## NEVADA COUNTY BOARD OF SUPERVISORS

### Board Agenda Memo

---

**MEETING DATE:** March 14, 2017

**TO:** Board of Supervisors

**FROM:** **Jill Blake**

**SUBJECT:** Resolution approving execution of renewal Agreement Number 16-10379 with the California Department of Public Health (CDPH) pertaining to the Nevada County Public Health Department, referred to as the Local Health Jurisdiction (LHJ), serving as an Enrollment Site for the AIDS Drug Assistance Program (ADAP) in the maximum amount of \$0, for the term of July 1, 2016 through June 30, 2019.

---

**RECOMMENDATION:** Approve the attached Resolution.

**FUNDING:** There are no funds associated with this "Site" Agreement, as the funding to support department case management/administrative costs of the ADAP enrollment screening/certification process are obtained under a separate Agreement with the State. There no County general fund dollars or match required in this Agreement.

**BACKGROUND:** Organizations receiving allotted ADAP funding and serving as an LHJ enrollment site must also enter into an additional California Department of Public Health agreement which outlines and requires adherence to procedures and eligibility guidelines pertaining to administering the AIDS Drug Assistance Program.

The AIDS Drug Assistance Program was designed to help low-income individuals access and maintain HIV Prescription drug coverage. Federal and State law requires that ADAP can only be used after all other payer options are exhausted.

Nevada County currently receives funding for activities pertaining to the provision of ADAP client enrollment services. All LHJs receiving ADAP funding must also enter into these zero dollar California Department of Public Health formal Enrollment Service Site Agreements. The Agreement outlines and ensures that Enrollment Sites abide by the most current Enrollment Procedures and Guidelines for Determining ADAP Eligibility.
