CCS Information Notice: 23-05

TO: All Local County California Children's Services Program Administrators, California Children's Services Medical Consultants, and Integrated Systems of Care Division Staff

SUBJECT: Fiscal Year 2023-2024 County Allocations for California Children's Services County Administration and the California Children's Services Medical Therapy Program

The purpose of this California Children's Services (CCS) Information Notice is to provide county CCS Programs with their CCS Program County Administrative and Medical Therapy Program (MTP) approved budget allocations for fiscal year (FY) 2023-24. The Department of Health Care Services (DHCS) calculated the allocations based on the FY 2023-24 County Administration and MTP baseline budget. Additionally, DHCS calculated the allocations in collaboration with the Budget Allocation Workgroup of the CCS Program Executive Committee. DHCS will not issue individual county budget notices.

Each county remains responsible for overseeing and tracking its administrative budget and MTP expenditures and will only be reimbursed up to the county's authorized allocation. In addition, counties cannot shift funding between CCS Program participation categories (i.e., "straight" CCS, CCS/Medi-Cal, and CCS/Optional Targeted Low Income Children Program).

County CCS Programs must adhere to DHCS guidelines for determination of enhanced and non-enhanced designation of local county CCS Program staff. The documentation for skilled professional medical personnel who qualify for enhanced Federal Financial Participation (FFP) or who work on more than one program must conform to the FFP time study requirements and guidelines.

County CCS Programs must maintain an audit file. At a minimum this audit file should include:

1. Documentation on required time studies, performed during one or more representative months of the fiscal quarter for each budgeted position claimed under FFP.
2. Documentation in support of training and travel costs and other claimed operational expenditures.

3. Documentation in support of claimed internal and external overhead costs.

Counties should maintain and be able to produce the audit file to State and Federal regulators within seven (7) calendar days of a request.

County CCS Programs are expected to comply with all Federal and State requirements pertaining to the CCS Program and must adhere to all applicable Department policies and procedures. Counties should also submit invoices based only on actual CCS Program Administration, MTP expenditures, and in accordance with Section 7, Expenditure Claims and Property Management of the Plan and Fiscal Guidelines (PFG) manual.

Counties are required to submit CCS Program plans and budgets for FY 2023-24 no later than sixty (60) days from the date of this Information Notice. Please submit your plans and budgets electronically to the ISCD Budget Portal. Information on accessing the ISCD Budget Portal will be sent under separate cover.

For fiscal questions and/or requests, please contact the Integrated Systems of Care Division's Fiscal Unit at ISCDFiscal@dhcs.ca.gov.

Sincerely,

Agency Description
FY 2023-24

Brief Narrative

Nevada County is in the rural Sierra Nevada Foothills and has a population of just over 100,000. The three primary aggregated areas of population, Grass Valley, Nevada City, and the town of Truckee, comprise roughly 32% of the county population with the remaining 68% of the residents living in small towns and unincorporated areas.

The county has five geographical districts. Each district elects one representative to serve as a member of the Board of Supervisors, which is the legislative and executive body of county government.

Nevada County Health and Human Services Agency (HHSA) is supervised by Ryan Gruver. The HHSA is comprised of Public Health, Child Support Services, Social Services, and Behavioral Health Departments. Sherilynn Cooke, MD, MPH is our Public Health Officer effective January 1, 2022 and Erin Mettler, MA was our Interim Director of Public Health from January 1, 2023 through August 31, 2023. We now have a new Director of Public Health, Kathy Cahill, MPH as of July 1, 2023.

Within the Public Health Department, the CMS program consists of California Children's Services (CCS) which includes the Medical Therapy Unit (MTU); Child Health and Disability Prevention (CHDP); Child Health and Disability Prevention and Childhood Lead Prevention Program (CHDP-CLPP); and the Health Care Program for Children in Foster Care (HCPCFC).

Nursing and support staff for this FY year include the following: Charlene Weiss-Wenzl, PHN, as the Director of Public Health Nursing (DPHN), Maryellen Beauchamp, Senior PHN, as the CCS Nurse Case Manager; Chie Newsom, PHN focusing on CHDP management follow-up, Chie Newsom, PHN in Lead management follow-up, Margaret Wideau, PHN in HCPCFC Case Management services; Kathryn Kestler, Senior PHN, also in HCPCFC/CWS; Katie Magliocca, HTII, and Dawn Graves, HTII, providing clerical and administrative support.

