PREAMBLE

This Memorandum of Understanding, hereinafter referred to as the Agreement, is entered into between the County of Nevada, hereinafter referred to as the County, and the Deputy Sheriffs Association, hereinafter referred to as the Association, for the purpose of meeting and conferring in good faith on matters within the scope of representation and is subject to ratification by the Board of Supervisors. The parties have met and conferred in good faith regarding wages, benefits and terms and conditions of employment for a term of agreement. This Memorandum of Understanding represents complete bargaining and full agreement by the parties in respect to rates of pay, wages, hours of employment or other conditions of employment which shall prevail during the term hereof, compromised, or waived by the parties for the life of the MOU.

ARTICLE 1 RECOGNITION

1.1 RECOGNITION

The County recognizes the Association as the exclusive representative of those employees within the Deputy Sheriffs' Association bargaining unit, for the purpose of meeting and conferring in good faith on matters within the scope of representation.

ARTICLE 2 GRIEVANCE PROCEDURE

2.1 PURPOSE

The purpose of the grievance procedure is to afford employees a written and simple means of obtaining consideration of their grievances by informal means at the department head's decision without the use of legalistic forms and procedures.

For purposes of using the grievance procedure, a grievance shall be defined as alleged violation of the rights given to employees under the union-management or association-management memorandum of understanding (MOU); a grievance is a dispute between the management and the union or association, or an employee or group of employees, as to the interpretation, application, or violation of any terms or provisions of the MOU.

Specifically excluded from the grievance procedure are issues more appropriately resolved by use of the meet and confer process, disputes arising over any subject or item not contained in the MOU, and any matter which has another means of appeal specified in the MOU or elsewhere. Also excluded is any dispute arising between the County and an employee absent the normal employer/employee relationship.

2.2 GRIEVANCE FORM

The Personnel Department shall develop a standard form to be used by employees in filing a written grievance. The form shall include all the grievance procedures contained in this Section.

2.3 GRIEVANCE PROCEDURE

Each employee believing, they have a grievance shall, before filing the same in writing, discuss their problem or complaint with their immediate supervisor in an attempt to resolve the matter as simply and as informally as possible. If such discussion fails to resolve the matter, the employee or employee's representative shall have the following opportunity to file a formal grievance:

- a) The grievance initially shall be discussed with the immediate supervisor. The employee may be represented by their Union Representative. Within five (5) working days, the immediate supervisor shall give a decision or response.
- b) If an informal grievance is not resolved to the satisfaction of the grievant, a formal grievance may be initiated with the Department Head. A formal grievance must be initiated within ten (10) work days of the decision rendered in the informal grievance procedure.
- c) Within ten (10) work days after the initiation of the formal grievance, the Department Head at the first level of appeal shall investigate the grievance and give a decision in writing to the parties.
- d) If the Department Head's decision is not satisfactory, the grievant may appeal the decision in writing within ten (10) work days to the Human Resources Director.
- e) The Human Resources Director shall respond in writing within ten (10) work days to the parties. If the Human Resources Director determines that it is desirable, the Director shall hold conferences or otherwise investigate the matter.
- f) If the Human Resources Director fails to respond in writing as provided, or if the response is not satisfactory, the grievant shall have the right to refer the matter to arbitration. Such referral shall be made by written demand submitted to the County Administrator. Failure of the grievant to take further action within the ten (10) working days after receipt of the written decision shall constitute an abandonment of the grievance.
- g) Upon receipt of an arbitration request, the County Administrator or designee shall order that the matter be heard by an arbitrator selected from a listing of arbitrators supplied by the State Mediation and Conciliation Service. The arbitrator shall be selected from a listing of three (3) individuals identified by the State Mediation and Conciliation Service who have been previously identified by the parties as mutually agreeable.
- h) The arbitrator shall be bound by the language of the Agreement, County rules and regulations, and law consistent therewith in considering any issue before them. The arbitrator shall have no authority to add to, delete or alter any provision of the Agreement, but shall limit their decision to the application and interpretation of its provisions and law. The decision of the

Arbitrator, supported by written findings, shall be final and binding upon all parties and shall not be subject to any modification by the Board of Supervisors.

