The purpose will be to review and recommend proposed revisions and additions to the sewage disposal regulations or sewage disposal ordinance in an advisory capacity; review and recommend new methods, techniques, and materials for on-site sewage disposal, in an advisory capacity; and serve as an appeal body under the provisions of Section A-032 of County Resolution 98-217. Each group member will be qualified by experience and training to pass on matters pertaining to sewage disposal.

Pursuant to Section A-034 of County of Nevada On-Site Sewage Disposal Regulations, Administrative Section, the Advisory Group will be comprised of 5 consultants, one (1) representing each District appointed by the District Supervisor, who will serve at the pleasure of that Supervisor, and one (1) contractor and one (1) realtor to be appointed by the Board of Supervisors, who will serve at the pleasure of the Board. Consultant is defined in the County of Nevada On-Site Sewage Disposal Ordinance 1975 as Certified Engineering Geologist, Certified Professional Soil Scientist, Registered Civil Engineer, Registered Environmental Health Specialist, or Registered Geologist. Said group members may not be employees of the County of Nevada and may be selected from the County-at large without regard for supervisorial district.

**MEMBERS MUST FILE A FINANCIAL DISCLOSURE STATEMENT PURSUANT TO ORDINANCE 2429.**