Staffing at the Medical Therapy Unit is as follows: Carme Barsotti, PT, Senior Therapist. Rebecca Giammona, PTA; and the part-time OT position remains vacant. Nevada County contracts with Permanente Medical Group for Lawrence Manhart, MD, to provide psychiatrist services for quarterly clinics.

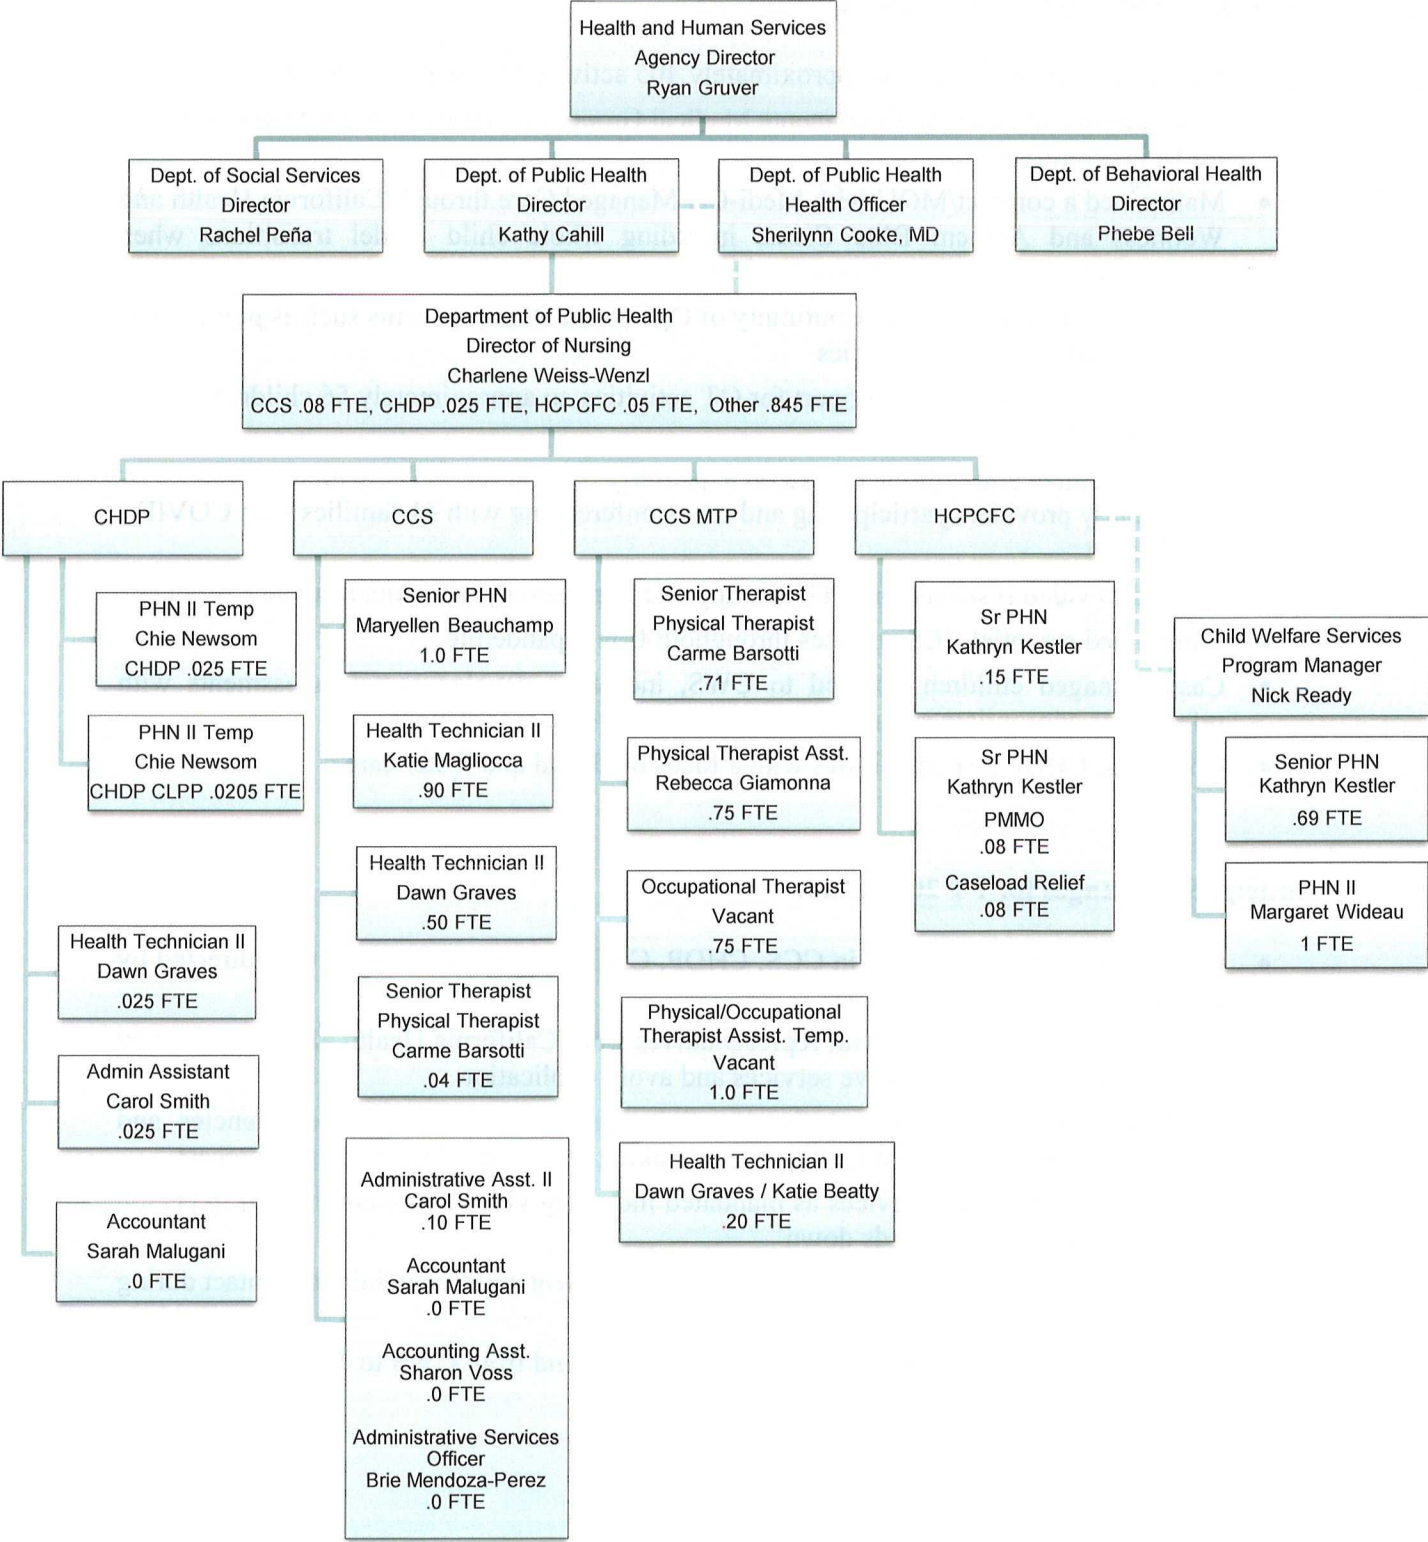

Accomplishments for FY 2022-2023:

- Case managed an average of approximately 405 active CCS clients per month
- Continued a contract with Permanente Medical Group for continuity of physiatrist services for MTU children
- Maintained a contract/MOU with Medi-Cal Managed Care through California Health and Wellness and Anthem Blue Cross, including whole child model transitions when transferring to or from other counties for CCS
- Developed and implemented Continuity of Operations Plan for events such as power shut-offs, emergencies and pandemics
- Provided PT services, with support for OT activities, to approximately 56 children through the MTU
- Held equipment and orthotic clinics on a quarterly basis at the MTU, with multi-disciplinary providers participating and case-conferencing with 41 families with COVID restrictions
- Pivoted to video sessions for MTU therapy and in person hybrid indoor/outdoor services.
- Maintained essential CCS services throughout Covid pandemic
- Case managed children referred to CWS, including developmental assessments with referrals as appropriate and monitoring of psychotropic medications
- Continued CHDP responsibilities with a focus on dental and foster care

Anticipated Changes for FY 2023-2024:

- Enact programmatic changes in CCS, CHDP, CHDP-CLPP, and HCPCFC as directed by California DHCS and/or CDPH
- Continue to meet quarterly with representatives from California Health and Wellness and Anthem Blue Cross to improve services and avoid duplication
- Evaluate clinical practice and fiscal activity processes to enhance efficiencies and effectiveness throughout the CMS program, taking into account CCS budget forecast
- Continue to provide all services as mandated including video conferencing and in person as the Covid pandemic winds down
- Continue to update the database of equipment-dependent children to initiate contact during power shut-offs and emergencies
- Establish a referral system for children within CWS and from CWS to MCAH
