The County of Nevada, hereinafter referred to as the "Subrecipient", enters into this Subaward Agreement (the "Agreement") on the date of the last signature on this Agreement below, following the terms and conditions set forth herein.

Funding for this Project is provided from the California Department of Forestry and Fire Protection ("CAL FIRE") as part of the California Climate Investment Program. The Project being funded is as described in the Subrecipient's original application for funding. This Agreement outlines the subaward's procedures and requirements.

The assigned number for this subaward is 21CALFIRE 370779. (Please refer to this number when contacting CFSC about this subaward). Total funding provided for this Project shall not exceed \$175,000.00.

The objective of this Grant Program to educate, encourage, and develop county-wide collaboration and coordination among various wildfire mitigation groups operating within counties containing State Responsibility Area lands. To meet project objectives, County Coordinators will conduct an initial census of wildfire mitigation work in their county, attend workshops at the local and state level, identify and summarize actions of local groups, and provide regular reports and updates on collaborative efforts. The end result will be a county-wide model of collaboration, coordination, and mutual aid between all wildfire mitigation organizations and stakeholders.

SECTION 2: TERM OF SUBAWARD

The term of this Agreement is from November 15, 2021 to April 30, 2023 (the "Term"). Subrecipient shall not receive funding for portions of the Project completed outside of the Term. Payments to Subrecipient shall be in the form of electronic direct deposit through ACH processing to Subrecipient's bank account. (ACH processing is a safe form of a bank wire from CFSC's bank to Subrecipient's bank.).