- i) The time specified in these rules may be extended to a definite date by mutual agreement by stating the fact thereof on the grievance previously submitted and initialed by the parties making the agreement.
- j) The grievant shall be permitted a reasonable amount of work time as determined by the Department Head, in preparing the grievance and presenting same at each level of appeal as specified herein.
- k) Witnesses shall suffer no loss of compensation or benefits while participating in this procedure, in order to give testimony before the arbitrator. Recognizing the County's need to provide continuity of services to the public, the union or association shall provide a list of required witnesses in advance of any scheduled hearing and shall insure that the number of witnesses and their scheduling shall be reasonable.
- l) All rules pertaining to the method by which the Hearing shall be conducted shall be governed by Personnel Code Section 18.5.

ARTICLE 3 HOURS OF WORK

3.1 WORK IN EXCESS OF FORTY HOURS PER WEEK

When work is required in excess of forty (40) hours during any workweek, the employee shall be compensated at one and one-half times their regular rate for all hours worked in excess of this amount. For purposes of application of this policy, a workweek is defined as that time interval occurring between any Saturday at midnight and the succeeding Saturday at midnight. Generally, overtime shall not accrue until an employee has exceeded forty (40) hours in a workweek as provided herein, irrespective of the number of hours worked on any single day, except as specifically provided below for work on a holiday or call back.

For the purposes of computing the number of hours worked and eligibility for receipt of overtime compensation at time and one-half, the time during which an employee is excused from work because of holidays, sick leave, compensatory time off, holiday time off or vacation shall be considered time worked by the employee.

3.2 OVERTIME

Nothing contained herein shall be deemed to amend or otherwise affect the authority of the Department Head to (1) assign overtime, (2) determine whether overtime worked shall be compensated by compensatory time off or overtime paid, or (3) determine when compensatory time earned shall be taken.

3.3 COMPENSATORY TIME OFF

a) Compensatory Time Accrual Cap:

Bargaining unit employees may accumulate up to a maximum of 120 hours of compensatory time in lieu of overtime pay within a fiscal year.

b) Compensatory Time Accrual Cash Out:

In the pay period that includes December 13th of each year bargaining unit employees may make an irrevocable election to cash out up to 40 hours of accrued compensatory time that will be accrued in the following calendar year between July 1 and the end of the first full pay period in December. The cash out shall be in the first pay period in December of each year. In the event that there is not enough accrued time available for the cash out amount elected, the employee may only cash out up to the amount available. The Parties agree that the December CTO cash out will be paid on the first "pay day" occurring in December.

c) Payment For Compensatory Time Not Taken:

If the Department Head cannot schedule compensatory time off within the fiscal year in which the overtime was worked, the employee shall be paid the equivalent compensation at the end of the last full pay period within said fiscal year, except that an employee may, with Department Head approval, carry forward from one year to the next a maximum amount of 40 hours of compensatory time earned and unused as of the end of the last full pay period of each fiscal year. Authorization to exercise this option must be obtained from the Department Head and submitted to the Auditor-Controller no later than the first Monday following the last full pay period in the fiscal year. Upon submittal by an employee of proper justification, the County Executive Officer may grant an exception to the herein stated limitation on the amount of time which may be carried forward and/or the herein stated date for compensatory time pay off. Such exceptions shall only be granted upon a finding by the County Executive Officer that the best interests of the County will be served. The County Executive Officer's decision in these matters shall be final and binding and shall not be subject to review by any county officer or administrative or legislative body.

3.4 CALL BACK

An employee who is required to return to work on an overtime basis for an appearance in court shall receive a minimum of three hours compensation at the rate of time and one-half. An employee who is called back to work on an overtime basis for any other purpose than for an appearance in court shall receive a minimum of two hours compensation at the rate of time and one-half.

