

NEVADA COUNTY CALIFORNIA

June 3, 2025

Honorable Mayor Hilary Hodge
And Council Members
City of Grass Valley
125 East Main St
Grass Valley, CA 95945

Subject: Fees for Solid Waste

Dear Mayor and Council Members:

In 2012, Nevada County, Grass Valley, and Nevada City approved a temporary reduction in solid waste parcel charges. The reduction was initiated to reflect the decrease in annual operation expenses and ability of the reserve fund to address post closure liabilities. On behalf of the Nevada City Board of Supervisors, I am requesting your consent to continue implementation of solid waste parcel charges within your jurisdiction. This action is taken pursuant to State of California, Government Code Section 25830.

In order to facilitate the County's actions in levying and collecting parcel charges, and to minimize the expenses involved in billing, the County would like to impose the existing fees under the authority contained in Government Code Section 25830. Accordingly, on behalf of the Board of Supervisors, I hereby request that your Council consent to imposition of parcel charges in the City for the Fiscal Years 2025-2026 and 2026-2027 as provided in Section 25830. These rates reflect the continuation of a temporary reduction in charges, by 25% for residential properties and 50% for commercial customers for two (2) additional fiscal years.

The proposed parcel charges for Western Nevada County are as follows:

Single Family Residence	\$44.54 per year
Multi-Family Units	\$34.70 per year
Mobile Home Park Units	\$31.08 per year
Non-Residential	\$27.19 per ton

I appreciate your consideration in this matter and request your Council's acceptance of the proposed rates. Please respond to our office no later than June 30, 2026.

If you have any questions regarding the proposal or budget in advance of your Council meeting, please contact the Nevada County Public Works Department staff at (530) 265-7111.

Sincerely,

Honorable Heidi Hall
Chair, Board of Supervisor
