

1.30 “*Vehicle Fingerprint™*” means the unique vehicular attributes captured through Services such as: type, make, color, state registration, missing/covered plates, bumper stickers, decals, roof racks, and bike racks.

2. SERVICES AND SUPPORT

2.1 Provision of Access. Subject to the terms of this Agreement, Flock hereby grants to Agency a non-exclusive, non-transferable right to access the features and functions of the Services via the Web Interface during the Term, solely for the Authorized End Users. The Footage will be available for Agency’s designated administrator, listed on the Order Form, and any Authorized End Users to access and download via the Web Interface for thirty (30) days. Authorized End Users will be required to sign up for an account and select a password and username (“*User ID*”). Flock will also provide Agency with the Documentation to be used in accessing and using the Services. Agency shall be responsible for all acts and omissions of Authorized End Users, and any act or omission by an Authorized End User which, if undertaken by Agency, would constitute a breach of this Agreement, shall be deemed a breach of this Agreement by Agency. Agency shall undertake reasonable efforts to make all Authorized End Users aware of the provisions of this Agreement as applicable to such Authorized End User’s use of the Services and shall cause Authorized End Users to comply with such provisions. Flock may use the services of one or more third parties to deliver any part of the Services, (such as using a third party to host the Web Interface for cloud storage or a cell phone provider for wireless cellular coverage) which makes the Services available to Agency and Authorized End Users. Warranties provided by said third party service providers are the agency’s sole and exclusive remedy and Flock’s sole and exclusive liability with regard to such third-party services, including without limitation hosting the Web Interface. Agency agrees to comply with any acceptable use policies and other terms of any third-party service provider that are provided or otherwise made available to Agency from time to time.

2.2 Embedded Software License. Subject to all terms of this Agreement, Flock grants Agency a limited, non-exclusive, non-transferable, non-sublicensable (except to the Authorized End Users), revocable right to use the Embedded Software as installed on the Flock Hardware or Agency Hardware; in each case, solely as necessary for Agency to use the Services.

2.3 Documentation License. Subject to the terms of this Agreement, Flock hereby grants to Agency a non-exclusive, non-transferable right and license to use the Documentation during the Term in connection with its use of the Services as contemplated herein, and under Section 2.5 below.

2.4 Wing Suite License. Subject to all terms of this Agreement, Flock grants Agency a limited, non-exclusive, non-transferable, non-sublicensable (except to the Authorized End Users), revocable right to use the Wing Suite software and interface.

2.5 Usage Restrictions.

2.5.1 Flock IP. The permitted purpose for usage of the Flock Hardware, Agency Hardware, Documentation, Services, support, and Flock IP are solely to facilitate gathering evidence that could be used in a lawful criminal investigation by the appropriate government agency (“*Permitted Purpose*”). Agency will not, and will not permit any Authorized End Users to, (i) copy or duplicate any of the Flock IP; (ii) decompile, disassemble, reverse engineer, or otherwise attempt to obtain or perceive the source code from which any software component of any of the Flock IP is compiled or interpreted, or apply any other process or procedure to derive the source code of any software included in the Flock IP; (iii) attempt to modify, alter, tamper with or repair any of the Flock IP, or attempt to create any derivative product from any of the foregoing; (iv) interfere or attempt to interfere in any manner with the functionality or proper working of any of the Flock IP; (v) remove, obscure, or alter any notice of any intellectual property or proprietary right appearing on or contained within any of the Services or Flock IP; (vi) use the Services, support, Flock Hardware, Documentation, or the Flock IP for anything other than the Permitted Purpose; or (vii) assign, sublicense, sell, resell, lease, rent, or otherwise transfer, convey, pledge as security, or otherwise encumber, Agency’s rights under Sections 2.1, 2.2, 2.3, or 2.4.

2.5.2. Flock Hardware. Agency understands that all Flock Hardware is owned exclusively by Flock, and that title to any Flock Hardware does not pass to Agency upon execution of this Agreement. Except for Falcon Flex products, which are designed for self-installation, Agency is not permitted to remove, reposition, re-install, tamper with, alter, adjust or otherwise take possession or control of Flock Hardware. Notwithstanding the notice and cure period set for in Section 6.3, Agency agrees and understands that in the event Agency is found to engage in any of the restricted actions of this Section 2.5.2, all warranties herein shall be null and void, and this Agreement shall be subject to immediate termination (without opportunity to cure) for material breach by Agency.

2.6 Retained Rights; Ownership. As between the Parties, subject to the rights granted in this Agreement, Flock and its licensors retain all right, title and interest in and to the Flock IP and its components, and Agency acknowledges that it neither owns nor acquires any additional rights in and to the foregoing not expressly granted by this Agreement. Agency further acknowledges that Flock retains the right to use the foregoing for any purpose in Flock’s sole discretion. There are no implied rights.

2.7 Suspension.

2.7.1 Service Suspension. Notwithstanding anything to the contrary in this Agreement, Flock may temporarily suspend Agency’s and any Authorized End User’s access to any portion or all of the Flock IP or Flock Service if Flock reasonably determines that (a) there is a threat or attack on any of the Flock IP by Agency; (b) Agency’s or any Authorized End User’s use of the Flock IP disrupts or poses a security risk to the Flock IP or any other customer or vendor of Flock; (c) Agency or any Authorized End User is/are using the Flock IP for fraudulent or illegal activities; (d) Agency has violated any term of this provision, including, but not limited to, utilizing the Services for

anything other than the Permitted Purpose; or (e) any unauthorized access to Flock Services through Agency's account ("*Service Suspension*"). Agency shall not be entitled to any remedy for the Service Suspension period, including any reimbursement, tolling, or credit.

2.7.2 Service Interruption. Services may be interrupted in the event that: (a) Flock's provision of the Services to Agency or any Authorized End User is prohibited by applicable law; (b) any third-party services required for Services are interrupted; (c) if Flock reasonably believe Services are being used for malicious, unlawful, or otherwise unauthorized use; (d) there is a threat or attack on any of the Flock IP by a third party; or (e) scheduled or emergency maintenance ("*Service Interruption*"). Flock will make commercially reasonable efforts to provide written notice of any Service Interruption to Agency and to provide updates regarding resumption of access to Flock Services. Flock will use commercially reasonable efforts to resume providing access to the Services as soon as reasonably possible after the event giving rise to the Service Interruption is cured. Flock will have no liability for any damage, liabilities, losses (including any loss of data or profits), or any other consequences that Agency or any Authorized End User may incur as a result of a Service Interruption. To the extent that the Service Interruption is not caused by Agency's direct actions or by the actions of parties associated with the Agency, the expiration of the Term will be tolled by the duration of the Service Interruption (for any continuous suspension lasting at least one full day) prorated for the proportion of cameras on the Agency's account that have been impacted. For example, in the event of a Service Interruption lasting five (5) continuous days, Agency will receive a credit for five (5) free days at the end of the Term.

