THE HONORABLE BOARD OF SUPERVISORS
ERIC ROOD ADMINISTRATIVE CENTER
950 MAIDU AVENUE
NEVADA CITY, CA 95959-8600

DATE OF MEETING: February 24, 2015

SUBJECT: Environmental Clearance for the 2015 Nevada County Striping Project

RECOMMENDATION: Approve the attached Resolution.

FUNDING: N/A

BACKGROUND:

As scheduled in the Nevada County Transportation Capital Improvement Program, preliminary engineering is complete on the 2015 Nevada County Striping Project. The project consists of approximately 164 miles of centerline stripe and 248 miles of edge stripe on various County-maintained roads. The project is scheduled for construction in the spring and fall of 2015. All work will be performed within the County's existing right-of-way.

This Department has reviewed the project for compliance with the California Environmental Quality Act (CEQA) and has identified the project as a Class I project. Class I projects consist of repair or minor alteration of an existing public facility involving negligible or no expansion of use. Therefore, the project is categorically exempt from the provisions of CEQA, per Section 15301 (c) of the Public Resources Code. A Notice of Exemption has been prepared for the project and, upon approval by the Nevada County Board of Supervisors, will be filed with the Nevada County Clerk's Office.

Please contact me if additional information is required.

Sincerely,

STEVE CASTLEBERRY, PUBLIC WORKS DIRECTOR
