WHEREAS, under the authority of the Municipal Improvement Act of 1913 (the “1913 Act”), being Division 12 (commencing with Sections 10000 and following) of the California Streets and Highways Code (the “Code”), the Commission (the “Commission”) of the California Statewide Communities Development Authority (the “Authority”) intends to finance, through its Statewide Community Infrastructure Program, the payment of certain development impact fees, capacity fees and/or other development related charges for public improvements (the “Improvement Fees”) and/or to finance certain public capital improvements to be constructed by or on behalf of the property owner(s) and to be acquired by the [City/County of __] or another local County (the “Improvements”) as described in Exhibit A attached hereto and by this reference incorporated herein, all of which are of benefit to the property within the proposed Statewide Community Infrastructure Program Assessment District No. __ (*name of project*) County of Nevada (the “Assessment District”);

WHEREAS, the Commission finds that the land specially benefited by the Improvements and/or the Improvement Fees is shown within the boundaries of the map entitled “Proposed Boundaries of California Statewide Communities Development Authority Statewide Community Infrastructure Program Assessment District No. __ (*name of project*) County of Nevada, State of California,” a copy of which map is on file with the Secretary and presented to this Commission meeting, and determines that the land within the exterior boundaries shown on the map shall be designated “Statewide Community Infrastructure Program Assessment District No. __ (*name of project*) County of Nevada, State of California”;

WHEREAS, the County of Nevada is a member of the Authority and has approved the adoption on its behalf of this Resolution of Intention and has consented to the levy of the assessments in the Assessment District;

NOW, THEREFORE, BE IT RESOLVED that the Commission of the California Statewide Communities Development Authority hereby finds, determines and resolves as follows:

Section 1. The above recitals are true and correct.

Section 2. Pursuant to Section 2961 of the Special Assessment Investigation, Limitation and Majority Protest Act of 1931 (the “1931 Act”), being Division 4 (commencing with Section 2800) of the

Code, the Commission hereby declares its intent to comply with the requirements of the 1931 Act by complying with Part 7.5 thereof.

Section 3. The Commission has designated a registered, professional engineer as Engineer of Work for this project, and hereby directs said firm to prepare the report containing the matters required by Sections 2961(b) and 10204 of the Code, as supplemented by Section 4 of Article XIID of the California Constitution.

Section 4. The proposed boundary map of the Assessment District is hereby approved and adopted. Pursuant to Section 3111 of the Code, the Secretary of the Authority is directed to file a copy of the map in the office of the County Recorder of the County of Nevada within fifteen (15) days of the adoption of this resolution.

Section 5. The Commission determines that the cost of financing the Improvements and/or the payment of the Improvement Fees shall be specially assessed against the lots, pieces or parcels of land within the Assessment District benefiting from the financing of the Improvements and/or the payment of the Improvement Fees. The Commission intends to levy a special assessment upon such lots, pieces or parcels in accordance with the special benefit to be received by each such lot, piece or parcel of land, respectively, from the financing of the Improvements and/or the payment of the Improvement Fees.

Section 6. The Commission intends, pursuant to subparagraph (f) of Section 10204 of the Code, to provide for an annual assessment upon each of the parcels of land in the proposed Assessment District to pay various costs and expenses incurred from time to time by the Authority and not otherwise reimbursed to the Authority which result from the administration and collection of assessment installments or from the administration or registration of the improvement bonds and the various funds and accounts pertaining thereto.

Section 7. Bonds representing unpaid assessments, and bearing interest at a rate not to exceed twelve percent (12%) per annum, will be issued in the manner provided by the Improvement Bond Act of 1915 (Division 10 of the Code), and the last installment of the bonds shall mature not to exceed twenty-nine (29) years from the second day of September next succeeding twelve (12) months from their date.

Section 8. The procedure for the collection of assessments and advance retirement of bonds under the Improvement Bond Act of 1915 shall be as provided in Part 11.1 thereof.

Section 9. Neither the Authority nor any member County thereof will obligate itself to advance available funds from its or their own funds or otherwise to cure any deficiency which may occur in the bond redemption fund. A determination not to obligate itself shall not prevent the Authority or any such member County from, in its sole discretion, so advancing funds.

Section 10. The amount of any surplus remaining in the improvement fund after acquisition of the Improvements and/or payment of Improvement Fees and all other claims shall be distributed in accordance with the provisions of Section 10427.1 of the Code.

Section 11. To the extent any Improvement Fees are paid to the Authority in cash with respect to property within the proposed Assessment District prior to the date of issuance of the bonds, the amounts so paid shall be reimbursed from the proceeds of the bonds to the property owner or developer that made the payment.
