Resignation from Penn Valley Municipal Advisory Commission

I am submitting my resignation from the Penn Valley Municipal Advisory Commission effective December 31, 2020. It has been my pleasure to serve and my honor to work on this committee as a representative for the residents of Supervisorial District 4.

The work of this commission is crucial to fostering communication between our elected officials and the residents. I'm very glad I was able to contribute to this effort.

Best wishes for a fantastic year ahead!