3.5 7K EXEMPTED WORK SCHEDULE

Pursuant to Section 3.2 (b) Flextime Work Schedules of the Nevada County Personnel Code, the parties mutually agree to the establishment of an alternative work schedule for employees assigned to the Deputy Sheriff's Bargaining Unit. The following provisions shall govern the alternative work schedule:

- a) Effective October 12, 2003, employees in the classification of Deputy Sheriff may be scheduled a work shift that is non-traditional to a normal 40-hour workweek. The schedule shall not exceed 80 regular hours per pay period. Employees shall be given a thirty (30) days' notice prior to implementation of their new schedule and shall be fully briefed prior to that implementation as to days to work and start and end times. In addition, prior to said 30-day notice of the implementation of any alternative 7(k) schedule, the Sheriff or his designee shall meet with the affected employees and discuss any impacts and/or issues.
- b) For employees assigned to the alternative or exempted work schedule, pursuant to the overtime exemption under Section 207(k) of the Fair Labor Standards Act, the appropriate period for overtime purposes under the Act shall be fourteen days, to coincide exactly with the standard County biweekly pay period (starting at 12:00 midnight Sunday and ending at 12:00 midnight the second Sunday thereafter). Timesheets shall be marked as 7K.
- c) Overtime: shall be earned when the employee is required to work in excess of 80 hours per pay period.
- d) Holidays: shall be paid in accordance with Section 7.3 of this Memorandum of Understanding.
- e) Paid Leave: vacation, sick leave and all other paid leaves shall be accrued and taken in accordance with applicable provisions of the Personnel Code and current Memorandum of Understanding.

- h) Any alternative 7(k) schedule is subject to the CEO's approval per 3.2 of the Nevada County Personnel Code.

In addition to the compensation enumerated in this Agreement, there shall be paid a differential of ten (10) percent of base salary payable to each regular employee who is regularly assigned to and working a minimum of 40 hours per pay period in the Truckee-Donner area of Nevada County. An employee who is regularly assigned to and working a minimum of 40 hours per pay period in the Truckee-Donner area of Nevada County who is on paid County time during the commute is not eligible for the Truckee Differential. For example, an employee who reports to Nevada City, picks up a County provided vehicle and commutes to Truckee on paid County time is not eligible for this differential.

- b) It shall be understood that the above-described salary differential shall be paid to an employee only during the time the employee is assigned formal field training responsibilities by Personnel Action Form. 4.7 SPECIAL ASSIGNMENT DIFFERENTIALS

**ARTICLE 5
HEALTH AND WELFARE BENEFITS**

5.1 AUTHORITY, HEALTH BENEFITS COMMITTEE

a) This section delineates briefly the various insurance programs available to Nevada County employees, as provided by the County of Nevada or by contract or agreement between the County of Nevada and certain insurance carriers. Nothing contained herein shall be deemed to amend or affect any portion or provision of any contract or agreement, but, instead, this Section shall be construed only as a general description of certain insurance benefits available.

The County may select programs at its discretion provided all benefits are equal to or better than those provided on the effective date of the agreement.

- b) It shall be agreed that the County shall give consideration to any recommendations of the Health Benefits Committee (made up of representatives of all employee units, Human Resources and the County's insurance consultant) prior to making any changes to the County health plans. This provision shall not amend or in any way affect any rights given the Association by other sections of the agreement to meet and confer prior to implementing any insurance benefit changes.
- c) Additionally, this section shall not be construed to impose upon the County any requirement to meet and confer prior to implementing any health benefits changes where such requirement does not otherwise exist.

5.2 ELIGIBILITY

- a) Any regular employee working fifty percent (50%) or more of a full-time schedule shall be eligible to enroll in any health and welfare benefit provided by this Article and currently authorized for the Deputy Sheriff's bargaining unit. Eligible dependents of any regular employee working fifty percent (50%) or more of a full-time schedule shall also be permitted to participate in any health and welfare benefit to the extent authorized by the benefit plan.

5.3 MEDICAL INSURANCE BENEFITS

During the term of the MOU, the County agrees to contract with the California Public Employees Retirement System (CalPERS) for the purpose of providing employees and their eligible dependents with medical insurance benefits. During each calendar year, the County will pay a maximum contribution per month to CalPERS for each eligible active employee towards the purchase of medical insurance. The County's maximum monthly contribution for each eligible active employee shall be equal to the minimum employer contribution required under the Public Employees Medical and Hospital Care Act (PEMHCA).

