

Eastern County Library Discussions Update

Nevada County Board of Supervisors
November 5, 2019

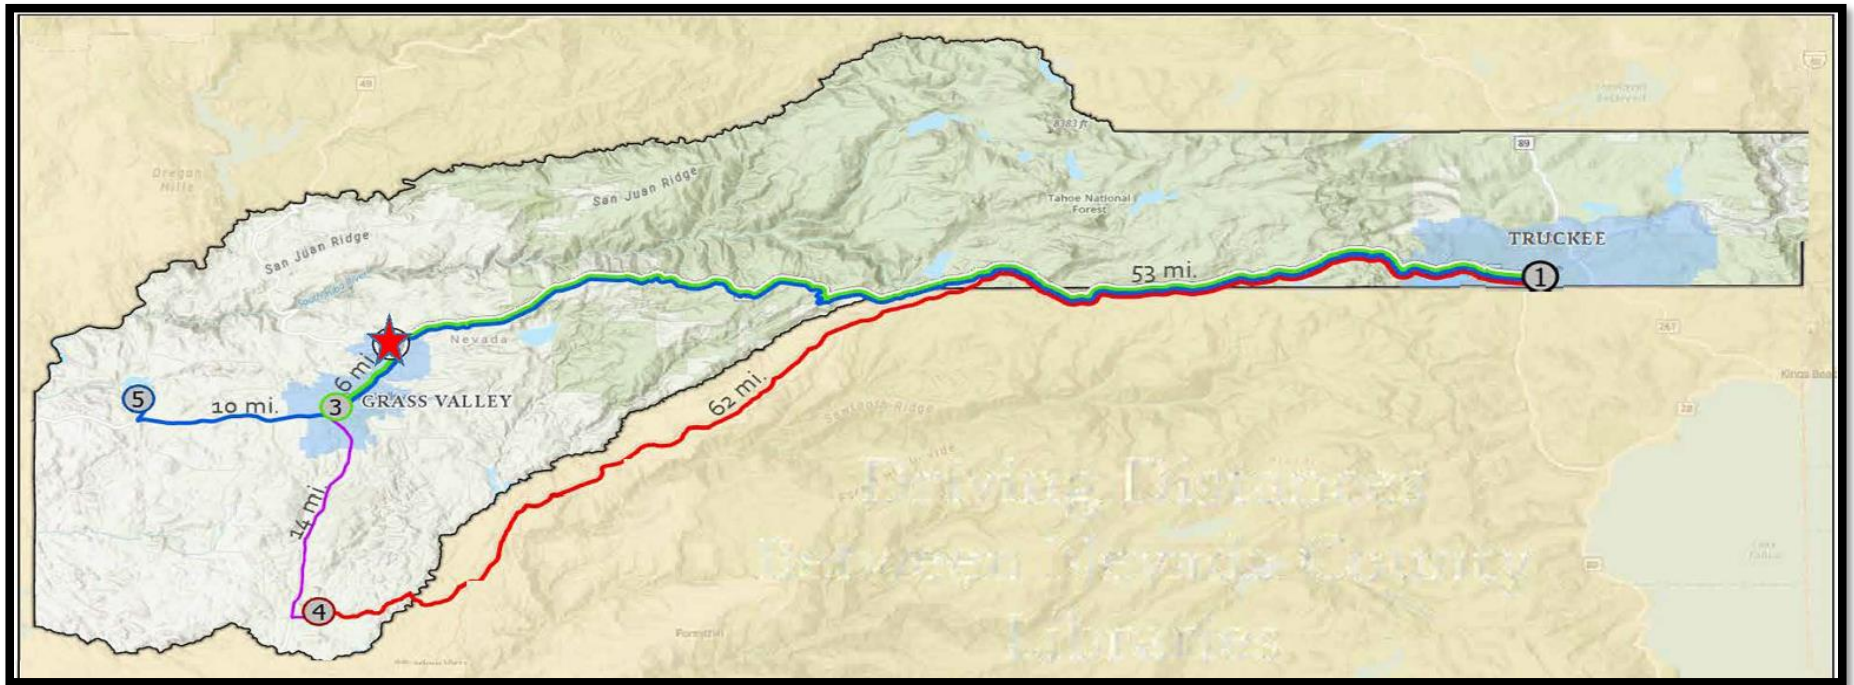

Eastern County Library is Underserved

- **1976 Library Opens**
- **Population 1,900**
- **3,500 Square Feet**

- **2019**
- **Population 17,300**
- **4,564 Square Feet**

Truckee Branch is Isolated

Inadequate Space

- o Truckee: The Truckee Library is currently at maximum capacity and has no room for further expansion. The community has already explored options to find a larger facility. Truckee is a fast growing younger demographic population that needs a larger library.

- Nevada County Capital Facilities Master Plan 2012

Community Vision

Incline Village, NV

We envision a large library that will serve as a gateway to lifelong learning, innovation and collaboration and will be the heart, soul and intellectual core of Eastern County.

Connection

Connect people of all ages to information, experiences and innovation that will help them learn and grow.

Space

Provide space for community gatherings, events and incubation of partnerships and ideas.

