ADDITIONAL PROVISIONS

Secretary of State Policy Regarding Political Activity in the Workplace

SECRETARY OF STATE POLICY REGARDING POLITICAL ACTIVITY IN THE WORKPLACE

The Secretary of State is the state's chief elections officer. It is, therefore, imperative that staff in the Secretary of State's Office, and those who contract with the Secretary of State's Office, refrain from engaging in any political activity that might call into question the office's impartiality with respect to handling election issues. Accordingly, the policy of the Secretary of State's Office with respect to political activity in the workplace, a copy of which will be given to every employee in the Secretary of State's office and incorporated as an attachment to contracts with the Secretary of State's Office, is as follows:

- 1) No employee of or contractor with the Secretary of State's Office shall engage in political campaign-related activities on state-compensated or federal-compensated time, except as required by official duties, such as answering inquiries from the public. In those cases where the contractor with the Secretary of State's Office is a county, the term "contractor" shall apply only to county elections office employees, county employees redirected to work temporarily for the county elections office, or any person, firm, company or business that provides reimbursable election-related services to a county elections office in furtherance of a contract. This prohibition shall not apply while an employee is on approved vacation or approved annual leave. This prohibition shall not apply to activities engaged in during the personal time of an employee.
- 2) No employee of or contractor with the Secretary of State's Office shall use any state property in connection with political campaign activities. It is strictly prohibited to schedule political campaign-related meetings or to conduct political campaign-related meetings in state office space, even if after normal working hours.
- 3) No employee of or contractor with the Secretary of State's Office shall use his or her official status with the Secretary of State's Office to influence political campaign-related activities or to confer support for or indicate opposition to a candidate or measure at any level of government.
- 4) No employee of or contractor with the Secretary of State's Office may be involved with political campaign-related telephone calls, letters, meetings or other political campaign-related activities on state-compensated or federal-compensated time. Requests by employees to switch to alternative work schedules, such as 4-10-40 or 9-8-80 work weeks, or to take vacation in order to accommodate political campaign-related activities or to attend political campaign functions, will be judged in the same manner and on the same basis as any other requests of this nature (i.e., existing needs of the office and discretion of the division chiefs).
- 5) The receipt or delivery of political campaign contributions or photocopies thereof on state property is strictly prohibited, as is the use of office time or state resources (e.g., intra-office mail or fax machines) to solicit or transmit political campaign contributions.
- 6) No employee of or contractor with the Secretary of State's Office may authorize any person to use his or her affiliation with the Secretary of State's Office in an attempt to suggest that the employee's or contractor's support or opposition to a nomination or an election for office or a ballot measure is of an "official," as distinguished from private, character.
- 7) No employee of or contractor with the Secretary of State's Office may display political campaign-related buttons, posters, or similar materials in areas visible to individuals who are in public areas of the Secretary of State's Office; nor may an employee of or contractor with the Secretary of State's Office display political campaign-related posters or other materials on windows facing out of the state office building.

**EXHIBIT E
(Standard Agreement)**

- 8) No employee of or contractor with the Secretary of State's Office may use official authority or influence for the purpose of interfering with or attempting to affect the results of an election or a nomination for any public office.
- 9) No employee of or contractor with the Secretary of State's Office may directly or indirectly coerce or solicit contributions from subordinates in support of or in opposition to an election or nomination for office or a ballot measure.
- 10) An employee who is paid either partially or fully with federal funds, including the Help America Vote Act of 2002 (HAVA), is subject to the provisions of the federal Hatch Act, and is, therefore, prohibited from being a candidate for public office in a partisan election, as defined in the federal Hatch Act. However, any employee who is to be paid either partially or fully with funds pursuant to HAVA, shall first be consulted about the proposed funding and be informed about the prohibitions of the federal Hatch Act. The employee, whenever possible, shall be given the opportunity to engage in employment that does not involve HAVA funding.

County Clerk/Registrar of Voters (CC/ROV) Memorandum #19056

TO: All County Clerks/Registrars of Voters

FROM: /s/ Susan Lapsley
Deputy Secretary of State and Counsel

RE: Additional State Funding for Voting System and Election Management System (EMS) Replacement

The 2019 Budget Act provided one-time funding of \$87 million for the replacement of voting systems and technology. This allocation is in addition to the fiscal year 2018-2019 funding which provided \$134 million for counties for the replacement of voting technology.

The 2019 Budget Act provided additional funding, modified the match requirement, and allocated funding for election management system (EMS) replacement.

Additional funding: The funding for each county for the additional voting system replacement was set through the budget process. The amount allocated for each county is fixed and was based on a variety of factors and assumptions, including such things as county size, number of precincts, and voting equipment needs. See Attachment A for the breakdown by county of these funds.

Match requirements: The 2019 Budget Act modifies the match requirement for both the fiscal year 2018-2019 funding and the new allocation. Based upon historical figures, the match requirement is modified as follows:

1. Counties with 50 or fewer precincts will require no match of funds.
2. Counties with 51 or more precincts will require a 3:1 or 75%:25% match of funds.

EMS replacement: The 2019 Budget Act provides funding for county Election Management System (EMS) replacement. Of the \$87 million, \$18 million is allocated for the replacement of county EMS. See Attachment A for the breakdown by county for these funds.

Rather than issue new contracts for the 2019 allocation we will be amending the current contracts. The amendment will: (1) add additional funding to replace and upgrade county voting systems; (2) change the matching formula; (3) authorize funds to be used for county election management system replacement; and (4) extend the contract ending date to June 30, 2022. The contract amendment will be sent out next month. We are aware that some may require Board of Supervisor's approval, but please have the contract amendment approved and the signed version returned to SOS as soon as possible.
