5. Services to be Performed

The following CMAA are *eligible* for Federal Financial Participation (FFP) only when they are identified in a CMAA Claiming Plan approved by the State and the Centers for Medicare and Medicaid Services (CMS):

A. **Medi-Cal Outreach:** This activity may consist of discrete campaigns or may be an ongoing activity. This activity is directed to groups or individuals targeted to two goals:

1. Bringing potential eligibles into the Medi-Cal system for the purpose of determining Medi-Cal eligibility.
2. Bringing Medi-Cal eligibles into Medi-Cal services.

Outreach may consist of discrete campaigns or may be an ongoing activity, such as: sending teams of employees into the community to contact homeless alcoholics or drug abusers; establishing a telephone or walk-in service for referring persons to Medi-Cal services or eligibility offices; operating a drop-in community center for underserved populations, such as minority teenagers where Medi-Cal eligibility and service information is disseminated.

NOTE: Public health outreach conducted by Local Government Agencies (LGAs) shall not duplicate the requirements on Medi-Cal managed care providers to pursue the enrollment of Medi-Cal eligibles in their service areas.

Exhibit A
Scope of Work

3. Medi-Cal only eligibility outreach campaigns directed to the entire population to encourage potential Medi-Cal eligibles to apply for Medi-Cal are allowable, and the costs do not have to be discounted by the Medi-Cal percentage:
 - a. Outreach campaigns directed toward bringing Medi-Cal eligibles into Medi-Cal covered services are allowable and the costs do not have to be discounted by the Medi-Cal percentage. In such campaigns, the language should clearly indicate that the message is directed only to persons eligible for Medi-Cal, and not the general public. These campaigns are service campaigns, targeted on specific Medi-Cal services, such as Early and Periodic Screening, Diagnosis and Treatment.
 - b. A health education program or campaign may be allowable as a Medi-Cal administrative cost if it is targeted specifically to Medi-Cal services and for Medi-Cal eligible individuals, such as an educational campaign on immunization addressed to parents of Medi-Cal children.

- B. Referral, Coordination, and Monitoring of Medi-Cal Services:** Referral, Coordination, and Monitoring of Medi-Cal Services includes making referrals for, coordinating, and/or monitoring the delivery of Medi-Cal covered services.
- C. Facilitating Medi-Cal Application (Eligibility Intake):** This activity includes explaining Medi-Cal eligibility rules and the Medi-Cal eligibility process to prospective applicants; assisting an applicant to fill out a Medi-Cal eligibility application; gathering information related to the application and eligibility determination or re-determination from a client, including resource information and third party liability information, as a prelude to submitting a formal Medi-Cal application to the county welfare department; and/or providing necessary forms and packaging all forms in preparation for the Medi-Cal eligibility determination. This activity does not include the eligibility determination itself. These costs do not have to be discounted (i.e., reduced) by the Medi-Cal percentage.
- D. Arranging and/or Providing Non-Emergency, Non-Medical Transportation to a Medi-Cal covered Service:** Arranging and/or providing non-emergency, non-medical transportation for a Medi-Cal eligible client who does not have a physical or mental limitation to a Medi-Cal provider for a Medi-Cal covered service when medically necessary. Arranging and/or providing non-emergency, non-medical transportation and accompaniment by an attendant, for a Medi-Cal eligible client who has a physical or mental limitation to a Medi-Cal provider for a Medi-Cal covered service when medically necessary. If the Medi-Cal eligible client does not have a physical or mental limitation, the contractor or governmental unit may provide transportation services, but is unable to accompany the client to the Medi-Cal covered service appointment. However, LGAs may not claim arranging transportation as CMAA when performed by a TCM Case Manager. The cost of this time will be included in the TCM encounter

Exhibit A
Scope of Work

rate and is not claimable separately through CMAA (DHCS CMMA Program Operational Plan, Appendix D, Section III.3.).

Examples: Providing transportation services to a Medi-Cal eligible individual to a Medi-Cal service provider. Scheduling or arranging transportation to Medi-Cal covered services. Accompanying clients (elderly, young, disabled) at a Medi-Cal provider medical appointment because the client has physical limitation, pursuant to 42 Code of Federal Regulations (CFR) part 440.170.

- E. **Contract Administration for Medi-Cal Services:** This activity involves entering into agreements with community based organizations or other provider agencies for the provision of Medi-Cal services and/or CMAA, other than TCM. The costs of TCM subcontract administration should be included in the TCM rate.

NOTE: A Contractor has the option of claiming the costs of contract administration for allowable CMAA, such as Outreach, under that activity or the costs may be claimed under Contract Administration. Under no circumstances are the costs of contract administration for allowable CMAA to be claimed under both Contract Administration and the activity, such as Outreach. Contracting for Medi-Cal services may only be claimed under Contract Administration.

Contracting for Medi-Cal services and/or CMAA is claimable as an administrative activity when the administration of those agreements meets all of the following criteria:

1. The contract administration is performed by an identifiable unit of one or more employees, whose tasks officially involve contract administration, according to the duty statements or job descriptions of the employees being claimed.
2. The contract administration involves contractors that provide Medi-Cal services and/or CMAA. The costs of contracting for TCM services with non-LGA providers should be claimed as part of the TCM rate. These costs cannot be separately claimed as CMAA.
3. The contract administration must be directed to one or more of the following goals:
 - a. Identifying, recruiting, and contracting with community agencies as Medi-Cal service contract providers;
 - b. Providing technical assistance to Medi-Cal subcontractors regarding County, State and Federal regulations;

Exhibit A
Scope of Work

- c. Monitoring provider agency capacity and availability; and
- d. Ensuring compliance with the terms of the agreement.

