EXPERIENCE

Chicano/Latino Youth Leadership Project, Sacramento, CA July 2022- *Participant*

CLYLP is a residential summer program at Sacramento, California's state capital, and California State University, Sacramento, where I learned alongside other Chicano/Latino students all across California newfound cultural aspects and the importance of diversity within the legislative branch and civic engagement to promote positive changes through advocating for social causes. I learned how I can advocate in my community for education and economic justice and the legislative processes that take place in the state capital.

MEET Kelley Pre-College Business Program, Bloomington, IN June 2023- *Participant*

The MEET Kelley pre-college summer program is a residential program at Indiana University, Bloomington. I worked with faculty and fellow students of color from across the country and collaborated in a case competition while learning different aspects of business such as marketing and finance. I learned how to effectively market to specific groups within a community in a short period of time, and took away a variety of skills such as critical thinking, networking with mentors and other faculty, and leadership through workshops and presentations.

Band Leadership, Truckee, CA August 2022- Ongoing- *Assistant Drum Major & Drum Major*

I was selected for the band leadership position of Assistant Drum Major. I have actively participated in our annual Fourth of July parade competition, co-leading the band, and assisting the Drum Major. This academic year, 2023-2024, I was peer-selected for the Drum Major position and currently serve as the Co-Drum Major of the Marching Band where I will continue to lead the band throughout the school year on and off of the football field.

SKILLS AND INTERESTS

Bilingual and proficient in both English and Spanish, supporting the underclass band members in mastering the music through mini-lessons, and helping make food for family gatherings with my mom.