5.4 CAFETERIA PLAN

- a) For the duration of the MOU, the County agrees to maintain a Cafeteria Plan, pursuant to Section 125 of the Internal Revenue Code, for the purpose of providing employees with access to various health and welfare benefits. Benefits available through the Cafeteria Plan include medical insurance, dental insurance, vision insurance and life insurance benefits.

1. Health, Dental and Vision insurance will be available to all employees and their dependents.

- A) Dental Enhanced Basic Plan:

The Basic Dental Program will include: \$2,500 per participant per calendar year for core services with 100% coverage for diagnostic and preventative services, 100% coverage for basic services, 80% PPO coverage – 80% Premier and Out of Network coverage for major

services, and child and adult orthodontics at 50% with a lifetime maximum per participant of \$2,500.

B) Vision Enhanced Basic Plan:

The Basic Vision program will include: 12/12/12 (exam/frames/lenses every twelve months) and a frame allowance of \$300.

2. Employees will have the option of choosing all available coverage or upon proof of other coverage in a group plan providing minimal essential coverage an employee may choose to opt out of medical insurance and the County will pay the employee \$300/mo. Employees who opt out of medical insurance can still enroll in dental and vision coverage.
3. The County shall provide to all eligible County employees an amount equal to 100% of the employee only cost for the least expensive health insurance plan available to County employees including the cost of dental and vision coverage.
4. The County contribution for "Employee plus one" coverage and "Employee plus two or more" coverage for medical, dental and vision plans will be frozen at the 2016-dollar contribution levels until such time as the employee paid premium contribution equals twenty percent (20%) of the total premium for the least expensive health insurance plan available and the cost of dental and vision coverage for the level of enrolled coverage. Employees choosing a more expensive health plan will be responsible for paying the difference in cost.

In the event that CalPERS offers a high deductible health insurance plan available to County employees, this provision may be changed.

5. Employees who live in the Truckee area who elect health insurance coverage shall receive the same benefit as stated in items Section 1 through 3 as stated above; however, the County contribution for the benefit shall be based on the least expensive health insurance Plan available in the Truckee area, which currently is a PPO plan. In addition, Truckee employees who are not eligible to participate in an HMO are eligible to be reimbursed annually by a Rural Health Subsidy for up to \$1,500 per employee or \$3,000 for an employee and dependent(s). The subsidy may be used for reimbursement for covered medical expenses as determined by the PPO plan's Evidence of Coverage. Employees shall be reimbursed for receipted out of pocket medical expenses during the calendar year in which they were incurred and not reimbursed under any other plan.

Reimbursements for expenses incurred under the Rural Health Subsidy will be available through the following methods:

- A) Employees will be issued a debit card to use at providers for out-of-pocket expenses in the plan. The debit card is programed for eligible expenses only.
- B) Employees may submit receipts to the County's third-party vendor for verification and reimbursement. This can be done via email, phone app, mail or scan.

- C) Employees have the option of direct deposit for their reimbursement.
 - D) Employees will be able to view all transactions and their status via an on-line portal.
6. Effective January 1, 2004, all unused Rural Health Subsidy amounts may be rolled over for use in subsequent calendar years up to a maximum of the least expensive health insurance plan's "Maximum Plan Year Copayment". (For example: if an employee has dependents, a \$3000 per fiscal year Rural Health Subsidy is currently available to the employee for use in paying the expenses covered in Section 5.3 through 5.4. If the employee uses \$500 of their Rural Health Subsidy in the first year, \$2500 is available for use in the second year along with the \$3000 subsidy for the second year, for a total of \$5500. An additional \$500 shall be available in year three for a total of \$6000 if the employee does not use any subsidy in year two. Based upon the Maximum Plan Year Copayment for the least expensive health insurance plan in effect as of January 1, 2004, employees under this provision cannot accrue more than \$6000 for dependents and \$3000 for employee only for use in paying the expenses covered in Section 5.3 through 5.4).
 7. Should an HMO option become available for Truckee employees, the Truckee employees shall be reimbursed the same as all other County employees as described in Section 5.3 through 5.4 above and the Rural Health Subsidy shall be discontinued.
 8. Should the HMO option become unavailable for all County employees, the Truckee employees will be reimbursed the same as all other County employees as described above and the Rural Health Subsidy shall be discontinued.
 9. Should the HMO option become unavailable for all County employees, the County agrees to meet and confer over the effects of such a change.
 10. The County agrees to reconvene the Health Benefits Committee to discuss options regarding upcoming changes to the CalPERS health insurance benefit structure and County contribution/employee contribution levels.