The contracts being administered must be for Medi-Cal services and CMAA or just CMAA and target Medi-Cal populations only or target the general population if the general population includes a Medi-Cal eligible population.

F. Program Planning and Policy Development (PP&PD) for Medi-Cal Services:

This activity may be claimed at the enhanced rate (75 percent FFP) if performed by a Skilled Professional Medical Personnel (SPMP), or the non-enhanced rate (50 percent FFP) if performed by a non-SPMP.

- 1. Allowable: This activity is claimable when performed, either part-time or full-time, by one or more Contractor employees and subcontractors whose tasks officially involve PP&PD. Contractor employees performing this activity must have the tasks identified in the employee's position descriptions/duty statements. If the programs serve both Medi-Cal and non-Medi-Cal clients, the costs of PP&PD activities must be allocated according to the Medi-Cal percentages being served by the programs.

This activity is claimable as a direct charge for Medi-Cal administration only when PP&PD is performed by a unit of one or more Contractor employees who spend 100 percent of their paid working time performing this activity. This activity is claimable only if the administrative amounts being claimed for PP&PD persons and activities are not otherwise included in other claimable cost pools; and the amounts being claimed for such persons employed by (and activities taking place in) a service provider setting are not otherwise being reimbursed through the billable service rate of that provider. Costs for persons performing this activity less than 100 percent of their time will be based on a time-survey.

In LGAs with county-wide managed care arrangements, PP&PD activities are claimable as Medi-Cal administration only for those services that are excluded from the managed care contracts.

Under the conditions specified above, the following tasks are allowable as CMAA under this activity:

- a. Developing strategies to increase Medi-Cal system capacity and close Medi-Cal service gaps. This includes analyzing Medi-Cal data related to a specific program or specific group.
- b. Interagency coordination to improve delivery of Medi-Cal services.

Exhibit A
Scope of Work

- c. Developing resource directories of Medi-Cal services/providers.
 - d. For subcontractors, some PP&PD support services are allowable, e.g., developing resource directories, preparing Medi-Cal data reports, conducting needs assessments, or preparing proposals for expansion of Medi-Cal services.
2. Not allowable: This activity is not allowable if staff performing this function are employed full-time by service providers, such as clinics. The full costs of the employee's salary are assumed to be included in the billable fee-for-service rate and separate CMAA claiming is not allowed.

This activity is not allowable if staff who deliver services part-time in an LGA service provider setting, such as a clinic, are performing PP&PD activities relating to the service provider setting in which they deliver services.

- G. MAA/TCM Coordination and Claims Administration:** Contractor employees whose position description/duty statement includes the administration of CMAA and TCM on an LGA service region-wide basis, may claim for the costs of these activities on the CMAA detailed invoice as a direct charge.

Costs incurred in the preparation and submission of CMAA claims at any level, including staff time, supplies, and computer time, may be direct charged. If the CMAA/TCM Coordinator and/or claims administration staff are performing this function part-time, along with other duties, they must certify the percentage of total time spent performing the duties of CMAA coordination and/or claims administration. The percentage certified for the CMAA/TCM Coordinator and/or claims administration staff activities must be used as the basis for federal claiming. Charges for supervisors, clericals, and support staff may be allocated based upon the percentage of certified time of the CMAA/TCM Coordinator and claims administration staff.

1. The CMAA/TCM Coordinator and claims administration staff may claim the costs of the following activities, as well as any other reasonable activities directly related to the Contractor's administration of TCM services and CMAA at the LGA-wide level:
- a. Drafting, revising, and submitting CMAA Claiming Plans, and TCM performance monitoring plans.
 - b. Serving as liaison with and monitoring the performance of claiming programs within the LGA and with the State and Federal Governments on CMAA and TCM.

Exhibit A
Scope of Work

- c. Administering LGA claiming, including overseeing, preparing, compiling, revising and submitting CMAA and TCM invoices on an LGA-wide basis to the State.
- d. Attending training sessions, meetings, and conferences involving CMAA and/or TCM.
- e. Training Contractor program and subcontractor staff on State, Federal, and Local requirements for CMAA and/or TCM claiming.
- f. Ensuring that CMAA and/or TCM invoices do not duplicate Medi-Cal invoices for the same services or activities from other providers. This includes ensuring that services are not duplicated when a Medi-Cal beneficiary receives TCM services from more than one case manager.

NOTE: The costs of the CMAA/TCM Coordinator's time and claims administration staff time must not be included in the CMAA claiming or in the TCM rate, since the costs associated with the time are to be direct charged. Charges for supervisors, clericals, and support staff for these employees may be allocated based upon the percentage of certified time of the CMAA/TCM Coordinator and claims administration staff. The costs of TCM claiming activity at the TCM provider level are to be included in the TCM rate.

