DATE OF MEETING: October 13, 2015

SUBJECT: Resolution accepting agreement C15L0610, with the California Department of Boating and Waterways to purchase boating equipment up to the amount of \$13,500, and direct the Auditor-Controller to adjust the Sheriff's Office FY 15/16 budget

RECOMMENDATION: Adopt the resolution

FUNDING: Funding is provided by the California Department of Boating and Waterways and there will be no impact to the General Fund. A budget amendment for FY 15/16 Sheriff's Operations is being submitted concurrently

BACKGROUND: The Nevada County Sheriff's Office is in need of additional miscellaneous boating equipment for our Boat Patrol Unit. During the boating season our Boat Patrol enforces laws on all lakes and waterways in Nevada County.

Board Resolution #15-101, authorized the Sheriff's Office to apply to the California Department of Boating and Waterways Boating Safety and Enforcement Equipment Grant program for miscellaneous boating equipment. We have received notification that our application was approved, up to the amount of \$13,500, for the purchase of a boat engine replacement, solar equipment and two dewatering pumps. We also will need a budget adjustment for FY 15/16, to allow for this equipment purchase.

This equipment will help improve the operational effectiveness of our Boat Patrol Unit.

Sincerely,

Keith Royal
Sheriff-Coroner
