Exhibit F
Business Associate Addendum

1. This Agreement has been determined to constitute a business associate relationship under the Health Insurance Portability and Accountability Act (HIPAA) and its implementing privacy and security regulations at 45 Code of Federal Regulations, Parts 160 and 164 (collectively, and as used in this Agreement)

2. The term "Agreement" as used in this document refers to and includes both this Business Associate Addendum and the contract to which this Business Associate Agreement is attached as an exhibit, if any.

3. For purposes of this Agreement, the term "Business Associate" shall have the same meaning as set forth in 45 CFR section 160.103.

4. The Department of Health Care Services (DHCS) intends that Business Associate may create, receive, maintain, transmit or aggregate certain information pursuant to the terms of this Agreement, some of which information may constitute Protected Health Information (PHI) and/or confidential information protected by Federal and/or state laws.

4.1 As used in this Agreement and unless otherwise stated, the term "PHI" refers to and includes both "PHI" as defined at 45 CFR section 160.103 and Personal Information (PI) as defined in the Information Practices Act (IPA) at California Civil Code section 1798.3(a). PHI includes information in any form, including paper, oral, and electronic.

4.2 As used in this Agreement, the term "confidential information" refers to information not otherwise defined as PHI in Section 4.1 of this Agreement, but to which state and/or federal privacy and/or security protections apply.

5. Contractor (however named elsewhere in this Agreement) is the Business Associate of DHCS acting on DHCS's behalf and provides services or arranges, performs or assists in the performance of functions or activities on behalf of DHCS, and may create, receive, maintain, transmit, aggregate, use or disclose PHI (collectively, "use or disclose PHI") in order to fulfill Business Associate's obligations under this Agreement. DHCS and Business Associate are each a party to this Agreement and are collectively referred to as the "parties."

6. The terms used in this Agreement, but not otherwise defined, shall have the same meanings as those terms in HIPAA and/or the IPA. Any reference to statutory or regulatory language shall be to such language as in effect or as amended.

7. **Permitted Uses and Disclosures of PHI by Business Associate**. Except as otherwise indicated in this Agreement, Business Associate may use or disclose PHI, inclusive of de-identified data derived from such PHI, only to perform functions, activities or services specified in this Agreement on behalf of DHCS, provided that such use or disclosure would not violate HIPAA or other applicable laws if done by DHCS.

7.1 **Specific Use and Disclosure Provisions**. Except as otherwise indicated in this Agreement, Business Associate may use and disclose PHI if necessary for the proper management and administration of the Business Associate or to carry out the legal responsibilities of the Business Associate. Business Associate may disclose PHI for this purpose if the disclosure is required by law, or the Business Associate obtains reasonable assurances from the person to whom the information is disclosed that it will be held confidentially and used or further disclosed only as required by law or for the purposes for which it was disclosed to the person. The person shall notify the Business Associate of any instances of which the person is aware that the confidentiality of the information has been breached, unless such person is a treatment provider not acting as a business associate of Business Associate.

7.2 **Nondisclosure.** Business Associate shall not use or disclose PHI or other confidential information other than as permitted or required by this Agreement or as required by law.

8. Compliance with Other Applicable Law

8.1 To the extent that other state and/or federal laws provide additional, stricter and/or more protective (collectively, more protective) privacy and/or security protections to PHI or other confidential information covered under this Agreement beyond those provided through HIPAA, Business Associate agrees:

8.1.1 To comply with the more protective of the privacy and security standards set forth in applicable state or federal laws to the extent such standards provide a greater degree of protection and security than HIPAA or are otherwise more favorable to the individuals whose information is concerned; and

8.1.2 To treat any violation of such additional and/or more protective standards as a breach or security incident, as appropriate, pursuant to Section 19. of this Agreement.

8.2 Examples of laws that provide additional and/or stricter privacy protections to certain types of PHI and/or confidential information, as defined in Section 4. of this Agreement, include, but are not limited to the Information Practices Act, California Civil Code sections 1798-1798.78, Confidentiality of Alcohol and Drug Abuse Patient Records, 42 CFR Part 2, Welfare and Institutions Code section 5328, and California Health and Safety Code section 11845.5.

8.3 If Business Associate is a Qualified Service Organization (QSO) as defined in 42 CFR section 2.11, Business Associate agrees to be bound by and comply with subdivisions (2)(i) and (2)(ii) under the definition of QSO in 42 CFR section 2.11.

9. Additional Responsibilities of Business Associate

9.1 Safeguards and Security.

9.1.1 Business Associate shall use safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of PHI and other confidential data and comply, where applicable, with subpart C of 45 CFR Part 164 with respect to electronic protected health information, to prevent use or disclosure of the information other than as provided for by this Agreement. Such safeguards shall be based on applicable Federal Information Processing Standards (FIPS) Publication 199 protection levels.