- H. **MAA/TCM Implementation Training:** Training activities shall be time studied in accordance with the purpose of the training. Training activities include time spent providing or attending training related to the performance of CMAA or TCM. Training activities also include reasonable time spent on related paperwork, clerical activities, staff travel time necessary to perform these activities including initiating and responding to email and voicemail. Training that is unrelated to CMAA is not allowable.
- I. **General Administration:** This includes activities that are eligible for cost distribution on a 2 CFR Part 200 et. Seq. approved cost allocation basis. These costs are to be distributed proportionately while performing the following activities:
 - 1. Attend or conduct general, non-medical staff meetings;
 - 2. Develop and monitor program budgets;
 - 3. Provide instructional leadership, site management, supervise staff, or participate in Employee performance reviews;

Exhibit A
Scope of Work

4. Review departmental or unit procedures and rules;
 5. Present or participate in, in-service orientations and programs;
 6. Participate in health promotion activities for employees of the Contractor; and
 7. The 15 minutes that a time survey participant spent filling out the Time Survey Form at the end of the work day.
- J. **Paid Time Off:** This activity is to be used by all staff involved in CMAA to record usage of paid leave, including vacation, sick leave, holiday time and any other employee time off that is paid. This does not include lunch or meal breaks, off payroll time, or Compensatory Time Off which shall be allocated as prescribed by the State.

6. Americans with Disabilities Act

Contractor agrees to ensure that deliverables developed and produced, pursuant to this Agreement shall comply with the accessibility requirements of **Section 508 of the Rehabilitation Act and the Americans with Disabilities Act of 1973** as amended (29 U.S.C. § 794 (d), and regulations implementing that act as set forth in Part 1194 of Title 36 of the Federal Code of Regulations. In 1998, Congress amended the **Rehabilitation Act of 1973** to require Federal agencies to make their electronic and information technology (EIT) accessible to people with disabilities. California Government Code section 11135 codifies section 508 of the Act requiring accessibility of electronic and information technology.

D. Rates Payable

1. The invoices may include the cost of expenses of staff and the operating expenses and equipment costs necessary to collect data, disseminate information, and carry out the staff activities outlined in this agreement.
 - a. The maximum rate of Federal reimbursement for compensation (salary and benefits), of activities qualifying under Federal regulations applying to Skilled Professional Medical Personnel (SPMP) of a public agency and their direct supporting staff shall be 75 percent of such costs for activities identified as "enhanced." The maximum rate of reimbursement for allowable costs of activities identified as "non-enhanced", performed by SPMP and their direct supporting staff, shall be 50 percent. The maximum rate of reimbursement for all allowable costs other than compensation applicable to SPMPs and their direct supporting staff shall be 50 percent.
 - 1) An SPMP is defined as an employee of the Contractor who has completed a 2-year or longer program leading to an academic degree or certification in a medically-related profession *and* who performs duties and responsibilities requiring professional medical knowledge and skills. Direct supporting staff are also employees of the Contractor. They are secretarial, stenographic, copy, file, or record clerks who are directly supervised by the SPMP, and who provide clerical services necessary for carrying out the professional medical responsibilities and administrative activities of the SPMP.
 - b. The rate of federal reimbursement is 50 percent FFP for all costs of non-SPMPs and all costs of subcontractors (non-governmental entities) performing allowable administrative activities as defined in Provision 5, Services to be Performed, of Exhibit A, Scope of Work.

Exhibit B
Budget Detail and Payment Provisions

- c. The maximum rate of reimbursement for all non-public subcontractors to the Contractor shall be 50 percent for all categories of cost.

- E. Certify the certified public expenditure (CPE) from the Contractor's General Fund, or from any other funds allowed under federal law and regulation, for Title XIX funds claimed for CMAA performed pursuant to W&I Code Section 14132.47. The State shall deny payment of any claim submitted under this agreement if it determines that the certification is not adequately supported for purposes of FFP. Expenditures certified for CMAA costs shall not duplicate, in whole or in part, claims made for the costs of direct patient care. DHCS shall provide a certification statement to be included with each CMAA Invoice Summary Page submitted to the State for payment for the performance of CMAA.

2. Budget Contingency Clause

- A. It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall be of no further force and effect. In this event, DHCS shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Agreement and Contractor shall not be obligated to further provide services under the CMAA program.

- B. If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, DHCS shall have the option to either cancel this Agreement with no liability occurring to DHCS, or offer an agreement amendment to Contractor to reflect the reduced amount.

3. Prompt Payment Clause

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with Section 927.

4. Amounts Payable

- A. The amounts payable under this agreement shall not exceed:
 - 1. \$ 2,000,000 for the budget period of 07/01/20 through 06/30/21,
 - 2. \$ 2,000,000 for the budget period of 07/01/21 through 06/30/22,
 - 3. \$ 2,000,000 for the budget period of 07/01/22 through 06/30/23.

- B. Reimbursement shall be made for allowable expenses up to the amount annually encumbered commensurate with the state fiscal year in which services are performed and/or goods are received.

5. Timely Submission of Final Invoice

Exhibit B
Budget Detail and Payment Provisions

- A. A final undisputed invoice shall be submitted for payment no more than thirty (30) calendar days following the expiration or termination date of this Agreement, unless a later or alternate deadline is agreed to in writing by the Program Contract Manager. Said invoice should be clearly marked "Final Invoice", thus indicating that all payment obligations of DHCS under this Agreement have ceased and that no further payments are due or outstanding.
- B. DHCS may, at its discretion, choose not to honor any delinquent final invoice if the Contractor fails to obtain prior written DHCS approval of an alternate final invoice submission deadline. Written DHCS approval shall be sought from the Program Contract Manager prior to the expiration or termination date of this Agreement.
- C. The Contractor is hereby advised of its obligation to submit, with the final invoice, a "**Contractor's Release (Exhibit F)**" acknowledging submission of the final invoice to DHCS and certifying the approximate percentage amount, if any, of recycled products used in performance of this Agreement.