2.8 Installation Services.

2.8.1 Designated Locations. For installation of Flock Hardware, excluding Falcon Flex products, prior to performing the physical installation of the Flock Hardware, Flock shall advise Agency on the location and positioning of the Flock Hardware for optimal license plate image capture, as conditions and location allow. Flock may consider input from Agency regarding location, position and angle of the Flock Hardware ("*Designated Location*") and collaborate with Agency to design the Deployment Plan confirming the Designated Locations. Flock shall have final discretion on location of Flock Hardware. Flock shall have no liability to Agency resulting from any poor performance, functionality or Footage resulting from or otherwise relating to the Designated Locations or delay in installation due to Agency's delay in confirming Designated Locations, in ordering and/or having the Designated Location ready for installation including having all electrical work preinstalled and permits ready, if necessary. After installation, any subsequent changes to the Deployment Plan ("*Reinstalls*") will incur a charge for Flock's then-current list price for Reinstalls, as listed in the then-current Reinstall policy (available at <https://www.flocksafety.com/reinstall-fee-schedule>) and any equipment fees. For clarity, Agency will receive prior notice and provide approval for any such fees. These changes include but are not limited to re-positioning, adjusting of the mounting, re-angling, removing foliage, replacement, changes to heights of poles, regardless of whether the need for Reinstalls related to vandalism, weather, theft, lack of criminal activity in view, and the like. Flock shall have full discretion on decision to reinstall Flock Hardware.

2.8.2 Agency Installation Obligations. Agency agrees to allow Flock and its agents reasonable access in and near the Designated Locations at all reasonable times upon reasonable notice for the purpose of performing the installation work. Although Flock Hardware is designed to utilize solar power, certain Designated Locations may require a reliable source of 120V or 240V AC power. In the event adequate solar power is not available, Agency is solely responsible for costs associated with providing a reliable source of 120V or 240V AC power to Flock Hardware. Flock will provide solar options to supply power at each Designated Location. If Agency refuses recommended solar options, Agency waives any reimbursement, tolling, or credit for any suspension period of Flock Services due to low solar power. Additionally, Agency is solely responsible for (i) any permits or associated costs, and managing the permitting process of installation of cameras or AC power; (ii) any federal, state, or local taxes including property, license, privilege, sales, use, excise, gross receipts, or other similar taxes which may now or hereafter become applicable to, measured by or imposed upon or with respect to the installation of the Flock Hardware, its use (excluding tax exempt entities), or (iii) any other supplementary cost for services performed in connection with installation of the Flock Hardware, including but not limited to contractor licensing, engineered drawings, rental of specialized equipment, or vehicles, third-party personnel (i.e. Traffic Control Officers, Electricians, State DOT-approved poles, etc., if necessary), such costs to be approved by the Agency (“**Agency Installation Obligations**”). In the event that a Designated Location for Flock Hardware requires permits, Flock may provide the Agency with a temporary alternate location for installation pending the permitting process. Once the required permits are obtained, Flock will relocate the Flock Hardware from the temporary alternate location to the permitted location at no additional cost. Without being obligated or taking any responsibility for the foregoing, Flock may pay and invoice related costs to Agency if Agency did not address them prior to the execution of this Agreement or a third party requires Flock to pay. Agency represents and warrants that it has, or shall lawfully obtain, all necessary right title and authority and hereby authorizes Flock to install the Flock Hardware at the Designated Locations and to make any necessary inspections or tests in connection with such installation.

2.8.3 Flock’s Obligations. Installation of Flock Hardware shall be installed in a workmanlike manner in accordance with Flock’s standard installation procedures, and the installation will be completed within a reasonable time from the time that the Designated Locations are confirmed. Upon removal of Flock Hardware, Flock shall restore the location to its original condition, ordinary wear and tear excepted. Following the initial installation of the Flock Hardware and any subsequent Reinstalls or maintenance operations, Flock’s obligation to perform installation work shall cease; however, for the sole purpose of validating installation, Flock will continue to monitor the performance of Flock Hardware for the length of the Term and will receive access to the Footage for a period of seven (7) business days after the initial installation for quality control and provide any necessary maintenance. Labor may be provided by Flock or a third-party. Flock is not obligated to install, reinstall, or provide physical maintenance to Agency Hardware. Notwithstanding anything to the contrary, Agency understands that Flock will not provide installation services for Falcon Flex products.

2.8.4 Ownership of Hardware. Flock Hardware shall remain the personal property of Flock and will be removed upon the natural expiration of this Agreement at no additional cost to Agency. Agency shall not perform any acts which would interfere with the retention of title of the Flock Hardware by Flock. Should Agency default on any

payment of the Flock Services, Flock may remove Flock Hardware at Flock's discretion. Such removal, if made by Flock, shall not be deemed a waiver of Flock's rights to any damages Flock may sustain as a result of Agency's default and Flock shall have the right to enforce any other legal remedy or right.

2.9 Hazardous Conditions. Unless otherwise stated in the Agreement, Flock's price for its services under this Agreement does not contemplate work in any areas that contain hazardous materials, or other hazardous conditions, including, without limit, asbestos, lead, toxic or flammable substances. In the event any such hazardous materials are discovered in the designated locations in which Flock is to perform services under this Agreement, Flock shall have the right to cease work immediately in the area affected until such materials are removed or rendered harmless.

2.10 Support Services. Subject to the payment of fees, Flock shall monitor the performance and functionality of Flock Services and may, from time to time, advise Agency on changes to the Flock Services, Installation Services, or the Designated Locations which may improve the performance or functionality of the Services or may improve the quality of the Footage. The work, its timing, and the fees payable relating to such work shall be agreed by the Parties prior to any alterations to or changes of the Services or the Designated Locations ("**Monitoring Services**"). Flock will use commercially reasonable efforts to respond to requests for support. Flock will provide Agency with reasonable technical and on-site support and maintenance services ("**On-Site Services**") in-person or by email at support@flocksafety.com, at no additional cost. Notwithstanding anything to the contrary, Agency is solely responsible for installation of Falcon Flex products. Agency further understands and agrees that Flock will not provide monitoring services or on-site services for Falcon Flex.

2.11 Special Terms. From time to time, Flock may offer certain special terms related to guarantees, service and support which are indicated in the proposal and on the Order Form and will become part of this Agreement, upon Agency's prior written consent ("**Special Terms**"). To the extent that any terms of this Agreement are inconsistent or conflict with the Special Terms, the Special Terms shall control.

2.12 Upgrades to Platform. Flock may, in its sole discretion, make any upgrades to system or platform that it deems necessary or useful to (i) maintain or enhance (a) the quality or delivery of Flock's products or services to its agencies, (b) the competitive strength of, or market for, Flock's products or services, (c) such platform or system's cost efficiency or performance, or (ii) to comply with applicable law. Parties understand that such upgrades are necessary from time to time and will not materially change any terms or conditions within this Agreement.

