**NEVADA COUNTY BOARD OF SUPERVISORS**  
**Board Agenda Memo**

**MEETING DATE:** March 12, 2019

**TO:** Board of Supervisors

**FROM:** David A. Garcia, Jr., Program Manager

**SUBJECT:** **Approval of the 2019 Capital Improvement Program**

**RECOMMENDATION:** Approve the attached Resolution.

**FUNDING:** Not applicable.

**BACKGROUND:** The Department of Public Works updates its five-year Capital Improvement Program (CIP) on an annual basis. At the February 12, 2019 Board of Supervisors meeting, staff presented the CIP to give the Board and the community, an opportunity to discuss and review road maintenance and capital improvement activities considered in this year's updated program. Department staff also met individually with Supervisors to discuss projects within their districts. The Planning Commission also determined that the CIP is not a project and exempt from CEQA and that the CIP is in conformity with the adopted Nevada County General Plan on February 28, 2019.

The 2019 CIP update represents a five-year, \$100 million program from July 2018 through June 2023 for 562 miles of County maintained roadways and includes planned road system improvements and maintenance necessary during this time period. Since the February meeting, no substantive changes have been made to the CIP.

Upon approval by the Board, this document will be submitted to the Nevada County Transportation Commission for inclusion in the Regional Transportation Plan and will be made publicly available on the County's website.