6. Participation in Medi-Cal Administrative Claiming Process

- A. As a condition of participation in the Medi-Cal Administrative Claiming process, and in recognition of revenue generated in the Medi-Cal Administrative Claiming process, the Contractor shall pay an annual participation fee through a mechanism agreed to by the State and Contractors, or, if no agreement is reached by August 1 of each year, directly to the State.
- B. The participation fee shall be used to cover the cost of administering the Medi-Cal Administrative Claiming process, including, but not limited to, claims processing, technical assistance, and monitoring. The State shall determine and report staffing requirements upon which projected costs will be based.
- C. The amount of the participation fee shall be based upon the anticipated state salaries, benefits, operating expenses and equipment, necessary to administer the Medi-Cal Administrative Claiming process and other costs related to that process.

7. Non-Federal Matching Funds for CMAA

The Contractor will expend one hundred percent (100%) of the non-federal share of the cost of performing CMAA. By signing this agreement, the Contractor certifies that the funds expended for this purpose shall be from the Contractor's general fund or from any other funds allowable under federal law and regulation.

8. Claiming Overhead Costs

Exhibit B

Budget Detail and Payment Provisions

- A. In order to claim administrative overhead costs, also referred to as "External Administrative Overhead" costs, the Contractor must have a State Controller's Office approved LGA administrative overhead cost allocation plan for the applicable period and these costs must be claimed in accordance with the plan. An LGA's plan is submitted to the California State Controller's Office, which has delegated authority from the Federal Government to approve it.
- B. Internal (departmental) administrative overhead costs are allowable for FFP only if there is a departmental overhead indirect cost allocation plan prepared and on file for audit purposes for the applicable period and costs are claimed in accordance with it following 2 CFR Part 200 et. Seq. guidelines.
- C. Both external and internal administrative cost allocation plans must comply with provisions of 2 CFR Part 200 et. Seq., entitled "Cost Principles for State, Local, and Indian Tribal Governments" and Federal Publication OASC-10, entitled "A Guide for State and Local Governments/Cost Principles and Procedures for Establishing Cost Allocation Plans and Indirect Cost Rates for Grants and Contracts with the Federal Government."
- D. The Contractor must assure that costs claimed as direct costs are not duplicate costs claimed through the application of the indirect cost rate.

9. Offset of Revenues and Non-Duplication of FFP

- A. To the extent that other funding sources have paid or would pay for the costs at issue, FFP is not available and the costs must be removed from the total costs (2 CFR part 200 et. seq.). The revenue offset categories which must be applied in developing the net costs include, but are not limited to:
 - 1. All unallowable federal funds, including not only federal grants but also federal payments for services under Medicare fee-for-service or encounter rates.
 - 2. All state expenditures which have been previously matched by the Federal Government (*includes Medicaid funds for medical assistance, such as the payment rate for services under fee-for-service or encounter rates*). Claims submitted will not be duplicative of Medicaid claims for costs that are part of the all inclusive rate for direct patient care.
 - 3. Private insurance and other fees collected from non-governmental sources.
 - 4. All applicable credits must be offset against claims for Medicaid funds. Applicable credits refer to those receipts or reduction of expenditure type

Exhibit B
Budget Detail and Payment Provisions

transactions that offset or reduce expense items allocable to federal awards as direct or indirect costs.

5. A program may not claim any federal match for administrative activities if its total cost has already been paid by the revenue sources above. A government program may not be reimbursed in excess of its actual costs.

10. Requirements for FFP

- A. The reimbursement LGAs receive for their Medi-Cal program expenditures is known as FFP. Section 433.51 of Title 42 of the CFR provides that the amount expended for providing medical assistance must be "... certified by the contributing public agency as representing expenditures eligible for FFP." Section 1903(a) of Title XIX of the Social Security Act also provides language indicating states may receive an enhancement to the FFP. Section 1903(a)(2) of the Act specifically indicates federal matching at 75 percent is attributable to the compensation and/or training of SPMP, and staff direct supporting such personnel of the State agency of any other public agency. For example, when the amounts expended for providing medical assistance "are attributable to the compensation or training of SPMP, and staff direct supporting such personnel", the FFP rate shall be 75 percent. Therefore, the FFP rate for an LGA claim with eligible and certified Medi-Cal expenditures performed by an SPMP, or staff direct supporting an SPMP, in the amount of \$100 would be \$75 ($\$100 \times .75 = \75).
- B. In order to meet the CPE requirements and receive FFP, LGAs must obtain and maintain supporting documentation verifying: a) 100 percent of available revenue is specifically related to performing the administrative activities and services of the Medi-Cal program; b) 100 percent of the expenditures eligible for reimbursement are specifically related to performing the administrative activities and services of the Medi-Cal program; c) the expenditures eligible for reimbursement are restricted to the actual costs incurred; d) the funds expended to account for the actual cost are from revenue sources allowable under all applicable state and federal laws and regulations; e) the administrative activity and service expenditures of the Medi-Cal program are incurred prior to requesting FFP reimbursement. The contributing public agency must certify to their allowable expenditures for the actual costs of providing services and/or activities. Community-Based Organizations (CBOs) may not utilize their private funds or certify costs. CBOs may only utilize allowable CPE contributed by a Public Agency for the actual costs related to Medi-Cal eligible services and/or activities. If an LGA has a question regarding eligible CPE or actual cost at the claiming unit or CBO level, they should contact DHCS.
- C. Per 42 CFR, Section 432.2 et seq., and Section 433.1 et seq., SPMP, and direct supporting staff, eligible for enhanced funding are defined as physicians, dentists, nurses, and other specialized personnel who have professional education and training in the field of medical care or appropriate medical practice

and who are in an employer-employee relationship with the Contractor. SPMPs do not include other non-medical health professionals such as public administrators, medical analysts, lobbyists, senior managers or administrators of public assistance programs or of the Medi-Cal program.