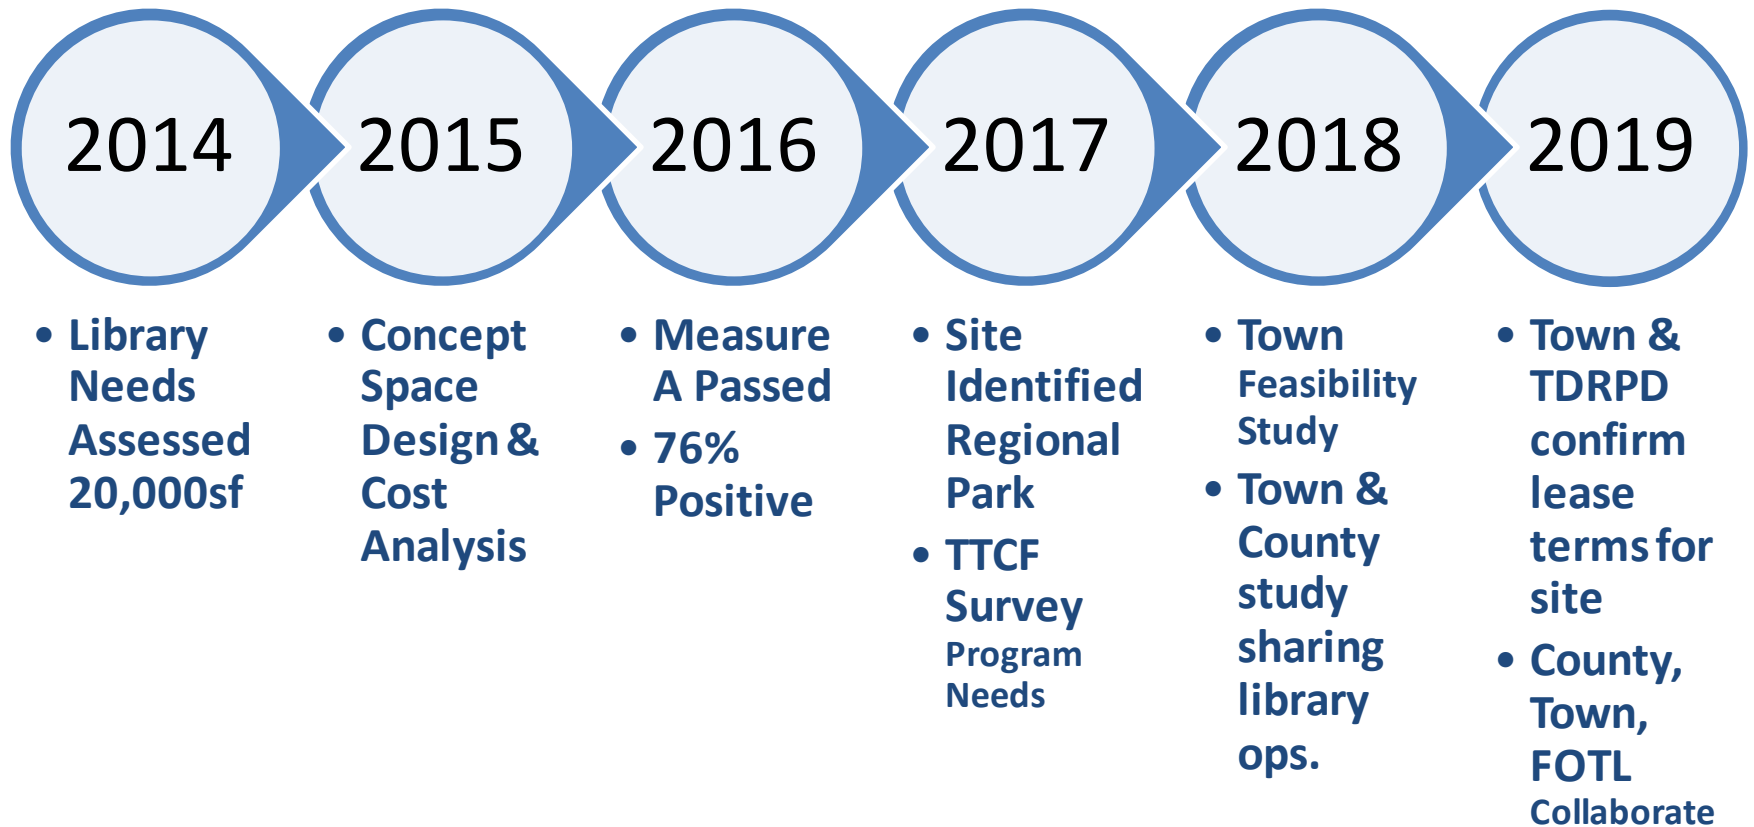

Economic & Workforce Development

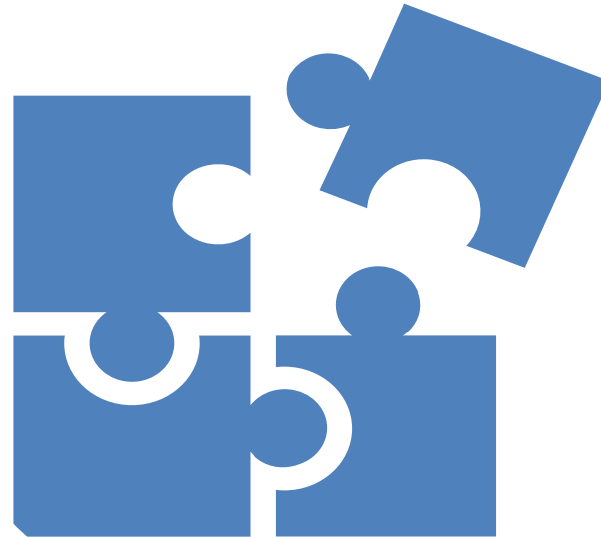

- **Growing & Maintaining a skilled workforce**
- **Partnerships with Special Districts: Services & training**
- **Pathways to Careers in Eastern County**

Embrace technologies and programs that improve our libraries and empower our community members.
