## **NEVADA COUNTY BOARD OF SUPERVISORS**

### **Board Agenda Memo**

---

**MEETING DATE:** February 26, 2019

**TO:** Board of Supervisors

**FROM:** Steve Monaghan – IGS-Facilities Management

**SUBJECT:** Resolution approving construction documents and authorizing the Purchasing Agent to solicit bids for the Eric Rood Administration Center Helling Crosswalk Project.

**RECOMMENDATION:** Adopt the Resolution

**FUNDING:** This project is budgeted in and will be paid from the Facilities Management FY 2018-19 budget. The estimated cost for this project is \$40,000. There is no further impact on the General Fund.

**BACKGROUND:**

This project will renovate the existing crosswalk at the intersection of Helling Way and Maidu Avenue. The current crosswalk layout is hazardous to pedestrian traffic. Vehicles making a right turn onto Helling Way from Maidu Avenue begin to accelerate before they realize they are approaching a crosswalk recessed up the road from the corner. This redesign will relocate the crosswalk at the corner in sight of vehicular traffic preparing to turn the corner. This should significantly reduce the potential for an accident involving a pedestrian crossing the street at this location.

This project will consist of demolition of the old crosswalk and the relocation of a new crosswalk to the south and closer to the corner. The sidewalk will be realigned with an extension to the pathway/sidewalk, painting of the crosswalk and curb and relocation of the existing stop sign. A new planter will be established, and irrigation as needed. We anticipate completion of the project by May of 2019.

**Item Initiated by:** Tim Horner
