29. [SR 21-0535](#) Resolution approving Master Customer Agreement between the County of Nevada and WatchGuard Video, Inc., for the purchase of Body Worn Cameras, software licenses, and associated necessary equipment, in the amount of \$152,629, authorizing the Chair of the Board of Supervisors to execute the Agreement, and directing the Auditor-Controller to amend the Fiscal Year 2021/22 Sheriff's budget. (4/5 affirmative vote required)

Adopted.

Enactment No: RES 21-338

ACTION TAKEN: Following a short break, Chair Miller called the meeting back into order and Sheriff Shannan Moon reviewed the staff report regarding the purchase of Body Worn Cameras (BWC) for the Sheriff's Department. Sheriff Moon's goal was not only to implement body worn cameras, but to also integrate it with the existing in-car camera and data storage systems.

Captain Mike Walsh reported that the integrated system is designed to capture not only what happens behind and around an Officer by the cameras installed on Sheriff's vehicles, but also what happens in front of an officer. Data retention is an issue for any agency that deploys BWC, so implementing the in-car cameras along with BWC doubles the amount of data storage that is required.

Rolf Kleinhans, Sheriff's Office Chief Fiscal Officer, reported on the process that was required for compliance with Federal Procurement Guidelines prior to implementation of BWC: 1) attendance at specialized training in Washington DC; and 2) development and federal approval of policies and procedures prior to the purchase of the equipment.

Board questioning and discussion ensued.

The BWC program and purchase of the equipment was discussed with the Budget Subcommittee during the Fiscal Year 2021/22 budget process as an upcoming budget amendment item. The cost is within the range estimated at that time. This BWC Program will be closely monitored for both effectiveness and costs, and the results of the monitoring will be used to fine tune the Program and for future budget development efforts. If additional budget amendments are required, they will be brought back for Board review.

MOTION: Motion made by Supervisor Hoek, seconded by Supervisor Hall, and passed unanimously to adopt Resolution 21-338. On a roll call vote, the motion passed unanimously.
