**EXHIBIT A**  
**SCHEDULE OF SERVICES**  
**SIERRA ROOTS**

The County of Nevada Health and Human Services Agency, hereinafter referred to as “County,” and, hereinafter referred to as “Contractor” agree to enter into a specific contract for the Contractor to provide a Congregate Warming Sheltering Program (“Shelter”) to homeless residents in Grass Valley and Nevada City.

Contractor will serve the homeless population of Nevada City and Grass Valley and operate a Warming Shelter for the provision of shelter during severe weather events, commencing on September 1, 2025, and continuing through June 30, 2026.

**Contractor Responsibilities:**

- Determine shelter opening criteria and coordinate notification of partners through email and press releases.
- Conduct outreach to the neighborhoods surrounding the shelter location. Provide contact information for shelter organizers and follow up with the neighborhood related to impacts and any incidents tied to shelter operations. Work with the surrounding community to address impacts and concerns.
- Contractor will participate in the Nevada County Continuum of Care (NCCoC) committee for coordinating the Housing and Urban Development (HUD) annual Point in Time (PIT) count and ensure that all shelter stayers are counted for the PIT count.
- Contractor will work with County and NCCoC for all data requests specific to shelter operations and as needed for funding requirements, including, but not limited to, demographic and financial data for quarterly and annual reports to the California Department of Housing and Community Development (HCD).
- Contractors will work with the NCCoC to implement CoC level equity policies guided by the Regionally Coordinated Homeless Action Plan to ensure continued progress towards eliminating disparities in homelessness.

Contractor will actively participate as an access point in the Coordinated Entry System (CES), enter all shelter stayers into the Homeless Management Information System (HMIS), maintain HMIS license(s) to enter shelter stayers into HMIS, and will work with the HMIS administrator to ensure that all HMIS projects are set up as required by California Welfare and Institutions (WIC) Code Section 8256, and WIC Code Section 8257, including, at a minimum, HUD universal data elements. CES is the access point for the County’s homeless response system and allows shelter stayers to complete assessments of needs and streamline access to services. HMIS is a case management system used to collect and coordinate services.

**Shelter Operations:**

- Contractor will serve the homeless population of the Grass Valley and Nevada City areas with up to 35 people per night in one location during severe weather events beginning on November 1, 2025, and continuing through June 30, 2026.
- Contractor will determine opening criteria and open as needed, including consideration of a significant atmospheric river event. Additionally, contractor will be available to open if County requests during inclement weather. Contractor will also communicate with Nevada City and notify the City when the shelter will not open during inclement weather so that they can plan accordingly.
- Contractor will strive to announce shelter openings with 24 hours notice.
- Contractor will work collaboratively with the Nevada City Vets Hall to communicate plans to open and close the shelter, attend to building and parking needs, and to

coordinate building usage.

- Contractor will ensure that all zoning requirements are met, and necessary permits are acquired for shelter operations.
- Contractor will provide all necessary supplies, including cots or sleeping mats, clean and dry bedding, cleaning supplies, and dinner to guests.
- Contractor will develop and maintain a Manual of Policies and Procedures for shelter operations to be approved by the County and train all staff and volunteers on the operations plan and all policies and procedures.
- Contractor will assign shelter stayers on a first-come, first-serve basis until capacity is reached.
- Contractor will work with local service providers to arrange non-congregate sheltering through motel rooms, if available, for households with children. If a hotel is not available, contractor will contact County staff to seek approval for family sheltering at the congregate site.
- Contractor will refer homeless veterans to the Nevada County Veterans Services Office.
- Contractor will provide a complete report to include total number of individuals served including number of Partnership members utilizing shelter, per night for the duration of the program.
- Contractor shall maintain an adequate level of staffing and volunteer support for safe operation of the shelter, including overnight security. At no time shall staffing be less than two (persons). A training session for City and County employees will be held to train as volunteers for shared overage as needed.

Contractor will provide monitoring support and community outreach outside of the facility from one half hour prior to opening until one half hour after closing to ensure that attendees are following all rules, regulations and applicable ordinances.

**EXHIBIT C  
INSURANCE REQUIREMENTS  
SIERRA ROOTS**

**Insurance.** Contractor shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by Contractor, its agents, representatives, or employees. Coverage shall be at least as broad as:

1. **Commercial General Liability CGL:** Insurance Services Office Form CG 00 01 covering CGL on an “occurrence” basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits no less than **\$2,000,000** per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.
2. **Automobile Liability:** Insurance Services Office Form Number CA 0001 covering, Code 1 (any auto), or if Contractor has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than **\$1,000,000** per accident for bodily injury and property damage.
3. **Workers’ Compensation:** Insurance as required by the State of California, with Statutory Limits, and Employer’s Liability Insurance with limit of no less than **\$1,000,000** per accident for bodily injury or disease.
4. **Sexual Abuse or Molestation (SAM) Liability:** If the work will include contact with minors, elderly adults, or otherwise vulnerable clients and the CGL policy referenced above is not endorsed to include affirmative coverage for sexual abuse or molestation, Contractor shall obtain and maintain policy covering Sexual Abuse and Molestation with a limit no less than **\$1,000,000** per occurrence or claim.
5. **Director and Officers (D&O) Liability Insurance** covering breach of fiduciary duty, misrepresentation of company assets, misuse of company funds, fraud, failure to comply with workplace laws, theft of intellectual property, and lack of corporate governance with limit no less than **\$500,000** per occurrence or claim, **\$500,000** aggregate.

