I am in full support of funding a new animal shelter to be built on the property along La Barr Meadows Rd. I am in full support of this shelter being run by Sammie's Friends.
I urge the county to include a low cost spay/neuter facility on site. The number of cats and dogs that are not 'fixed' seems to be growing and more and more puppies/moms are being dumped.
Unaltered males also tend to roam and get out more often. We need to address this as a community.
Thank you in advance for supporting this!

Regards,
Beth Moorehead
