EXHIBIT A SCHEDULE OF SERVICES

EVALCORP, hereinafter referred to as “Contractor”, shall assist Nevada County Behavioral Health in the Community Planning Process for the Behavioral Health Services Act (BHSA) Integrated Plan, compile data, assist with the completion of the Three-Year Integrated Plan, and advise on the development of a Request for Proposal process for BHSA funding distribution to contracted providers.

1) Contractor Responsibilities

a. BACKGROUND

The Mental Health Services Act (Proposition 63 or MHSA), approved by California voters on November 2, 2004, increased state funding for community mental health services by imposing a 1% income tax on individuals earning over \$1 million annually. In March 2024, voters passed Proposition 1, which seeks to transform behavioral health care in California by prioritizing services for individuals with significant mental health needs, expanding substance use disorder (SUD) treatment, enhancing housing interventions, and growing the behavioral health workforce. The Behavioral Health Services Act (SB 326), which will replace the MHSA by July 2026, reflects these changes.

The Behavioral Health Services Act (BHSA) requires counties to submit three-year Integrated Plans (IPs) for Behavioral Health Services and Outcomes. Whereas the Three-Year Program and Expenditure Plan required under the Mental Health Services Act (MHSA) focused exclusively on MHSA dollars, the BHSA establishes the IP to serve as a three-year prospective global spending plan that describes how county behavioral health departments plan to use all available behavioral health funding, including BHSA, 1991 and 2011 Realignment, federal grant programs, federal financial participation from Medi-Cal, opioid settlement funds, local funding, and other funding to meet statewide and local outcome measures, reduce disparities, and address the unmet need in their community. In accordance with the BHSA, the IP provides a description of how counties will plan expenditures across a range of behavioral health funding sources and deliver high-quality, culturally responsive, and timely care along the Behavioral Health Care Continuum for the plan period.

IPs require counties to conduct a thorough data-informed local service planning process and provide transparency into county planning for expending BHSA funding and all other behavioral health funding sources overseen by counties. All BHSA services and programming must be planned in accordance with local data. In particular, W&I Code section 5963.02, subdivision (b)(2) requires the county to use local substance use disorder (SUD) prevalence data and unmet SUD needs data. IPs will also facilitate local and statewide data collection by providing baseline data on services and planned expenditures and supporting analysis of county goals and outcomes.

Counties are required to demonstrate a partnership with constituents and stakeholders throughout the process that includes meaningful stakeholder involvement on mental health and substance use disorder policy, program planning and implementation, monitoring, workforce, quality improvement, evaluation, health equity, evaluation, and budget allocations. Meaningful stakeholder engagement requires that counties conduct a community planning process that is open to all interested stakeholders and that stakeholders have opportunities to provide feedback on key planning decisions.

b. SCOPE OF SERVICES

Contractor will develop a strategic and customized approach to engage community stakeholders to maximize participation and ensure accessibility and cultural responsiveness. In-person outreach may reach individuals in rural or isolated areas, while virtual formats are used to engage youth and working adults who need flexible options. The plan will identify key stakeholder groups to engage, including consumers, service providers, and community leaders. The Community Planning Process will be designed to be open to all interested stakeholders and to ensure that all groups have the opportunity to provide feedback on key planning decisions. Community planning process will comply with any community planning regulations within the BHSA Policy Module, and will include education regarding BHSA and general behavioral health funding, mandates, priorities that are covered within the scope of the Integrated Plan.
 2. Collaboratively with County revise and co-develop data collection tools—such as a stakeholder behavioral health survey, focus group guides, and key informant interview protocols—to effectively capture community needs and feedback. All tools will be designed to align with BHSA requirements and support meaningful, data-informed planning.
 3. Conduct stakeholder engagement activities including:
 - a. Focus Groups: Conduct 12-15 sessions with stakeholders such as underserved populations, youth, older adults, LGBTQ+ community members, and those with lived experience. Whether focus groups are conducted in-person or virtually will be determined in collaboration with NCBH to ensure access and optimal participation.
 - b. Key Informant Interviews: Conduct up to 5 interviews (virtually or by phone) with cross-sector leaders such as behavioral health providers, public safety officials, education partners, and community-based organizations.
 - c. Stakeholder Survey: Launch a bilingual survey (e.g., English and Spanish) with plain-language questions, distributed online and in print where needed.
 - d. Documentation of Outreach Efforts: Track and document all outreach and follow-up attempts, especially for groups with low participation, to ensure compliance with BHSA requirements for

inclusive engagement. Analyze, consolidate, and document findings from community planning process into clear and concise recommendations for community and county staff that can be translated into the Integrated Plan development process and BHSA buckets of funding.

Analysis may include the following: descriptive statistics, comparative analyses, cross-tabulations, trend analysis, qualitative analysis, and data visualization.

Coverage shall be at least as broad as:

1. **Commercial General Liability CGL:** Insurance Services Office Form CG 00 01 covering CGL on an “occurrence” basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits no less than **\$2,000,000** per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.
2. **Automobile Liability:** Insurance Services Office Form Number CA 0001 covering, Code 1 (any auto), or if Contractor has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than **\$1,000,000** per accident for bodily injury and property damage.