9.1.2 Business Associate shall, at a minimum, utilize a National Institute of Standards and Technology Special Publication (NIST SP) 800-53 compliant security framework when selecting and implementing its security controls and shall maintain continuous compliance with NIST SP 800-53 as it may be updated from time to time. The current version of NIST SP 800-53, Revision 5, is available online at https://csrc.nist.gov/publications/detail/sp/800-53/rev-5/final; updates will be available online at https://csrc.nist.gov/publications/sp800.

9.1.3 Business Associate shall employ FIPS 140-3 validated encryption of PHI at rest and in motion unless Business Associate determines it is not reasonable and appropriate to do so based upon a risk assessment, and equivalent alternative measures are in place and documented as such. FIPS 140-3 validation can be determined online at https://csrc.nist.gov/projects/cryptographic-module-validation-program/validated-modules/search. In addition, Business Associate shall maintain, at a minimum, the most current industry standards for transmission and storage of PHI and other confidential information.

9.1.4 Business Associate shall apply security patches and upgrades, and keep virus software up-to-date, on all systems on which PHI and other confidential information may be used.

9.1.5 Business Associate shall ensure that all members of its workforce with access to PHI and/or other confidential information sign a confidentiality statement prior to access to such data. The statement must be renewed annually.

9.1.6 Business Associate shall identify the security official who is responsible for the development and implementation of the policies and procedures required by 45 CFR Part 164, Subpart C.

9.1.7 Remote access to PHI from outside the continental United States, inclusive of remote access to PHI by Business Associate's support staff in identified support centers, is prohibited.

9.1.8 Business Associate shall only store PHI in a data center physically located within the continental United States.

9.2 Business Associate's Agent. Business Associate shall ensure that any agents, subcontractors, subawardees, vendors or others (collectively, "agents") that use or disclose PHI and/or confidential information on behalf of Business Associate agree to the same restrictions and conditions that apply to Business Associate with respect to such PHI and/or confidential information.

10. **Mitigation of Harmful Effects**. Business Associate shall mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of PHI and other confidential information in violation of the requirements of this Agreement.

11. **Access to PHI.** Business Associate shall make PHI available in accordance with 45 CFR section 164.524.

12. **Amendment of PHI.** Business Associate shall make PHI available for amendment and incorporate any amendments to protected health information in accordance with 45 CFR section 164.526.

13. **Accounting for Disclosures.** Business Associate shall make available the information required to provide an accounting of disclosures in accordance with 45 CFR section 164.528.

14. **Collaboration.** The parties shall collaborate as appropriate and necessary to ensure compliance with this Agreement, including but not limited to Sections 11 – 13 of this Agreement. The parties acknowledge and agree that neither party intends that this Agreement shall create obligations and/or liabilities that do not otherwise exist as appropriate based on the nature of the work performed and applicable law.

15. **Compliance with DHCS Obligations.** To the extent Business Associate is to carry out an obligation of DHCS under 45 CFR Part 164, Subpart E, comply with the requirements of the subpart that apply to DHCS in the performance of such obligation.

16. **Access to Practices, Books and Records.** Business Associate shall make its internal practices, books, and records relating to the use and disclosure of PHI on behalf of DHCS available to the federal Secretary of Health and Human Services for purposes of determining DHCS' compliance with 45 CFR Part 164, Subpart E.

17. **Return or Destroy PHI on Termination; Survival.** At termination of this Agreement, if feasible, Business Associate shall return or destroy all PHI and other confidential information received from, or created or received by Business Associate on behalf of, DHCS that Business Associate still maintains in any form and retain no copies of such information. If return or destruction is not feasible, Business Associate shall notify DHCS of the conditions that make the return or destruction infeasible, and DHCS and Business Associate shall determine the terms and conditions under which Business Associate may retain the PHI. If such return or destruction is not feasible, Business Associate shall extend the protections of this Agreement to the information and limit further uses and disclosures to those purposes that make the return or destruction of the information infeasible.

18. **Special Provision for SSA Data.** If Business Associate receives data from or on behalf of DHCS that was verified by or provided by the Social Security Administration (SSA data) and is subject to an agreement between DHCS and SSA, Business Associate shall provide, upon request by DHCS, a list of all employees and agents and employees who have access to such data, including employees and agents of its agents, to DHCS.

19. Breaches and Security Incidents. Business Associate shall implement reasonable systems for the discovery and prompt reporting of any breach or security incident, and take the following steps:

19.1 Notice to DHCS.

19.1.1 Business Associate shall notify DHCS **immediately** upon the discovery of a suspected breach or security incident that involves SSA data. This notification shall be provided via the DHCS Incident Reporting Portal upon discovery of the breach. If Business Associate is unable to provide notification via the DHCS Incident Reporting Portal, then Business Associate shall provide notice by email or telephone to DHCS.

