I own a 20.4 acre Ag-X zoned Golden Oaks ranch on [REDACTED] in Nevada County. In 2016 and 2018 I procured licenses to legally cultivate cannabis on my property.

Now I am waiting for the Cannabis Equity grant application to be available so that I can apply for legal cultivation on my property in 2023.

The Golden Oaks Homeowner's Association [REDACTED] appears to be trying

to make it difficult for property owners there who want to legally cultivate cannabis.

The purpose of this emailed communication is to EXPRESS MY SUPPORT FOR LEGAL CANNABIS CULTIVATION IN GOLDEN OAKS.

I am hoping that the many black market cannabis cultivation farms in Golden Oaks soon will be replaced by legal cannabis cultivation farms coupled with adequate law enforcement to allow cannabis to be cultivated sustainably.

Sincerely,
Sonya Sokolow, PhD
