### **NEVADA COUNTY BOARD OF SUPERVISORS**

#### **Board Agenda Memo**

---

**MEETING DATE:** September 9, 2025

**TO:** Board of Supervisors

**FROM:** Justin Drinkwater, Director of Facilities

**SUBJECT:** Resolution approving an On-Airport Memorandum of Agreement (MOA) between the United States of America Department of Transportation Federal Aviation Administration and the County of Nevada

**RECOMMENDATION:** Adopt the Resolution

**FUNDING:** No funding required

**BACKGROUND:**

The Federal Aviation Administration (FAA) owns and maintains the Visual Aid Slope Indicator (VASI) on runway 7 at the Nevada County Airport. The VASI assists pilots during night landings and Instrument Meteorological Conditions by providing a visual glide path using red and white lights. The FAA frequently visits the airport to maintain the VASI and the surrounding environment to ensure the unit is operational and free of obstructions such as vegetation. The current Memorandum of Agreement is set to expire on September 30, 2025. The term of the new agreement will commence on October 1, 2025, and continue through September 30, 2045.

**Item Initiated by:** Kevin Edwards, Airport Manager
