What We Heard from the Community: Key Themes from the CHA

The Community Health Improvement Plan (CHIP): Our Roadmap to a Healthier Nevada County

- A collaborative effort with healthcare, education, and community partners
- Focuses on three key goals:
 - Expanding access to healthcare and social services by meeting people where they are (mobile health)
 - Improving early learning & childcare (ELC) opportunities
 - Increasing childhood vaccination rates
- Data-driven and equity-focused

Public Health Emergency Preparedness

Nevada County Emergency Preparedness Health Care Coalition

We are a cross-sector group of individual healthcare and response organizations with a common mission. We build disaster resilience amongst Nevada County’s healthcare network through collaborative planning, joint exercises, resource sharing, and communication. This coalition is grant funded, County managed, and relationship driven.
