**NEVADA COUNTY BOARD OF SUPERVISORS  
Board Agenda Memo**

**MEETING DATE:** March 22, 2022

**TO:** Board of Supervisors

**FROM:** **Panos Kokkas, Director of Public Works**

**SUBJECT:** Resolution to adopt bidding documents for the 2022 Nevada County Annual Striping Project 426640, and authorizing: the Purchasing Agent to solicit bids; and the Director of Public Works to award and execute the contract to the lowest responsive bidder (not to exceed \$284,900) or to reject all bids; and the Auditor to encumber the contract – Districts I, II, III, IV, and V

**RECOMMENDATION:** Approve the attached Resolution to allow advertising of the Bidding documents, Specifications, and Contract documents for the 2022 Nevada County Annual Striping Project.

**FUNDING:** This project will be funded with Regional Surface Transportation Program and Highway User Tax Account funds. There is no impact to the General Fund. The project is included in the FY 2022/23 Capital Improvement Program for Road Maintenance.

**BACKGROUND:** The Department of Public Works is proposing to stripe approximately 88 miles of roadway. This is a routine, annual maintenance activity intended as a fundamental road safety measure. The Director of Public Works may make adjustments to the roadways listed as necessary.

On February 8, 2022, the Nevada County Board of Supervisors approved an environmental clearance for pavement striping along 88 miles of county-maintained roadways.

The project plans, specifications, and cost estimate for this project have been completed. The engineer's estimate is \$259,000 plus a 10% contingency of \$25,900 for a total of \$284,900.

The bid opening date will be set by the Director of Public Works, with construction scheduled to begin in summer 2022. If the lowest responsive and responsible bid exceeds the total project budget, staff will either bring this item back to the board for approval or reject all bids.