- D. The seventy-five (75) percent (enhanced) federal matching rate is only available for a Contractor that is contractually linked to DHCS to perform Medi-Cal Administrative Activities. The enhanced federal matching rate can be claimed for salaries, benefits, travel and training of SPMP and their direct supporting clerical staff who are in an employee-employer relationship with the Contractor and are involved in activities that are necessary for the proper and efficient administration of the Medi-Cal Program.
- E. Fifty (50) percent (non-enhanced) federal matching rate can be claimed for any of the Contractor's staff, or subcontractors, involved in the performance of activities that are necessary for the proper and efficient administration of the Medi-Cal Program. This includes claiming for SPMP and direct supporting clerical staff performing related activities that are non-enhanced. Additionally, the ability to claim SPMP under the MAA program is activity driven not education based. Expenditures for the actual furnishing of medical services by SPMP do not qualify for reimbursement via Medi-Cal Administrative Claiming, as medical services are paid for in the fee-for-services system and managed care system.
- F. Qualifying SPMP costs may be matched at the 75 percent rate in proportion to the time worked by SPMP in performing those duties that require professional medical knowledge and skills, as evidenced by position descriptions, job announcements, or job classifications.

11. Expense Allowability/Fiscal Documentation

- A. Invoices, received from a Contractor and accepted and/or submitted for payment by DHCS, shall not be deemed evidence of allowable agreement costs.
- B. Contractor shall maintain for review and audit and supply to DHCS upon request, adequate documentation of all expenses claimed pursuant to this agreement to permit a determination of expense allowability.
- C. If the allowability or appropriateness of an expense cannot be determined by DHCS because invoice detail, fiscal records, or backup documentation is nonexistent or inadequate according to generally accepted accounting principles or practices, all questionable costs may be disallowed and payment may be withheld by the DHCS. Upon receipt of adequate documentation supporting a disallowed or questionable expense, reimbursement may resume for the amount substantiated and deemed allowable.
- D. The LGA is to establish policies and procedures to identify the Federal Award amounts passed through to subrecipients and furnish those amounts to DHCS.

Exhibit B
Budget Detail and Payment Provisions

12. Federal Audit Disallowances

- A. In addition to the indemnification required by Exhibit C, Provision 5, and notwithstanding any other provision of this agreement, the State shall be held harmless, in accordance with Provision 2, Budget Contingency Clause, paragraphs A and B, from any federal audit disallowance and interest resulting from payments made to the Contractor pursuant to W&I Code Section 14132.47, and this agreement, less the amounts already remitted to the State.
- B. To the extent that a federal audit disallowance and interest results from a claim or claims for the Contractor has received reimbursement for CMAA, the State shall recoup from the Contractor which submitted the disallowed claim, through offsets or by direct billing, amounts equal to the amount of the disallowance plus interest in that fiscal year, less any amount already remitted to the State for the disallowed claim. All subsequent claims submitted to the State applicable to any previously disallowed CMAA or claim, may be held in abeyance, with no payment made, until the federal disallowance issue is resolved.
- C. To the extent that a federal audit disallowance and interest results from a claim or claims for which the Contractor has received reimbursement for CMAA performed by a non-governmental entity under agreement with, and on behalf of, the Contractor, the State shall be held harmless by that particular Contractor for 100 percent of the amount of any such final federal audit disallowance and interest less the amounts already remitted to the State for the disallowed claim.

13. Dun and Bradstreet Universal Numbering System (DUNS)

Notwithstanding Exhibit E. 7. A. 8. definition for vendor, CMAA providers and their subcontractors are considered contractors solely for the purposes of U.S. Office of Management and Budget Uniform Guidance (Title 2 of the Code of Federal Regulations, Part 200, and, specifically, 2 CFR 200.330). Consequently, as contractors, as distinguished from subrecipients, a DUNS number is not required.

Such notices shall state the Contractor's obligation under the law to take affirmative action to employ and advance in employment qualified applicants without discrimination based on their race, color, religion, sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era and the rights of applicants and employees.

- c. The Contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding a notice, to be provided by the Federal Government or the State, advising the labor union or workers' representative of the Contractor's commitments under the provisions herein and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- d. - e. The Contractor will furnish all information and reports required by Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," and the Rehabilitation Act of 1973, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the State and its designated representatives and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- f. In the event of the Contractor's noncompliance with the requirements of the provisions herein or with any federal rules, regulations, or orders which are referenced herein, this Agreement may be cancelled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further federal and state contracts in accordance with procedures authorized in Federal Executive Order No. 11246 as amended and such other sanctions may be imposed and remedies invoked as provided in Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

The Contractor will take such action with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs or DHCS may direct as a means of enforcing such provisions including sanctions for noncompliance provided, however, that in the event the Contractor becomes involved in, or is threatened with litigation by a subcontractor or vendor as a result of such direction by DHCS, the Contractor may request in writing to DHCS, who, in turn, may request the United States to enter into such litigation to protect the interests of the State and of the United States.

2. Travel and Per Diem Reimbursement

(Applicable if travel and/or per diem expenses are reimbursed with agreement funds.)

