NEVADA COUNTY BOARD OF SUPERVISORS
Board Agenda Memo

MEETING DATE: January 26, 2021
TO: Board of Supervisors
FROM: Trisha Tillotson, Director of Public Works
SUBJECT: **Resolution authorizing the Director of Public Works to request the relinquishment of State right-of-way, specifically portions of South Ponderosa Way and Deadmans Flat Road, to the County of Nevada and to accept the relinquished right-of-way on behalf of the County of Nevada (Dist IV)**

RECOMMENDATION: Resolution authorizing the Director of Public Works to request the relinquishment of State right-of-way, portions of South Ponderosa Way and Deadmans Flat Road, to the County of Nevada and to accept the relinquished right-of-way on behalf of the County of Nevada.

FUNDING: This item does not have a financial impact.

BACKGROUND: As part of the construction of State Route 20 between Grass Valley and Penn Valley in Nevada County, the State acquired right-of-way (ROW) on adjoining local roads including South Ponderosa Way and Deadmans Flat Road. Caltrans is requesting the relinquishment of a portion of these roads to the County as a condition of approval for an encroachment permit to construct bollards for emergency egress/ingress to the area. On October 27, 2020, the Board of Supervisors approved an associated Maintenance Agreement with Caltrans for the bollards per Resolution 20-458. On November 3, 2020, Caltrans issued an encroachment permit with a condition of approval for the County to accept the areas Caltrans wishes to relinquish.

If the requested relinquishment is approved by the California Transportation Commission (CTC), the relinquished road ROW's would be accepted by the County but not accepted into the County's Maintained Mileage System at this time. If the CTC authorizes the relinquishment, the County will be asked to accept the relinquished ROW by execution of a letter of acceptance.
