Community Experience and Affiliations

I have lived in rural Nevada County for most of the last 40 years, in the same house in North Columbia since 1998. I am always volunteering somewhere. North Columbia Schoolhouse, CFTA, SYRCL, WSFF, KVMR Celtic Festival, too many to name. I served on the North San Juan Community Center Board of Directors from April 2025 until January 2026.

List any other County boards, commissions, or committees on which you have served:

Not Nevada County, but I am currently serving on Partnership Health Plan of California's Community Advisory Committee, representing Nevada county.

Other experience you feel would be helpful to the Board of Supervisors in making this appointment:

I have a lifelong commitment to community service. I have worked for Nevada County Elections as a poll worker, now vote center manager, since 2003. I have worked in schools and with a non-profit children's theater. I have decades of direct experience with the health and human services programs in Nevada County. Additionally, I am known in my large circle of friends as a person who can help navigate county programs. I can make the petition with 7 signatures from low income residents available in the near future.