Reimbursement for travel and per diem expenses from DHCS under this Agreement shall, unless otherwise specified in this Agreement, be at the rates currently in effect, as established by the California Department of Human Resources (CalHR), for nonrepresented state employees as stipulated in DHCS' Travel Reimbursement Information Exhibit. If the CalHR rates change during the term of the Agreement, the new rates shall apply upon their effective date and no amendment to this Agreement shall be necessary. Exceptions to CalHR rates may be approved by DHCS upon the submission of a statement by the Contractor indicating that such rates are not available to the Contractor. No travel outside the State of California shall be reimbursed without prior authorization from DHCS. Verbal authorization should be confirmed in writing. Written authorization may be in a form including fax or email confirmation.

3. Procurement Rules

(Applicable to agreements in which equipment/property, commodities and/or supplies are furnished by DHCS or expenses for said items are reimbursed by DHCS with state or federal funds provided under the Agreement.)

a. Equipment/Property definitions

Wherever the term equipment and/or property is used, the following definitions shall apply:

- (1) **Major equipment/property:** A tangible or intangible item having a base unit cost of **\$5,000 or more** with a life expectancy of one (1) year or more and is either furnished by DHCS or the cost is reimbursed through this Agreement. Software and videos are examples of intangible items that meet this definition.
 - (2) **Minor equipment/property:** A tangible item having a base unit cost of **less than \$5,000** with a life expectancy of one (1) year or more and is either furnished by DHCS or the cost is reimbursed through this Agreement.
- b. **Government and public entities** (including state colleges/universities and auxiliary organizations), whether acting as a contractor and/or subcontractor, may secure all commodities, supplies, equipment and services related to such purchases that are required in performance of this Agreement. Said procurements are subject to Paragraphs d through h of Provision 3. The cost of equipment/property purchased by or through DHCS shall be deducted from the funds available in this Agreement. Contractor shall submit to the DHCS Program Contract Manager a list of equipment/property specifications for those items that the State must procure. DHCS may pay the vendor directly for such arranged equipment/property purchases and title to the equipment/property will remain with DHCS. The equipment/property will be delivered to the Contractor's address, as stated on the face of the Agreement, unless the Contractor notifies the DHCS Program Contract Manager, in writing, of an alternate delivery address.

- (2) All equipment/property purchases are subject to Paragraphs d through h of Provision 3. Paragraph b of Provision 3 shall also apply, if equipment/property purchases are delegated to subcontractors that are either a government or public entity.

The Contractor must provide in its request for authorization all particulars necessary, as specified by DHCS, for evaluating the necessity or desirability of incurring such costs. The term "purchase" excludes the purchase of services from a subcontractor and public utility services at rates established for uniform applicability to the general public.

In special circumstances, determined by DHCS (e.g., when DHCS has a need to monitor certain purchases, etc.), DHCS may require prior written authorization and/or the submission of paid vendor receipts for any purchase, regardless of dollar amount. DHCS reserves the right to either deny claims for reimbursement or to request repayment for any Contractor and/or subcontractor purchase that DHCS determines to be unnecessary in carrying out performance under this Agreement.
- f. The Contractor and/or subcontractor must maintain a copy or narrative description of the procurement system, guidelines, rules, or regulations that will be used to make purchases under this Agreement. The State reserves the right to request a copy of these documents and to inspect the purchasing practices of the Contractor and/or subcontractor at any time.

- d. The Contractor and/or Subcontractor shall maintain and administer a sound business program for ensuring the proper use, maintenance, repair, protection, insurance and preservation of state equipment and/or property.

- (1) In administering this provision, DHCS may require the Contractor and/or Subcontractor to repair or replace, to DHCS' satisfaction, any damaged, lost or stolen state equipment and/or property. In the event of state equipment and/or miscellaneous property theft, Contractor and/or Subcontractor shall immediately file a theft report with the appropriate police agency or the California Highway Patrol and Contractor shall promptly submit one copy of the theft report to the DHCS Program Contract Manager.

Final disposition of equipment and/or property shall be at DHCS expense and according to DHCS instructions. At the termination or conclusion of this Agreement, DHCS may at its discretion, authorize the continued use of state equipment and/or property for performance of work under a different DHCS agreement.

- (2) If motor vehicles are purchased/reimbursed with agreement funds or furnished by DHCS under the terms of this Agreement, the State of California shall be the legal owner of said motor vehicles and the Contractor shall be the registered owner. The Contractor and/or a subcontractor may only use said vehicles for performance and under the terms of this Agreement.

(Applicable only to that portion of an agreement funded in part or whole with federal funds.)

10. Termination

a. For Cause

The State may terminate this Agreement, in whole or in part, and be relieved of any payments should the Contractor fail to perform the requirements of this Agreement at the time and in the manner herein provided. In the event of such termination, the State may proceed with the work in any manner deemed proper by the State. All costs to the State shall be deducted from any sum due the Contractor under this Agreement and the balance, if any, shall be paid to the Contractor upon demand. If this Agreement is terminated, in whole or in part, the State may require the Contractor to transfer title, or in the case of licensed software, license, and deliver to the State any completed deliverables, partially completed deliverables, and any other materials, related to the terminated portion of the Contract, including but not limited to, computer programs, data files, user and operations manuals, system and program documentation, training programs related to the operation and maintenance of the system, and all information necessary for the reimbursement of any outstanding Medicaid claims. The State shall pay contract price for completed deliverables delivered and accepted and items the State requires the Contractor to transfer as described in this paragraph above.

b. For Convenience

The State retains the option to terminate this Agreement, in whole or in part, without cause, at the State's convenience, without penalty, provided that written notice has been delivered to the Contractor at least ninety (90) calendar days prior to such termination date. The Contractor will be entitled to compensation upon submission of an invoice and proper proof of claim for the services and products satisfactorily rendered, subject to all payment provisions of the Agreement. Payment is limited to expenses necessarily incurred pursuant to this Agreement up to the date of termination.