3. RESTRICTIONS AND RESPONSIBILITIES

3.1 Agency Obligations. Flock will assist Agency Authorized End Users in the creation of a User ID. Agency agrees to provide Flock with accurate, complete, and updated registration information. Agency may not select as its User ID a name that Agency does not have the right to use, or another person's name with the intent to impersonate that person. Agency may not transfer its account to anyone else without prior written permission of Flock. Agency

will not share its account or password with anyone and must protect the security of its account and password. Unless otherwise stated and defined in this Agreement, Agency may not designate Authorized End Users for persons who are not officers, employees, or agents of Agency. Authorized End Users shall only use Agency-issued email addresses for the creation of their User ID. Agency is responsible for any activity associated with its account. Agency shall be responsible for obtaining and maintaining any equipment and ancillary services needed to connect to, access or otherwise use the Services. Agency will, at its own expense, provide assistance to Flock, including, but not limited to, by means of access to, and use of, Agency facilities, as well as by means of assistance from Agency personnel to the limited extent any of the foregoing may be reasonably necessary to enable Flock to perform its obligations hereunder, including, without limitation, any obligations with respect to Support Services or any Installation Services.

3.2 Agency Representations and Warranties. Agency represents, covenants, and warrants that Agency will use the Services only in compliance with this Agreement and all applicable laws and regulations, including but not limited to any laws relating to the recording or sharing of video, photo, or audio content. Although Flock has no obligation to monitor Agency 's use of the Services, Flock may do so and may prohibit any use of the Services it believes may be (or alleged to be) in violation of the foregoing.

4. CONFIDENTIALITY; AGENCY DATA

4.1 Confidentiality. To the extent allowable by applicable FOIA and state-specific Public Records Acts, each Party (the "*Receiving Party*") understands that the other Party (the "*Disclosing Party*") has disclosed or may disclose business, technical or financial information relating to the Disclosing Party's business (hereinafter referred to as "*Proprietary Information*" of the Disclosing Party). Proprietary Information of Flock includes non-public information regarding features, functionality and performance of the Services. Proprietary Information of Agency includes non-public data provided by Agency to Flock or collected by Flock via the Flock Hardware or Agency Hardware, to enable the provision of the Services, which includes but is not limited to geolocation information and environmental data collected by sensors . The Receiving Party agrees: (i) to take the same security precautions to protect against disclosure or unauthorized use of such Proprietary Information that the Party takes with its own proprietary information, but in no event will a Party apply less than reasonable precautions to protect such Proprietary Information, and (ii) not to use (except in performance of the Services or as otherwise permitted herein) or divulge to any third person any such Proprietary Information. If County receives a Public Records Act request for information that may be deemed Proprietary Information of Flock, and intends to produce responsive records pursuant to its duties under the Public Records Act, County will provide seven (7) days notice of its intent to produce, in which time Flock may decide to seek relief from production. County and Flock understand and agree that any failure by Flock to respond to the notice provided by County, shall constitute a waiver by Flock of any rights regarding the released information by County, and County shall disclose such information pursuant to applicable procedures required by the Public Records Act. Flock's use of the Proprietary Information may include processing the Proprietary Information to send Agency alerts, or to analyze the data collected to identify motion or

other events. The Disclosing Party agrees that the foregoing shall not apply with respect to any information that the Receiving Party can document (a) is or becomes generally available to the public, or (b) was in its possession or known by it prior to receipt from the Disclosing Party, or (c) was rightfully disclosed to it without restriction by a third party, or (d) was independently developed without use of any Proprietary Information of the Disclosing Party. Nothing in this Agreement will prevent the Receiving Party from disclosing the Proprietary Information pursuant to any judicial or governmental order, provided that the Receiving Party gives the Disclosing Party reasonable prior notice of such disclosure to contest such order. For clarity, Flock may access, use, preserve and/or disclose the Footage to law enforcement authorities, government officials, and/or third parties, if legally required to do so or if Flock has a good faith belief that such access, use, preservation or disclosure is reasonably necessary to: (a) comply with a legal process or request; (b) enforce this Agreement, including investigation of any potential violation thereof; (c) detect, prevent or otherwise address security, fraud or technical issues; or (d) protect the rights, property or safety of Flock, its users, a third party, or the public as required or permitted by law, including respond to an emergency situation. Flock may store deleted Footage in order to comply with certain legal obligations, but such retained Footage will not be retrievable without a valid court order.

4.2 Agency Data. As between Flock and Agency, all right, title and interest in the Agency Data, belong to and are retained solely by Agency. Agency hereby grants to Flock a limited, non-exclusive, royalty-free, worldwide license to (i) use the Agency Data and perform all acts with respect to the Agency Data as may be necessary for Flock to provide the Flock Services to Agency, including without limitation the Support Services set forth in Section 2.10 above, and a non-exclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid license to use, reproduce, modify, display, and distribute the Agency Data as a part of the Aggregated Data, (ii) disclose the Agency Data (both inclusive of any Footage) to enable law enforcement monitoring for elected law enforcement Hotlists as well as provide Footage search access to law enforcement for investigative purposes only, and (iii) and obtain Aggregated Data as set forth below in Section 4.5. As between Agency and Non-Agency End Users that have prescribed access of Footage to Agency, each of Agency and Non-Agency End Users will share all right, title and interest in the Non-Agency End User Data. This Agreement does not by itself make any Non-Agency End User Data the sole property or the Proprietary Information of Agency. Flock will automatically delete Footage older than thirty (30) days. Agency has a thirty (30) day window to view, save and/or transmit Footage to the relevant government agency prior to its deletion. Notwithstanding the foregoing, Flock automatically deletes Wing Replay after seven (7) days, during which time Agency may view, save and/or transmit such data to the relevant government agency prior to deletion. Flock does not own and shall not sell Agency Data.

4.3 Agency Generated Data in Wing Suite. Parties understand that Flock does not own any right, title, or interest to third-party video integrated into the Wing Suite. Flock may provide Agency with the opportunity to post, upload, display, publish, distribute, transmit, broadcast, or otherwise make available on or submit through the Wing Suite, messages, text, illustrations, files, images, graphics, photos, comments, sounds, music, videos, information, content, ratings, reviews, data, questions, suggestions, or other information or materials produced by Agency. Agency shall retain whatever legally cognizable right, title, and interest that Agency has in Agency Generated Data. Agency

understands and acknowledges that Flock has no obligation to monitor or enforce Agency's intellectual property rights to Agency Generated Data. To the extent legally permissible, Agency grants Flock a non-exclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid license to use, reproduce, modify, display, and distribute the Agency Generated Data for the sole purpose of providing Flock Services. Flock does not own and shall not sell Agency Generated Data.

4.4 Feedback. If Agency provides any suggestions, ideas, enhancement requests, feedback, recommendations or other information relating to the subject matter hereunder, Agency hereby assigns (and will cause its agents and representatives to assign) to Flock all right, title and interest (including intellectual property rights) with respect to or resulting from any of the foregoing.

