Honorable Board of Supervisors
Eric Reed Administration Center
553 Main Avenue
Nevada City, CA 95959

DATE OF MEETING: February 10, 2008

SUBJECT: Amendment to Contract with Granicus, Inc. for Web Streaming of Public Meeting

RECOMMENDATION: Adopt the attached resolution.

FUNDING: No funding impact

BACKGROUND: On December 18, 2008, your Board adopted Resolution 08-508 authorizing execution of a contract with Granicus, Inc. for web streaming of Board of Supervisors meetings and other public meetings. This amendment revises Exhibit B of that contract to clarify the number of public bodies whose meetings are covered under the contract, quantify the data storage capacity provided, and clarify the availability of audio podcasting.

Respectfully,

Stephen T. Monaghan
Chief Information Officer