11. Intellectual Property Rights

a. Ownership

- (1) Except where DHCS has agreed in a signed writing to accept a license, DHCS shall be and remain, without additional compensation, the sole owner of any and all rights, title and interest in all Intellectual Property, from the moment of creation, whether or not jointly conceived, that are made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement.

- (2) For the purposes of this Agreement, Intellectual Property means recognized protectable rights and interest such as: patents, (whether or not issued) copyrights, trademarks, service marks, applications for any of the foregoing, inventions, trade secrets, trade dress, logos, insignia, color combinations, slogans, moral rights, right of publicity, author's rights, contract and licensing rights, works, mask works, industrial design rights, rights of priority, know how, design flows, methodologies, devices, business processes, developments, innovations, good will and all other legal rights protecting intangible proprietary information as may exist now and/or here after come into existence, and all renewals and extensions, regardless of whether those rights arise under the laws of the United States, or any other state, country or jurisdiction.
 - (a) For the purposes of the definition of Intellectual Property, "works" means all literary works, writings and printed matter including the medium by which they are recorded or reproduced, photographs, art work, pictorial and graphic representations and works of a similar nature, film, motion pictures, digital images, animation cells, and other audiovisual works including positives and negatives thereof, sound recordings, tapes, educational materials, interactive videos and any other materials or products created, produced, conceptualized and fixed in a tangible medium of expression. It includes preliminary and final products and any materials and information developed for the purposes of producing those final products. Works does not include articles submitted to peer review or reference journals or independent research projects.
- (3) In the performance of this Agreement, Contractor will exercise and utilize certain of its Intellectual Property in existence prior to the effective date of this Agreement. In addition, under this Agreement, Contractor may access and utilize certain of DHCS' Intellectual Property in existence prior to the effective date of this Agreement. Except as otherwise set forth herein, Contractor shall not use any of DHCS' Intellectual Property now existing or hereafter existing for any purposes without the prior written permission of DHCS. **Except as otherwise set forth herein, neither the Contractor nor DHCS shall give any ownership interest in or rights to its Intellectual Property to the other Party.** If during the term of this Agreement, Contractor accesses any third-party Intellectual Property that is licensed to DHCS, Contractor agrees to abide by all license and confidentiality restrictions applicable to DHCS in the third-party's license agreement.
- (4) Contractor agrees to cooperate with DHCS in establishing or maintaining DHCS' exclusive rights in the Intellectual Property, and in assuring DHCS' sole rights against third parties with respect to the Intellectual Property. If the Contractor enters into any agreements or subcontracts with other parties in order to perform this Agreement, Contractor shall require the terms of the Agreement(s) to include all Intellectual Property provisions. Such terms must include, but are not limited to, the subcontractor assigning and agreeing to assign to DHCS all rights, title and interest in Intellectual Property made, conceived, derived from, or reduced to practice by the subcontractor, Contractor or DHCS and which result directly or indirectly from this Agreement or any subcontract.
- (5) Contractor further agrees to assist and cooperate with DHCS in all reasonable respects, and execute all documents and, subject to reasonable availability, give testimony and take all further acts reasonably necessary to acquire, transfer, maintain, and enforce DHCS' Intellectual Property rights and interests.

b. Retained Rights / License Rights

- (1) Except for Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement, Contractor shall retain title to all of its Intellectual Property to the extent such Intellectual Property is in existence prior to the effective date of this Agreement. Contractor hereby grants to DHCS, without additional compensation, a permanent, non-exclusive, royalty free, paid-up, worldwide, irrevocable, perpetual, non-terminable license to use, reproduce, manufacture, sell, offer to sell, import, export, modify, publicly and privately display/perform, distribute, and dispose Contractor's Intellectual Property with the right to sublicense through multiple layers, for any purpose whatsoever, to the extent it is incorporated in the Intellectual Property resulting from this Agreement, unless Contractor assigns all rights, title and interest in the Intellectual Property as set forth herein.

- (2) Nothing in this provision shall restrict, limit, or otherwise prevent Contractor from using any ideas, concepts, know-how, methodology or techniques related to its performance under this Agreement, provided that Contractor's use does not infringe the patent, copyright, trademark rights, license or other Intellectual Property rights of DHCS or third party, or result in a breach or default of any provisions of this Exhibit or result in a breach of any provisions of law relating to confidentiality.

c. Copyright

- (1) Contractor agrees that for purposes of copyright law, all works [as defined in Paragraph a, subparagraph (2)(a) of this provision] of authorship made by or on behalf of Contractor in connection with Contractor's performance of this Agreement shall be deemed "works made for hire". Contractor further agrees that the work of each person utilized by Contractor in connection with the performance of this Agreement will be a "work made for hire," whether that person is an employee of Contractor or that person has entered into an agreement with Contractor to perform the work. Contractor shall enter into a written agreement with any such person that: (i) all work performed for Contractor shall be deemed a "work made for hire" under the Copyright Act and (ii) that person shall assign all right, title, and interest to DHCS to any work product made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement.
- (2) All materials, including, but not limited to, visual works or text, reproduced or distributed pursuant to this Agreement that include Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement, shall include DHCS' notice of copyright, which shall read in 3mm or larger typeface: "© [Enter Current Year e.g., 2010, etc.], California Department of Health Care Services. This material may not be reproduced or disseminated without prior written permission from the California Department of Health Care Services." This notice should be placed prominently on the materials and set apart from other matter on the page where it appears. Audio productions shall contain a similar audio notice of copyright.