4.5 Aggregated Data. Flock shall have the right to collect, analyze, and anonymize Agency Data and Agency Generated Data to create Aggregated Data to use and perform the Services and related systems and technologies, including the training of machine learning algorithms. Agency hereby grants Flock a non-exclusive, worldwide, perpetual, royalty-free right (during and after the Term hereof) to use and distribute such Aggregated Data to improve and enhance the Services and for other development, diagnostic and corrective purposes, other Flock offerings, and crime prevention efforts. Parties understand that the aforementioned license is required for continuity of Services. No rights or licenses are granted except as expressly set forth herein. Flock does not sell Aggregated Data.

5. PAYMENT OF FEES

5.1.1 Software Product Fees. For Order Forms listing Wing Suite, Advanced Search and other software-only products, Agency will pay Flock the fees for the Initial Term (as described on the Order Form attached hereto) on or before the 30th day from the date of invoice. For any Renewal Terms, Agency shall pay invoice on or before the 30th day from the date of renewal invoice.

5.1.2 Hardware Product Fees. For Order Forms listing Falcon, Sparrow, Raven and Falcon Flex products, Agency will pay Flock fifty percent (50%) of the fees for the Initial Term as set forth on the Order Form on or before the 30th day from date of invoice. Upon commencement of installation, Flock will issue an invoice for twenty-five percent (25%) of total fees, and Agency shall pay on or before 30th day following date of invoice. Upon completion of installation, Flock will issue an invoice for the remaining balance and Agency shall pay on or before 30th day following date of final invoice. Flock is not obligated to commence the Installation Services unless and until the first payment has been made and shall have no liability resulting from any delay related thereto. For any Renewal Terms, Agency shall pay the total invoice on or before the 30th day from the date of renewal invoice.

5.2 Notice of Changes to Fees. Flock reserves the right to change the fees or applicable charges and to institute new charges and fees on subsequent terms by providing sixty (60) days' notice prior to the end of such Initial Term or Renewal Term (as applicable) to Agency (which may be sent by email).

5.3 **Invoicing, Late Fees; Taxes.** Flock may choose to bill through an invoice, in which case, full payment for invoices must be received by Flock thirty (30) days after the receipt of invoice. If Agency is a non-tax-exempt entity, Agency shall be responsible for all taxes associated with Services other than U.S. taxes based on Flock's net income. If Agency believes that Flock has billed Agency incorrectly, Agency must contact Flock no later than sixty (60) days after the closing date on the first billing statement in which the error or problem appeared, in order to receive an adjustment or credit. Agency acknowledges and agrees that a failure to contact Flock within this sixty (60) day period will serve as a waiver of any claim Agency may have had as a result of such billing error.

6. TERM AND TERMINATION

6.1 **Term.** The initial term of this Agreement shall be for the period of time set forth on the Order Form and shall commence at the time outlined in this section below (the "**Term**"). Following the Term, the County will request renewal at least three months prior to end of current Term for successive renewal term(s) for one or more additional year(s) or the length set forth on the Order Form (each, a "**Renewal Term**"). The Renewal Request must be acknowledged in writing by both Parties unless either Party gives the other Party notice of non-renewal at least thirty (30) days prior to the end of the then-current term.

- a. For Wing Suite products: the Term shall commence upon execution of this Agreement and continue for one (1) year, after which, the Term may be extended by mutual consent of the Parties, unless terminated by either Party.
- b. For Falcon and Sparrow products: the Term shall commence upon first installation and validation of Flock Hardware.
- c. For Raven products: the Term shall commence upon first installation and validation of Flock Hardware.
- d. For Falcon Flex products: the Term shall commence upon execution of this Agreement.
- e. For Advanced Search products: the Term shall commence upon execution of this Agreement.

6.2 **Termination for Convenience.** At any time during the agreed upon Term, either Party may terminate this Agreement for convenience. Termination for convenience of the Agreement by the Agency will be effective immediately. Termination for convenience by Agency will result in a one-time removal fee of \$500 per Flock Hardware. Termination for convenience by Flock will not result in any removal fees. Upon termination for convenience, a refund will be provided for Flock Hardware, prorated for any fees for the remaining Term length set forth previously. Wing Suite products and Advanced Search are not subject to refund for early termination. Flock will provide advanced written notice and remove all Flock Hardware at Flock's own convenience, within a commercially reasonable period of time upon termination. Agency's termination of this Agreement for Flock's material breach of this Agreement shall not be considered a termination for convenience for the purposes of this Section 6.2.

6.3 **Termination.** Notwithstanding the termination provisions in Section 2.5.2, in the event of any material breach of this Agreement, the non-breaching Party may terminate this Agreement prior to the end of the Term by giving thirty

(30) days prior written notice to the breaching Party; provided, however, that this Agreement will not terminate if the breaching Party has cured the breach prior to the expiration of such thirty (30) day period. Either Party may terminate this Agreement, without notice, (i) upon the institution by or against the other Party of insolvency, receivership or bankruptcy proceedings, (ii) upon the other Party's making an assignment for the benefit of creditors, or (iii) upon the other Party's dissolution or ceasing to do business. Upon termination for Flock's material breach, Flock will refund to Agency a pro-rata portion of the pre-paid fees for Services not received due to such termination.

6.4 No-Fee Term. Flock will provide Agency with complimentary access to Hotlist alerts, as further described in Section 4.2 ("*No-Fee Term*"). In the event a Non-Agency End User grants Agency access to Footage and/or notifications from a Non-Agency End User, Agency will have access to Non-Agency End User Footage and/or notifications until deletion, subject to a thirty (30) day retention policy for all products except Wing Replay, which is subject to a seven (7) day retention policy. Flock may, in their sole discretion, provide access or immediately terminate the No-Fee Term. The No-Fee Term will survive the Term of this Agreement. Flock, in its sole discretion, can determine to impose a price per No-Fee Term upon thirty (30) days' notice to Agency. Agency may terminate any No-Fee Term or access to future No-Fee Terms upon thirty (30) days' notice.

6.5 Survival. The following Sections will survive termination: 2.5, 2.6, 3, 4, 5, 6.4, 7.3, 7.4, 8.1, 8.2, 8.3, 8.4, 9.1 and 9.6.