The above current contract language in section 4 above remains in effect through 12/31/22.

Effective 1/1/23 the below paragraphs replace section 4 above.

4. A. Medical Insurance: Employees participating in employee only benefits shall receive a Cafeteria Plan Allowance towards medical benefits that is equal to the medical premium cost for the plan chosen by the employee, or the average premium cost of all health plans offered in CalPERS Region 1 (excluding out of state plans), whichever is less minus the amount of the County's contribution towards medical insurance set forth in Section 5.3. The County contribution towards medical benefits for "Employee plus one" coverage and "Employee plus two or more" coverage shall be equal to the medical premium cost for the plan chosen by the employee or eighty percent (80%) of the average premium cost of all health plans offered in CalPERS Region 1 (excluding out of state plans), whichever is less, minus the amount of the County's contribution towards medical insurance as set forth in section 5.3 above.

B. Dental and Vision: The County will pay 100% of the premium cost for dental and vision plans for the "Employee Only" level of coverage. The County will pay eighty percent (80%) of the premium cost for dental and vision plans for "Employee plus one" and "Employee plus two or more" levels of coverage.

5.5 LIFE INSURANCE

- a) Employee and dependent coverage shall be paid by the County.
- b) Employee coverage shall be provided in the amount of \$50,000, and there shall be \$1,000 coverage provided for each eligible dependent.

5.6 EMPLOYEE ASSISTANCE PROGRAM

Members of this unit shall receive the benefits of an employee assistance program.

5.7 STATE DISABILITY INSURANCE/PAID FAMILY LEAVE (SDI/PFL)

- a) Employees covered by this Memorandum of Understanding shall pay for the SDI plan through payroll deductions and will be eligible for benefits as determined by the procedures of the EDD.
- b) The County shall augment the amount of SDI/PFL benefits being received by an employee sufficient to provide such employee with a gross biweekly benefit salary equal to the employee's normal biweekly salary. The afore stated augmentation to SDI/PFL shall be made from the employee's sick leave balance, CTO balance (unless otherwise directed not to do so by the employee), holiday time off balance and vacation balance in that order until exhausted. Notwithstanding anything to the contrary, each employee absent from work and receiving SDI/PFL benefits, consistent with provisions of the County of Nevada Personnel Code, shall submit copies of all payments received from SDI/PFL benefits to the Auditor-Controller's office for augmentation.

**ARTICLE 6

Employees in Tier III effective the first full pay period following July 1, 2016, shall have an employee contribution of 50% of the total normal cost rate for the Tier III formula as determined by PERS.

6.2 RETIREE MEDICAL INSURANCE

Employees who meet eligibility requirements under PEMHCA may participate in the County's PEMHCA retiree medical insurance plan(s) upon retirement. The test shall be considered positive if the controlled substance levels present are above the minimum thresholds established in this section (11.8 Drug Testing).

11.9 NOTIFICATION TO COUNTY OF ASSOCIATION OFFICERS

The DSA shall provide written notice to the Sheriff or designee whenever there is a change in the Executive Board of the Deputy Sheriffs' Association.

11.10 GOVERNMENT CODE SECTION 3555-3559/AB119

The County and the Deputy Sheriffs' Association (DSA) have and met and conferred over the subject matter and topics required by California Assembly Bill 119, which enacted legislative changes mandating that local government agencies in the State of California negotiate with recognized employee associations over provision of employee information, notice of employee orientations and participation of the employee association in such a new employee orientation.

The County and the Deputy Sheriffs' Association acknowledge that this agreement fully complies with and exhausts the parties' obligations to negotiate pursuant to Government Code section 3557. Due to the agreement, compulsory arbitration pursuant to Government Code section 3557 is waived for as long as this agreement is in place.

