Dear Hardy, Phebe and the Nevada County Board of Supervisors:

I am writing to express my overwhelming support of adopting this resolution to contract with Crows Nest Ranch for SUD services in the Truckee area. I am literally begging you to adopt this resolution to fill a much needed gap for outpatient and intensive outpatient services in our area. This financial support by the County can allow for greater participation in treatment for low and lower income individuals in the Truckee community. I am thrilled the Board is considering this opportunity and hope you will all vote to support this contract and resolution.

Thank you for your consideration.

Sincerely,

Alison Bermant, Attorney at Law, APC