7. REMEDY; WARRANTY AND DISCLAIMER

7.1 Remedy. Upon a malfunction or failure of Flock Hardware or Embedded Software (a "*Defect*"), Agency must notify Flock's technical support as described in Section 2.10 above. If Flock is unable to correct the Defect, Flock shall, or shall instruct one of its contractors to repair or replace the Flock Hardware or Embedded Software suffering from the Defect. Flock reserves the right in their sole discretion to refuse or delay replacement or its choice of remedy for a Defect until after it has inspected and tested the affected Flock Hardware provided that such inspection and test shall occur within a commercially reasonable time, but no longer than seven (7) business days after Agency notifies the Flock of a known Defect. In the event of a Defect, Flock will repair or replace the defective Flock Hardware at no additional cost to Agency. Absent a Defect, in the event that Flock Hardware is lost, stolen, or damaged, Agency may request that Flock replace the Flock Hardware at a fee according to the then-current Reinstall policy (<https://www.flocksafety.com/reinstall-fee-schedule>). Agency shall not be required to replace subsequently lost, damaged or stolen Flock Hardware, however, Agency understands and agrees that functionality, including Footage, will be materially affected due to such subsequently lost, damaged or stolen Flock Hardware and that Flock will have no liability to Agency regarding such affected functionality nor shall the Usage Fee or Implementation Fees owed be impacted. Flock is under no obligation to replace or repair Flock Hardware or Agency Hardware.

7.2 **Exclusions.** Flock will not provide the remedy described in Section 7.1 if Agency has misused the Flock Hardware, Agency Hardware, or Service in any manner.

7.3 **Warranty.** Flock shall use reasonable efforts consistent with prevailing industry standards to maintain the Services in a manner which minimizes errors and interruptions in the Services and shall perform the Installation Services in a professional and workmanlike manner. Services may be temporarily unavailable for scheduled maintenance or for unscheduled emergency maintenance, either by Flock or by third-party providers, or because of other causes beyond Flock's reasonable control, but Flock shall use reasonable efforts to provide advance notice in writing or by e-mail of any scheduled service disruption.

7.4 **Disclaimer.** THE REMEDY DESCRIBED IN SECTION 7.1 ABOVE IS AGENCY'S SOLE REMEDY, AND FLOCK'S SOLE LIABILITY, WITH RESPECT TO DEFECTIVE EMBEDDED SOFTWARE. FLOCK DOES NOT WARRANT THAT THE SERVICES WILL BE UNINTERRUPTED OR ERROR FREE; NOR DOES IT MAKE ANY WARRANTY AS TO THE RESULTS THAT MAY BE OBTAINED FROM USE OF THE SERVICES. EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION, THE SERVICES ARE PROVIDED "AS IS" AND FLOCK DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. THIS DISCLAIMER OF SECTION 7.4 ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 10.6.

7.5 **Insurance.** Flock shall procure and maintain for the duration of the contract, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by Flock, its agents, representatives, or employees. Coverage shall be at least as broad as:

Commercial General Liability (CGL): Insurance Services Office Form CG 00 01 covering CGL on an "occurrence" basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits no less than \$2,000,000 per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.

Automobile Liability Insurance Services Office Form Number CA 0001 covering, Code 1 (any auto), or if Contractor has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than \$1,000,000 per accident for bodily injury and property damage.

Workers' Compensation insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.

Cyber Liability Insurance, with limit not less than \$2,000,000 per occurrence or claim, \$2,000,000 aggregate. Coverage shall be sufficiently broad to respond to the duties and obligations as is undertaken by Contractor in this Contract and shall include, but not be limited to, claims involving infringement of intellectual property, including but not limited to infringement of copyright, trademark,

trade dress, invasion of privacy violations, information theft, damage to or destruction of electronic information, release of private information, alteration of electronic information, extortion and network security. The policy shall provide coverage for breach response costs as well as regulatory fines and penalties as well as credit monitoring expenses with limits sufficient to respond to these obligations.

7.6 Force Majeure. Parties are not responsible or liable for any delays or failures in performance from any cause beyond their control, including, but not limited to acts of God, changes to law or regulations, embargoes, war, terrorist acts, acts or omissions of third-Party technology providers, riots, fires, earthquakes, floods, power blackouts, strikes, supply chain shortages of equipment or supplies, weather conditions or acts of hackers, internet service providers or any other third Party (not acting as Agents or employees of either party) acts or omissions. Force Majeure includes the novel coronavirus Covid-19 pandemic, and the potential spread of variants, which is ongoing as of the date of the execution of this Agreement.

8. LIMITATION OF LIABILITY; NO FEE TERM; INDEMNITY

8.1 Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY, FLOCK AND ITS SUPPLIERS (INCLUDING BUT NOT LIMITED TO ALL HARDWARE AND TECHNOLOGY SUPPLIERS), OFFICERS, AFFILIATES, REPRESENTATIVES, CONTRACTORS AND EMPLOYEES SHALL NOT BE RESPONSIBLE OR LIABLE WITH RESPECT TO ANY SUBJECT MATTER OF THIS AGREEMENT OR TERMS AND CONDITIONS RELATED THERETO UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY, PRODUCT LIABILITY, OR OTHER THEORY: (A) FOR ERROR OR INTERRUPTION OF USE OR FOR LOSS OR INACCURACY, INCOMPLETENESS OR CORRUPTION OF DATA OR FOOTAGE OR COST OF PROCUREMENT OF SUBSTITUTE GOODS, SERVICES OR TECHNOLOGY OR LOSS OF BUSINESS; (B) FOR ANY INDIRECT, EXEMPLARY, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES; (C) FOR ANY MATTER BEYOND FLOCK'S ACTUAL KNOWLEDGE OR REASONABLE CONTROL INCLUDING REPEAT CRIMINAL ACTIVITY OR INABILITY TO CAPTURE FOOTAGE OR IDENTIFY AND/OR CORRELATE A LICENSE PLATE WITH THE FBI DATABASE; (D) FOR ANY PUBLIC DISCLOSURE OF PROPRIETARY INFORMATION MADE IN GOOD FAITH; (E) FOR CRIME PREVENTION; OR (F) FOR ANY AMOUNTS THAT, TOGETHER WITH AMOUNTS ASSOCIATED WITH ALL OTHER CLAIMS, EXCEED INSURANCE LIMITS PROVIDED IN SECTION 7.5, IN EACH CASE, WHETHER OR NOT FLOCK HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THIS LIMITATION OF LIABILITY OF SECTION 8 ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 10.6.

8.2 Additional No-Fee Term Requirements. IN NO EVENT SHALL FLOCK'S AGGREGATE LIABILITY, IF ANY, ARISING OUT OF OR IN ANY WAY RELATED TO THE COMPLIMENTARY NO-FEE TERM AS

DESCRIBED IN SECTION 6.4 EXCEED \$100, WITHOUT REGARD TO WHETHER SUCH CLAIM IS BASED IN CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY OR OTHERWISE. Parties acknowledge and agree that the essential purpose of this Section 8.2 is to allocate the risks under the No-Fee Term described in Section 6.4 and limit potential liability given the aforementioned complimentary service, which would have been substantially higher if Flock were to assume any further liability other than as set forth herein. Flock has relied on these limitations in determining whether to provide the complementary No-Fee Term. The limitations set forth in this Section 8.2 shall not apply to claims or damages resulting from Flock's other obligations under this Agreement.

8.3 Responsibility. Each Party to this Agreement shall assume the responsibility and liability for the acts and omissions of its own employees, deputies, officers, or agents, in connection with the performance of their official duties under this Agreement. Each Party to this Agreement shall be liable (if at all) only for the torts of its own officers, agents, or employees.