19.1.2 Business Associate shall notify DHCS **within 24** hours via the online DHCS Incident Reporting Portal (or by email or telephone if Business Associate is unable to use the DHCS Incident Reporting Portal) of the discovery of the following, unless attributable to a treatment provider that is not acting as a business associate of Business Associate:

19.1.2.1 Unsecured PHI if the PHI is reasonably believed to have been accessed or acquired by an unauthorized person;

19.1.2.2 Any suspected security incident which risks unauthorized access to PHI and/or other confidential information;

19.1.2.3 Any intrusion or unauthorized access, use or disclosure of PHI in violation of this Agreement; or

19.1.2.4 Potential loss of confidential information affecting this Agreement.

19.1.3 Notice submitted to the DHCS Incident Reporting Portal will be sent to the DHCS Program Contract Manager (as applicable), the DHCS Privacy Office, and the DHCS Information Security Office. If providing notice to DHCS via email, use the DHCS contact information at Section 19.6 below (collectively, "DHCS Contacts").

19.1.3.2 Any action pertaining to such unauthorized disclosure required by applicable Federal and State law.

19.2 Investigation. Business Associate shall immediately investigate such security incident or breach.

19.3 **Complete Report**. Business Associate shall provide a complete report of the investigation to DHCS within ten (10) working days of the discovery of the security incident or breach. This complete report must include any applicable additional information not included in the initial submission. The complete report shall include an assessment of all known factors relevant to a determination of whether a breach occurred under HIPAA and other applicable federal and state laws. The report shall also include a full, detailed corrective action plan, including its implementation date and information on mitigation measures taken to halt and/or contain the improper use or disclosure. If DHCS requests additional information, Business Associate shall make reasonable efforts to provide DHCS with such information. DHCS will review and approve or disapprove Business Associate's determination of whether a breach occurred, whether the security incident or breach is reportable to the appropriate entities, if individual notifications are required, and Business Associate's corrective action plan.

19.3.1 If Business Associate does not submit a complete report within the ten (10) working day timeframe, Business Associate shall request approval from DHCS within the ten (10) working day timeframe of a new submission timeframe for the complete report.

19.4 **Notification of Individuals**. If the cause of a breach is attributable to Business Associate or its agents, other than when attributable to a treatment provider that is not acting as a business associate of Business Associate, Business Associate shall notify individuals accordingly and shall pay all costs of such notifications, as well as all costs associated with the breach. The notifications shall comply with applicable federal and state law. DHCS shall approve the time, manner and content of any such notifications and their review and approval must be obtained before the notifications are made.

19.5 **Responsibility for Reporting of Breaches to Entities Other than DHCS.** If the cause of a breach of PHI is attributable to Business Associate or its agents, other than when attributable to a treatment provider that is not acting as a business associate of Business Associate, Business Associate is responsible for all required reporting of the breach as required by applicable federal and state law.

23. Miscellaneous Provisions

23.1 **Disclaimer**. DHCS makes no warranty or representation that compliance by Business Associate with this Agreement will satisfy Business Associate's business needs or compliance obligations. Business Associate is solely responsible for all decisions made by Business Associate regarding the safeguarding of PHI and other confidential information.

23.2. **Amendment**.

23.2.1 Any provision of this Agreement which is in conflict with current or future applicable Federal or State laws is hereby amended to conform to the provisions of those laws. Such amendment of this Agreement shall be effective on the effective date of the laws necessitating it, and shall be binding on the parties even though such amendment may not have been reduced to writing and formally agreed upon and executed by the parties.

23.2.2 Failure by Business Associate to take necessary actions required by amendments to this Agreement under Section 23.2.1 shall constitute a material violation of this Agreement.

23.3 **Assistance in Litigation or Administrative Proceedings**. Business Associate shall make itself and its employees and agents available to DHCS at no cost to DHCS to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings being commenced against DHCS, its directors, officers and/or employees based upon claimed violation of HIPAA, which involve inactions or actions by the Business Associate.

23.4 **No Third-Party Beneficiaries**. Nothing in this Agreement is intended to or shall confer, upon any third person any rights or remedies whatsoever.

23.5 **Interpretation**. The terms and conditions in this Agreement shall be interpreted as broadly as necessary to implement and comply with HIPAA and other applicable laws.

23.6 **No Waiver of Obligations**. No change, waiver or discharge of any liability or obligation hereunder on any one or more occasions shall be deemed a waiver of performance of any continuing or other obligation, or shall prohibit enforcement of any obligation, on any other occasion.
