Lelia,
It upsets me to have to resign from the Assessment Appeals Board for the sole, and happy, reason that we are moving to Boston on or about September 20 to be close to our only daughter and now our only granddaughter. Our time there in June/July to babysit a 16-month-old while the daycare centers are closed in Massachusetts was a very enjoyable activity, and the time spent with our son-in-law's family was new and profound. When our daughter suggested, seriously this time, that we consider relocating, we could not deny her request.

Accordingly, please consider this my formal letter of resignation from the AAB as an Alternate Member, effective August 31. I wish you and our magnificent Board members continued wise and compassionate decision-making on behalf of my neighbors in Nevada County. I have enjoyed serving with you and hope I can do something similar in my new hometown of Hingham, MA.