9. INDEMNIFICATION

Agency hereby agrees to indemnify and hold harmless Flock against any damages, losses, liabilities, settlements and expenses in connection with any claim or action that arises from an actual violation of Section 3.1, a breach of this Agreement, Agency's Installation Obligations, Agency's sharing of any data in connection with the Flock system, Flock employees or agent or Non-Agency End Users, or otherwise from Agency's use of the Services, Flock Hardware, Agency Hardware and any Embedded Software, including any claim that such actions violate any applicable law or third Party right. Although Flock has no obligation to monitor Agency's use of the Services, Flock may do so and may prohibit any use of the Services it believes may be (or alleged to be) in violation of Section 3.1 or this Agreement.

To the fullest extent permitted by law, each Party (the "Indemnifying Party") hereby agrees to protect, defend, indemnify, and hold the other Party (the "Indemnified Party"), its officers, agents, employees, and volunteers, free and harmless from any and all losses, claims, liens, demands, and causes of action of every kind and character resulting from the Indemnifying Party's negligent act, willful misconduct, or error or omission, including, but not limited to, the amounts of judgments, penalties, interest, court costs, legal fees, and all other expenses incurred by the Indemnified Party arising in favor of any party, including claims, liens, debts, personal injuries, death, or damages to property (including employees or property of the Indemnified Party) and without limitation, all other claims or demands of every character occurring or in any way incident to, in connection with or arising directly or indirectly out of, the Contract. The Indemnifying Party agrees to investigate, handle, respond to, provide defense for, and defend any such claims, demand, or suit at the sole expense of the Indemnifying Party, using legal counsel

approved in writing by Indemnified Party. Indemnifying Party also agrees to bear all other costs and expenses related thereto, even if the claim or claims alleged are groundless, false, or fraudulent. This provision is not intended to create any cause of action in favor of any third party against either Party or to enlarge in any way either Party's liability but is intended solely to provide for indemnification of the Indemnified Party from liability for damages, or injuries to third persons or property, arising from or in connection with Indemnifying Party's performance pursuant to this Contract. This obligation is independent of, and shall not in any way be limited by, the minimum insurance obligations contained in this Contract.

10. MISCELLANEOUS

10.1 **Compliance With Laws.** The Agency agrees to comply with all applicable local, state and federal laws, regulations, policies and ordinances and their associated record retention schedules, including responding to any subpoena request(s). In the event Flock is legally compelled to comply with a judicial order, subpoena, or government mandate, to disclose Agency Data or Agency Generated Data, Flock will provide Agency with reasonable notice.

10.2 **Severability.** If any provision of this Agreement is found to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement will otherwise remain in full force and effect.

10.3 **Assignment.** This Agreement is not assignable, transferable or sublicensable by either Party, without prior consent. Notwithstanding the foregoing, either Party may assign this Agreement, without the other Party's consent, (i) to any parent, subsidiary, or affiliate entity, or (ii) to any purchaser of all or substantially all of such Party's assets or to any successor by way of merger, consolidation or similar transaction.

10.4 **Entire Agreement.** This Agreement, together with the Order Form(s), the then-current Reinstall policy (<https://www.flocksafety.com/reinstall-fee-schedule>), Deployment Plan(s), and any attached addenda are the complete and exclusive statement of the mutual understanding of the Parties and supersedes and cancels all previous written and oral agreements, communications and other understandings relating to the subject matter of this Agreement, and that all waivers and modifications must be in a writing signed by both Parties, except as otherwise provided herein. None of Agency's purchase orders, authorizations or similar documents will alter the terms of this Agreement, and any such conflicting terms are expressly rejected. In the event of any conflict of terms found in this Agreement or any other terms and conditions, the terms of this Agreement shall prevail.

10.5 **Relationship.** No agency, partnership, joint venture, or employment is created as a result of this Agreement and Agency does not have any authority of any kind to bind Flock in any respect whatsoever. Flock shall at all times be and act as an independent contractor.

10.6 **Governing Law; Venue.** This Agreement shall be governed by the laws of the State in which the Agency is located. The Parties hereto agree that venue would be proper in the chosen courts of the State of which the Agency is located. The Parties agree that the United Nations Convention for the International Sale of Goods is excluded in its entirety from this Agreement.

10.7 **Publicity.** Upon prior consent from Agency, Flock has the right to reference and use Agency's name and trademarks and disclose the nature of the Services provided hereunder in each case in business and development and marketing efforts, including without limitation on Flock's website.

10.8 **Export.** Agency may not remove or export from the United States or allow the export or re-export of the Flock IP or anything related thereto, or any direct product thereof in violation of any restrictions, laws or regulations of the United States Department of Commerce, the United States Department of Treasury Office of Foreign Assets Control, or any other United States or foreign agency or authority. As defined in Federal Acquisition Regulation ("FAR"), section 2.101, the Services, the Flock Hardware and Documentation are "commercial items" and according to the Department of Defense Federal Acquisition Regulation ("DFAR") section 252.2277014(a)(1) and are deemed to be "commercial computer software" and "commercial computer software documentation." Flock is compliant with FAR Section 889 and does not contract or do business with, use any equipment, system, or service that uses the enumerated banned Chinese telecommunication companies, equipment or services as a substantial or essential component of any system, or as critical technology as part of any Flock system. Consistent with DFAR section 227.7202 and FAR section 12.212, any use, modification, reproduction, release, performance, display, or disclosure of such commercial software or commercial software documentation by the U.S. Government will be governed solely by the terms of this Agreement and will be prohibited except to the extent expressly permitted by the terms of this Agreement.

10.9 **Headings.** The headings are merely for organization and should not be construed as adding meaning to the Agreement or interpreting the associated sections.

10.10 **Authority.** Each of the below signers of this Agreement represent that they understand this Agreement and have the authority to sign on behalf of and bind the Parties they are representing.

10.11 **Notices.** All notices under this Agreement will be in writing and will be deemed to have been duly given when received, if personally delivered; when receipt is electronically confirmed, if transmitted by email; the day after it is sent, if sent for next day delivery by recognized overnight delivery service; and upon receipt, if sent by certified or registered mail, return receipt requested.

Automated License Plate Readers (ALPRs)

429.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for the capture, storage and use of digital data obtained through the use of Automated License Plate Reader (ALPR) technology.

429.1 POLICY

The policy of the Nevada County Sheriff's Office is to utilize ALPR technology to capture and store digital license plate data and images while recognizing the established privacy rights of the public.

All data and images gathered by the ALPR are for the official use of this office. Because such data may contain confidential information, it is not open to public review.

