BEHAVIORAL HEALTH DEPARTMENT

NEVADA COUNTY BOARD OF SUPERVISORS

Board Agenda Memo

MEETING DATE: August 26, 2025

TO: Board of Supervisors

FROM: **Phebe Bell**

SUBJECT: Resolution approving execution of the renewal revenue agreement with the County of Sierra for Nevada County to provide Crisis Stabilization Unit Services to Sierra County referred clients in the maximum amount receivable of \$60,000 for the term of July 1, 2025, through June 30, 2028.

RECOMMENDATION: Approve the attached Resolution.

FUNDING: This is a revenue contract whereby Sierra County will pay Nevada County Behavioral Health Department an hourly rate for Crisis Stabilization Services. There are no county general funds required in the Agreement.

BACKGROUND:

Nevada County currently operates a Crisis Stabilization Unit (CSU) 24 hours per day, 7 days per week, where individuals can receive crisis services through the County's subcontractor, Sierra Mental Wellness Group, including psychotherapy and medication support for up to 23 consecutive hours per crisis event. The 4-bed CSU is located in Grass Valley, California, 70 feet from the entrance of the Emergency Department of Sierra Nevada Memorial Hospital. The CSU is part of a crisis continuum of care for residents of Nevada County.

Under this agreement, Behavioral Health is renewing a previous contract to provide crisis stabilization services to Sierra County referred clients. Nevada County benefits by entering into this agreement with Sierra County as the local hospital has purchased three dedicated beds and this agreement will provide revenue to help offset the costs of the fourth bed and other operational costs. Additionally, this agreement strengthens and promotes the mutual working relationship between Sierra and Nevada Counties.