Conditions:

- a) This agreement shall apply to all employees appointed to a classification within the bargaining unit for which DSA is recognized as the exclusively recognized employee organization.
- b) DSA and the County acknowledge that the monthly New Hire Orientation occurs the third Friday of the month unless otherwise notified. DSA and the County jointly recognize that the County receives notification of a new hire with much less time than ten days between acceptance of an employment offer, completion of pre-employment testing, and new hire orientation. While the County will provide advance notice required by the section, it is not required to do so if the notice period would delay orientation for a new employee. By the Monday immediately prior to the new hire orientation; the County is in receipt of the names of employees attending the new hire orientation. This information will be provided to DSA at that time, along with a confirmation of the date, time and location of the new hire orientation, and only if a DSA covered new employee has been hired.
- c) While DSA may elect to participate in new employee orientation, it has declined to participate. The DSA provides new member information outside of the new hire orientation.
- d) The County will not provide DSA with new hire reports at the beginning of the month following the month in which the new hire was first employed because DSA is not interested in receiving them.
- e) The County will not provide DSA a list containing name, job title, department, work location, work telephone number, home address, home or personal cellular telephone number, and personal email address on file with the County (new hires only) about all bargaining unit employees every 120 days because DSA is not interested in receiving them.
- f) The County shall not be required to furnish any of the above information for any employee who completes a County-provided form or makes a written request identifying specific items of information that the employee is electing not to share, that are not otherwise required to be provided by law.
- g) The County and DSA jointly agree that provision of any information pursuant to this section shall not cause the information to become a public record.
- h) Any information provided under this section shall be safeguarded by DSA and shall be used exclusively by DSA for DSA business. No personal information regarding employees shall be shared by DSA with any third-party vendors or affiliated organizations, other than those directly involved in representation of bargaining unit employees in labor and employment relations matters with the County.

ARTICLE 12 GENERAL PROVISIONS

12.1 ALTERATION

No alteration or variation of the terms of this Agreement shall be valid unless made in writing and signed by the parties hereto, and no oral understanding or oral agreement not incorporated herein shall be binding on any of the parties hereto.

12.2 SEVERABILITY

If any provision of the Agreement shall be held invalid by operation of law, or by any tribunal of competent jurisdiction, or if compliance with or enforcement of any such provision should be restrained by any said tribunal, the remainder of this Agreement shall not be affected thereby. If any portion of this Agreement is so held invalid or if compliance with provision is restrained, the County is authorized to take immediate action to achieve compliance with law, provided that the County shall give notice to the union prior to such action and the County shall provide the union with an opportunity to meet and confer within thirty (30) days after any determination of invalidity or service of a restraining order, in an attempt to arrive at a mutually satisfactory replacement for such article or section.

12.3 IMPLEMENTATION

- a) The Board of Supervisors shall amend its written policy as it pertains to employees covered by this Agreement and take such action by resolution or otherwise as may be necessary in order to give full force and effect to the provisions of the Agreement. The provisions of the Agreement, except as provided herein, shall supersede County ordinances and resolutions currently in effect, for the term of this Agreement, to the extent that they are inconsistent with the provisions of the Agreement. All other provisions of the Personnel Code and the previous agreements which are not inconsistent herewith and which have not been specifically repealed hereby and which are proper subjects of the meet and confer process shall remain in force and effect as though fully set forth herein. The County reserves the right to update Personnel Code sections which govern subjects that are non-mandatory subjects of bargaining subject to meeting appropriate notice and meet and confer requirements prior to implementing any changes. Furthermore, in the event that an audit and/or review by any outside state or federal agency requires any section of the Personnel Code be changed in order to qualify for new programs and funding or to be qualified to maintain current levels of funding or service, the County has the right to implement such changes subject to meeting appropriate notice and meet and confer requirements prior to implementing any changes.
- b) It shall be understood that the items agreed to herein shall not be binding upon the County until this agreement is signed by the proper representatives of both parties and ratified by the Board of Supervisors, pursuant to law. It is further understood that adoption of this Agreement confirms that all issues which were at dispute or otherwise under discussion at the bargaining table have been addressed and resolved to the satisfaction of the parties for the term of this agreement.

12.4 DURATION

This agreement shall remain in full force and effect for the period July 1, 2022, through June 20, 2025.