If Contractor maintains broader coverage and/or higher limits than the minimums shown above, County requires and shall be entitled to the broader coverage and/or the higher limits maintained by Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to County

Other Insurance Provisions:

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured Status: County, its officers, employees, agents, and volunteers are to be covered as additional insureds** on the CGL policy with respect to liability arising out of the work or operations performed by or on behalf of Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to Contractor’s insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, then through the addition of both CG 20 10, CG 20 25, CG 20 33, or CG 20 38; and CG 20 37 forms if later revisions are used.)
2. **Primary Coverage** For any claims related to this contract, **Contractor’s insurance shall be primary** insurance primary coverage at least as broad as ISO CG 20 01 04 13 as respects County, its officers, employees, agents, and volunteers. Any insurance or self-insurance maintained by the County, its officers, employees, agents, and volunteers shall be excess of Contractor’s insurance and shall not contribute with it.
3. **Umbrella or Excess Policy** The Contractor may use Umbrella or Excess Policies to provide the liability limits as required in this agreement. This form of insurance will be acceptable provided that all of the Primary and Umbrella or Excess Policies shall provide all of the insurance coverages herein required, including, but not limited to, primary and non-contributory, additional insured, Self-Insured Retentions (SIRs), indemnity, and defense requirements. Umbrella or Excess policies shall be provided on a true “following form” or broader coverage basis, with coverage at least as broad as provided on the underlying Commercial General Liability insurance. No insurance policies maintained by the Additional Insureds, whether primary or excess, and which also apply to a loss covered hereunder, shall

be called upon to contribute to a loss until the Contractor's primary and excess liability policies are exhausted.

4. **Notice of Cancellation** This policy shall not be changed without first giving thirty (30) days prior written notice and ten (10) days prior written notice of cancellation for non-payment of premium to County.
5. **Waiver of Subrogation** Contractor hereby grants to County a waiver of any right to subrogation which any insurer or said Contractor may acquire against County by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the County has received a waiver of subrogation endorsement from the insurer.
6. **Sole Proprietors** If Contractor is a Sole Proprietor and has no employees, they are not required to have Workers Compensation coverage. Contractor shall sign a statement attesting to this condition, and shall agree they have no rights, entitlements or claim against County for any type of employment benefits or workers' compensation or other programs afforded to County employees.
7. **Self-Insured Retentions** must be declared to and approved by the County. The County may require the Contractor to provide proof of ability to pay losses and related investigations, claims administration, and defense expenses within the retention. The Policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or County. The CGL and any policies, including Excess liability policies, may not be subject to a self-insured retention (SIR) or deductible that exceeds **\$25,000** unless approved in writing by the County. Any and all deductibles and SIRs shall be the sole responsibility of the Contractor or subcontractor who procured such insurance and shall not apply to the Indemnified Additional Insured Parties. County may deduct from any amounts otherwise due Contractor to fund the SIR/deductible. Policies shall NOT contain any self-insured retention (SIR) provision that limits the satisfaction of the SIR to the Named. The policy must also provide that Defense costs, including the Allocated Loss Adjustment Expenses, will satisfy the SIR or deductible. County reserves the right to obtain a copy of any policies and endorsements for verification.
8. **Acceptability of Insurers:** Insurance is to be placed with insurers authorized to conduct business in the State with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to County.
9. **Claims Made Policies** if any of the required policies provide coverage on a claims-made basis:
 - a. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
 - b. Insurance must be maintained, and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.
 - c. If the coverage is canceled or non-renewed, and not replaced with another **claims-made policy form with a Retroactive Date**, prior to the contract effective date, Contractor must purchase "extended reporting" coverage for a minimum of **five (5)** years after completion of contract work.
10. **Verification of Coverage** Contractor may be requested to furnish County with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this clause) and the County reserves the right to request a copy of the Declarations and Endorsement page of the CGL policy listing all policy endorsements to County before work begins. Failure to obtain and provide verification of the requested/required documents prior to the work beginning shall not waive Contractor's obligation to provide them. County reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

11. **Subcontractors** Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that County is an additional insured on insurance required from subcontractors. For CGL coverage subcontractors shall provide coverage with a format at least as broad as CG 20 38 04 13.
12. **Special Risks or Circumstances** County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
13. **Premium Payments** The insurance companies shall have no recourse against County and funding agencies, its officers, and employees or any of them for payment of any premiums or assessments under any policy issued by a mutual insurance company.
14. **Material Breach** Failure of Contractor to maintain the insurance required by this Contract, or to comply with any of the requirements of this section, shall constitute a material breach of the entire Contract.
15. **Certificate Holder** the Certificate Holder on insurance certificates and related documents should read as follows:

Nevada City, CA 95959

Upon initial award of the Contract to your firm, you may be instructed to send the actual documents to a County contact person for preliminary compliance review.