429.4 DEFINITIONS

- (a) **Automated License Plate Reader (ALPR):** A device that uses cameras and computer technology to compare digital images to lists of known information of interest.
- (b) **ALPR Operator:** Trained Office members who may utilize ALPR system/equipment. ALPR operators may be assigned to any position within the Office, and the ALPR Administrator may order the deployment of the ALPR systems for use in various efforts.
- (c) **ALPR Administrator:** The Administration Division Commander or their designee, serves as the ALPR Administrator of the Office.
- (d) **Hot List:** A list of license plates associated with vehicles of interest compiled from one or more databases including, but not limited to, NCIC, CA DMV, local BOLO's, etc.
- (e) **Vehicles of Interest:** Including, but not limited to vehicles which are reported as stolen; display stolen license plates or tags; vehicles linked to missing and/or wanted persons and vehicles flagged by the Department of Motor Vehicle Administration or law enforcement agencies.
- (f) **Detection:** Data obtained by an ALPR of an image (such as a license plate) within public view that was read by the device, including potential images (such as the plate and description of vehicle on which it was displayed), and information regarding the location of the ALPR system at the time of the ALPR's read.
- (g) **Hit:** Alert from the ALPR system that a scanned license plate number may be in the National Crime Information Center (NCIC) or other law enforcement database for a specific reason including, but not limited to, being related to a stolen car, wanted person, domestic violence protective order or terrorist-related activity.

429.5 ADMINISTRATION

The ALPR technology, also known as License Plate Recognition (LPR), allows for the automated detection of license plates along with the vehicle make, model, color and unique identifiers through the Nevada County Sheriff's Office's ALPR system and the vendor's vehicle identification

Nevada County Sheriff's Office

Policy Manual

Automated License Plate Readers (ALPRs)

technology. It is used by the Nevada County Sheriff's Office to convert data associated with vehicle license plates and vehicle descriptions for official law enforcement purposes, including identifying stolen or wanted vehicles, stolen license plates and missing persons. It may also be used to gather information related to active warrants, homeland security, electronic surveillance, suspect interdiction and stolen property recovery.

All installation and maintenance of ALPR equipment, as well as ALPR data retention and access, shall be managed by the Administration Division Commander. The Administration Division Commander will assign members under his/her command to administer the day-to-day operation of the ALPR equipment and data.

429.5.1 ALPR ADMINISTRATOR

The Administration Division Commander shall be responsible for developing guidelines and procedures to comply with the requirements of Civil Code § 1798.90.5 et seq. This includes, but is not limited to (Civil Code § 1798.90.51; Civil Code § 1798.90.53):

- (a) A description of the job title or other designation of the members and independent contractors who are authorized to use or access the ALPR system or to collect ALPR information.
- (b) Training requirements for authorized users.
- (c) A description of how the ALPR system will be monitored to ensure the security of the information and compliance with applicable privacy laws.
- (d) Procedures for system operators to maintain records of access in compliance with Civil Code § 1798.90.52.
- (e) The title and name of the current designee in overseeing the ALPR operation.
- (f) Working with the Custodian of Records on the retention and destruction of ALPR data.
- (g) Ensuring this policy and related procedures are conspicuously posted on the office's website.

429.6 OPERATIONS

Use of an ALPR is restricted to the purposes outlined below. Office members shall not use, or allow others to use the equipment or database records for any unauthorized purpose (Civil Code § 1798.90.51; Civil Code § 1798.90.53).

- (a) An ALPR shall only be used for official law enforcement business.
- (b) An ALPR may be used in conjunction with any routine patrol operation or criminal investigation. Reasonable suspicion or probable cause is not required before using an ALPR.
- (c) While an ALPR may be used to canvass license plates around any crime scene, particular consideration should be given to using ALPR-equipped cars to canvass areas around homicides, shootings and other major incidents. Partial license plates reported during major crimes should be entered into the ALPR system in an attempt to identify suspect vehicles.

Nevada County Sheriff's Office

Policy Manual

Automated License Plate Readers (ALPRs)

- (d) No member of this office shall operate ALPR equipment or access ALPR data without first completing office-approved training.
- (e) No ALPR operator may access office, state or federal data unless otherwise authorized to do so.
- (f) If practicable, the deputy should verify an ALPR response through the California Law Enforcement Telecommunications System (CLETS) before taking enforcement action that is based solely on an ALPR alert. Once an alert is received, the operator should confirm that the observed license plate from the system matches the license plate of the observed vehicle. Before any law enforcement action is taken because of an ALPR alert, the alert will be verified through a CLETS inquiry via MDC or through Dispatch. Members will not take any police action that restricts the freedom of any individual based solely on an ALPR alert unless it has been validated. Because the ALPR alert may relate to a vehicle and may not relate to the person operating the vehicle, deputies are reminded that they need to have reasonable suspicion and/or probable cause to make an enforcement stop of any vehicle. (For example, if a vehicle is entered into the system because of its association with a wanted individual, Deputies should attempt to visually match the driver to the description of the wanted subject prior to making the stop or should have another legal basis for making the stop.)
- (g) Hot Lists: Designation of hot lists to be utilized by the ALPR system shall be made by the ALPR Administrator or their designee. Hot lists shall be obtained or compiled from sources as may be consistent with the purposes of the ALPR system set forth in this Policy. Hot lists utilized by the Office's LPR system may be updated by agency sources more frequently than the Office may be uploading them and thus the Office's LPR system will not have access to real time data. Occasionally, there may be errors in the LPR system's read of a license plate. Therefore, an alert alone shall not be a basis for police action (other than following the vehicle of interest). Prior to initiation of a stop of a vehicle or other intervention based on an alert, Office members shall undertake the following:
 1. Verification of status on a Hot List: An officer must receive confirmation, from a dispatcher or other office computer device, that the license plate is still stolen, wanted, or otherwise of interest before proceeding (absent exigent circumstances).
 2. Visual verification of license plate number. Deputies shall visually verify that the license plate of interest matches identically with the image of the license plate number captured (read) by the LPR, including both the alphanumeric characters of the license plate, state of issue, and vehicle descriptors before proceeding. Office members alerted to the fact that an observed motor vehicle's license plate is entered as a Hot Plate (hit) in a specific BOLO (be on the lookout) list are required to make a reasonable effort to confirm a wanted person is actually in the vehicle and/or that a reasonable basis exists before a Office member would have a lawful basis to stop the vehicle.
 3. Office members will clear all stops from hot list alerts by indicating the positive ALPR Hit, i.e., with an arrest or other enforcement action. If it is not obvious in the text of the call as to the correlation of the ALPR Hit and the arrest, then

Nevada County Sheriff's Office

Policy Manual

Automated License Plate Readers (ALPRs)