If Contractor maintains broader coverage and/or higher limits than the minimums shown above, County requires and shall be entitled to the broader coverage and/or the higher limits maintained by Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to County

**Other Insurance Provisions:**

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured Status: County, its officers, employees, agents, and volunteers are to be covered as additional insureds** on the CGL policy with respect to liability arising out of the work or operations performed by or on behalf of Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to Contractor’s insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, then through the addition of both CG 20 10, CG 20 25, CG 20 33, or CG 20 38; and CG 20 37 forms if later revisions are used.)
2. **Primary Coverage** For any claims related to this contract, **Contractor’s insurance shall be primary** insurance primary coverage at least as broad as ISO CG 20 01 04 13 as respects County, its officers, employees, agents, and volunteers. Any insurance or self-insurance maintained by the County, its officers, employees, agents, and volunteers shall be excess of Contractor’s insurance and shall not contribute with it.

3. **Umbrella or Excess Policy** The Contractor may use Umbrella or Excess Policies to provide the liability limits as required in this agreement. This form of insurance will be acceptable provided that all of the Primary and Umbrella or Excess Policies shall provide all of the insurance coverages herein required, including, but not limited to, primary and non-contributory, additional insured, Self-Insured Retentions (SIRs), indemnity, and defense requirements. Umbrella or Excess policies shall be provided on a true "following form" or broader coverage basis, with coverage at least as broad as provided on the underlying Commercial General Liability insurance. No insurance policies maintained by the Additional Insureds, whether primary or excess, and which also apply to a loss covered hereunder, shall be called upon to contribute to a loss until the Contractor's primary and excess liability policies are exhausted.
4. **Notice of Cancellation** This policy shall not be changed without first giving thirty (30) days prior written notice and ten (10) days prior written notice of cancellation for non-payment of premium to County.
5. **Waiver of Subrogation** Contractor hereby grants to County a waiver of any right to subrogation which any insurer or said Contractor may acquire against County by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the County has received a waiver of subrogation endorsement from the insurer.
6. **Sole Proprietors** If Contractor is a Sole Proprietor and has no employees, they are not required to have Workers Compensation coverage. Contractor shall sign a statement attesting to this condition, and shall agree they have no rights, entitlements or claim against County for any type of employment benefits or workers' compensation or other programs afforded to County employees.
7. **Self-Insured Retentions** must be declared to and approved by the County. The County may require the Contractor to provide proof of ability to pay losses and related investigations, claims administration, and defense expenses within the retention. The Policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or County. The CGL and any policies, including Excess liability policies, may not be subject to a self-insured retention (SIR) or deductible that exceeds **\$25,000** unless approved in writing by the County. Any and all deductibles and SIRs shall be the sole responsibility of the Contractor or subcontractor who procured such insurance and shall not apply to the Indemnified Additional Insured Parties. County may deduct from any amounts otherwise due Contractor to fund the SIR/deductible. Policies shall NOT contain any self-insured retention (SIR) provision that limits the satisfaction of the SIR to the Named. The policy must also provide that Defense costs, including the Allocated Loss Adjustment Expenses, will satisfy the SIR or deductible. County reserves the right to obtain a copy of any policies and endorsements for verification.
8. **Acceptability of Insurers:** Insurance is to be placed with insurers authorized to conduct business in the State with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to County.
9. **Claims Made Policies** if any of the required policies provide coverage on a claims-made basis:
  - a. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
  - b. Insurance must be maintained, and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.
  - c. If the coverage is canceled or non-renewed, and not replaced with another **claims-made policy form with a Retroactive Date**, prior to the contract effective date, Contractor must purchase "extended reporting" coverage for a minimum of **five (5)** years after completion of contract work.
10. **Verification of Coverage** Contractor may be requested to furnish County with original Certificates of Insurance including all required amendatory endorsements (or copies of the

applicable policy language effecting coverage required by this clause) and the County reserves the right to request a copy of the Declarations and Endorsement page of the CGL policy listing all policy endorsements to County before work begins. Failure to obtain and provide verification of the requested/required documents prior to the work beginning shall not waive Contractor's obligation to provide them. County reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

11. **Subcontractors** Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that County is an additional insured on insurance required from subcontractors. For CGL coverage subcontractors shall provide coverage with a format at least as broad as CG 20 38 04 13.
12. **Special Risks or Circumstances** County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
13. **Premium Payments** The insurance companies shall have no recourse against County and funding agencies, its officers, and employees or any of them for payment of any premiums or assessments under any policy issued by a mutual insurance company.
14. **Material Breach** Failure of Contractor to maintain the insurance required by this Contract, or to comply with any of the requirements of this section, shall constitute a material breach of the entire Contract.
15. **Certificate Holder** the Certificate Holder on insurance certificates and related documents should read as follows:

County of Nevada  
950 Maidu Ave.  
Nevada City, CA 95959

Upon initial award of the Contract to your firm, you may be instructed to send the actual documents to a County contact person for preliminary compliance review.

Certificates which amend or alter the coverage during the term of the Contract, including updated certificates due to policy renewal, should be sent directly to Contract Administrator.