- the Office member shall update with the dispatcher and original person and/or a crime analyst inputting the vehicle in the Hot List (Hit).
4. General Hot Lists (SVS, SFR, and SLR) will be automatically downloaded into the ALPR system a minimum of once a day with the most current data overwriting the old data.
 5. All entries and updates of specific Hot Lists within the ALPR system will be documented by the requesting Office member within the appropriate general offense report. As such, specific Hot Lists shall be approved by the ALPR Administrator (or their designee) before initial entry within the ALPR system. The updating of such a list within the ALPR system shall thereafter be accomplished pursuant to the approval of the Office member's immediate supervisor. The hits from these data sources should be viewed as informational; created solely to bring the officer's attention to specific vehicles that have been associated with criminal activity.
 6. All Hot Plates and suspect information entered into the ALPR system will contain the following information at a minimum:
 - (a) Entering Office member's name
 - (b) Related case number
 - (c) Short synopsis describing the nature of the originating call
- (h) Training: No member of this Office shall operate ALPR equipment or access ALPR data without first completing Office-approved training.
- (i) Login/Log-Out Procedure: To ensure proper operation and facilitate oversight of the ALPR system, all users will be required to have individual credentials for access and use of the systems and/or data, which has the ability to be fully audited. Permitted/Impermissible Uses. The ALPR system, and all data collected, is the property of the Nevada County Sheriff's Office. Office personnel may only access and use the ALPR system for official and legitimate law enforcement purposes consistent with this Policy. The following uses of the ALPR system are specifically prohibited:
1. Invasion of Privacy: Except when done pursuant to a court order such as a search warrant, it is a violation of this Policy to utilize the ALPR to record license plates except those of vehicles that are exposed to public view (e.g., vehicles on a public road or street, or that are on private property but whose license plate(s) are visible from a public road, street, or a place to which members of the public have access, such as the parking lot of a shop or other business establishment).
 2. Harassment or Intimidation: It is a violation of this Policy to use the ALPR system to harass and/or intimidate any individual or group.
 3. Use Based on a Protected Characteristic: It is a violation of this policy to use the LPR system or associated scan files or hot lists solely because of a person's, or group's race, gender, religion, political affiliation, nationality, ethnicity, sexual orientation, disability, or other classification protected by law.
 4. Personal Use: It is a violation of this Policy to use the ALPR system or associated scan files or hot lists for any personal purpose.

Policy Manual

Automated License Plate Readers (ALPRs)

5. First Amendment Rights: It is a violation of this policy to use the LPR system or associated scan files or hot lists for the purpose or known effect of infringing upon First Amendment rights.
6. Anyone who engages in an impermissible use of the ALPR system or associated scan files or hot lists may be subject to:
 - (a) Criminal prosecution
 - (b) Civil liability
 - (c) Administrative sanctions, up to and including termination, pursuant to and consistent with the relevant collective bargaining agreements and Office policies.

429.7 DATA COLLECTION AND RETENTION

The Administration Division Commander is responsible for ensuring systems and processes are in place for the proper collection and retention of ALPR data. Data will be transferred from vehicles to the designated storage in accordance with office procedures.

All ALPR data downloaded to the server should be stored in accordance with the established records retention schedule.. Thereafter, ALPR data should be purged unless it has become, or it is reasonable to believe it will become, evidence in a criminal or civil action or is subject to a discovery request or other lawful action to produce records. In those circumstances the applicable data should be downloaded from the server onto portable media and booked into evidence.

The ALPR vendor will store the data (data hosting) and ensure proper maintenance and security of data stored in their data towers. The vendor will purge their data at the end of the 30 days of storage. However, this will not preclude the Nevada County Sheriff's Office's from maintaining any relevant vehicle data obtained from the system after that period pursuant to the established days of storage. This will not preclude Office from complying with the retention schedule mentioned above or outlined elsewhere.

Restrictions on use of ALPR Data: Information gathered or collected, and records retained by Flock Safety cameras or any other Nevada County Sheriff's Office ALPR system will not be sold, accessed, or used for any purpose other than legitimate law enforcement or public safety purposes.

429.8 RELEASING ALPR DATA

The ALPR data may be shared only with other law enforcement or prosecutorial agencies for official law enforcement purposes or as otherwise permitted by law, using the following procedures:

- (a) The agency makes a written request for the ALPR data that includes:
 - (a) The name of the agency.
 - (b) The name of the person requesting.

Nevada County Sheriff's Office

Policy Manual

Automated License Plate Readers (ALPRs)

- (c) The intended purpose of obtaining the information.
- (b) The request is reviewed by the Administration Division Commander or the authorized designee and approved before the request is fulfilled.
- (c) The Sheriff or their authorized designee will consider the California Values Act (Government Code § 7282.5; Government Code § 7284.2 et seq), before approving the release of ALPR data. The Nevada County Sheriff's Office does not permit the sharing of ALPR data gathered by the staff or its contractors/subcontractors for purpose of federal immigration enforcement, these federal immigration agencies include Immigrations and Customs Enforcement (ICE) and Customs and Border Patrol (CPB).
- (d) The approved request is retained on file.

Requests for ALPR data by non-law enforcement or non-prosecutorial agencies will be processed as provided in the Records Maintenance and Release Policy (Civil Code § 1798.90.55).

429.9 ACCOUNTABILITY AND SAFEGUARDS

All data will be closely safeguarded and protected by both procedural and technological means. The Nevada County Sheriff's Office will observe the following safeguards regarding access to and use of stored data (Civil Code § 1798.90.51; Civil Code § 1798.90.53):

- (a) All non-law enforcement requests for access to stored ALPR data shall be processed in accordance with applicable law.
- (b) All ALPR data downloaded to the mobile workstation and in storage shall be accessible only through a login/password-protected system capable of documenting all access of information by name, date and time (Civil Code § 1798.90.52).
- (c) Members approved to access ALPR data under these guidelines are permitted to access the data for legitimate law enforcement purposes only, such as when the data relate to a specific criminal investigation or office-related civil or administrative action.
- (d) Such ALPR data may be released to other authorized and verified law enforcement officials and agencies for legitimate law enforcement purposes.
- (e) Every ALPR Detection Browsing Inquiry must be documented by either the associated Nevada County Sheriff's Office case number or incident number, and/or a reason for the inquiry.

For security or data breaches, see the Records Release and Maintenance Policy.

429.9 TRAINING

The Training Manager should ensure that members receive office-approved training for those authorized to use or access the ALPR system (Civil Code § 1798.90.51; Civil Code § 1798.90.53).

429.9 ALPR DATA DETECTION BROWSING AUDITS

It is the responsibility of the Administration Division Commander or the Sheriff's designee to ensure that an audit is conducted of ALPR detection browsing inquiries at least once during each calendar

Nevada County Sheriff's Office

Policy Manual

Automated License Plate Readers (ALPRs)

year. The Office will audit a sampling of the ALPR system utilization from the prior 12-month period to verify proper use in accordance with the above-authorized uses. The audit shall randomly select at least 10 detection browsing inquiries conducted by office employees during the preceding period and determine if each inquiry meets the requirements established in section 429.9(e) of this policy.

The audit shall be documented in the form of an internal office memorandum to the Sheriff. The memorandum shall include any data errors found so that such errors can be corrected. After review by the Sheriff, the memorandum and any associated documentation shall be filed and retained by PSU (Professional Standards Unit).