d. Patent Rights

With respect to inventions made by Contractor in the performance of this Agreement, which did not result from research and development specifically included in the Agreement's scope of work, Contractor hereby grants to DHCS a license as described under Section b of this provision for devices or material incorporating, or made through the use of such inventions. If such inventions result from research and development work specifically included within the Agreement's scope of work, then Contractor agrees to assign to DHCS, without additional compensation, all its right, title and interest in and to such inventions and to assist DHCS in securing United States and foreign patents with respect thereto.

e. Third-Party Intellectual Property

Except as provided herein, Contractor agrees that its performance of this Agreement shall not be dependent upon or include any Intellectual Property of Contractor or third party without first: (i) obtaining DHCS' prior written approval; and (ii) granting to or obtaining for DHCS, without additional compensation, a license, as described in Section b of this provision, for any of Contractor's or third-party's Intellectual Property in existence prior to the effective date of this Agreement. If such a license upon the these terms is unattainable, and DHCS determines that the Intellectual Property should be included in or is required for Contractor's performance of this Agreement, Contractor shall obtain a license under terms acceptable to DHCS.

f. Warranties

- (1) Contractor represents and warrants that:
 - (a) It is free to enter into and fully perform this Agreement.

- (b) It has secured and will secure all rights and licenses necessary for its performance of this Agreement.
 - (c) Neither Contractor's performance of this Agreement, nor the exercise by either Party of the rights granted in this Agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, modification, public and private display/performance, distribution, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement will infringe upon or violate any Intellectual Property right, non-disclosure obligation, or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States, or any foreign country. There is currently no actual or threatened claim by any such third party based on an alleged violation of any such right by Contractor.
 - (d) Neither Contractor's performance nor any part of its performance will violate the right of privacy of, or constitute a libel or slander against any person or entity.
 - (e) It has secured and will secure all rights and licenses necessary for Intellectual Property including, but not limited to, consents, waivers or releases from all authors of music or performances used, and talent (radio, television and motion picture talent), owners of any interest in and to real estate, sites, locations, property or props that may be used or shown.
 - (f) It has not granted and shall not grant to any person or entity any right that would or might derogate, encumber, or interfere with any of the rights granted to DHCS in this Agreement.
 - (g) It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.
 - (h) It has no knowledge of any outstanding claims, licenses or other charges, liens, or encumbrances of any kind or nature whatsoever that could affect in any way Contractor's performance of this Agreement.
- (2) DHCS MAKES NO WARRANTY THAT THE INTELLECTUAL PROPERTY RESULTING FROM THIS AGREEMENT DOES NOT INFRINGE UPON ANY PATENT, TRADEMARK, COPYRIGHT OR THE LIKE, NOW EXISTING OR SUBSEQUENTLY ISSUED.

g. Intellectual Property Indemnity

- (1) Contractor shall indemnify, defend and hold harmless DHCS and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products, ("Indemnitees") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim, action, or proceeding, commenced or threatened) to which any of the Indemnitees may be subject, whether or not Contractor is a party to any pending or threatened litigation, which arise out of or are related to (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of Contractor pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of DHCS' use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that issued after the effective date of this Agreement. DHCS reserves the right to participate in and/or control, at Contractor's expense, any such infringement action brought against DHCS.
- (2) Should any Intellectual Property licensed by the Contractor to DHCS under this Agreement become the subject of an Intellectual Property infringement claim, Contractor will exercise its

authority reasonably and in good faith to preserve DHCS' right to use the licensed Intellectual Property in accordance with this Agreement at no expense to DHCS. DHCS shall have the right to monitor and appear through its own counsel (at Contractor's expense) in any such claim or action. In the defense or settlement of the claim, Contractor may obtain the right for DHCS to continue using the licensed Intellectual Property; or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, DHCS shall be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other rights and remedies available at law or in equity.

- (3) Contractor agrees that damages alone would be inadequate to compensate DHCS for breach of any term of this Intellectual Property Exhibit by Contractor. Contractor acknowledges DHCS would suffer irreparable harm in the event of such breach and agrees DHCS shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

h. Federal Funding

In any agreement funded in whole or in part by the federal government, DHCS may acquire and maintain the Intellectual Property rights, title, and ownership, which results directly or indirectly from the Agreement; except as provided in 37 Code of Federal Regulations part 401.14; however, the federal government shall have a non-exclusive, nontransferable, irrevocable, paid-up license throughout the world to use, duplicate, or dispose of such Intellectual Property throughout the world in any manner for governmental purposes and to have and permit others to do so.

i. Survival

The provisions set forth herein shall survive any termination or expiration of this Agreement or any project schedule.

12. Air or Water Pollution Requirements

Any federally funded agreement and/or subcontract in excess of \$100,000 must comply with the following provisions unless said agreement is exempt by law.

Institutions of higher education, hospitals, nonprofit organizations and commercial businesses agree to comply with all applicable standards, orders, or requirements issued under the Clean Air Act (42 U.S.C. 7401 et seq.), as amended, and the Clean Water Act (33 U.S.C. 1251 et seq.), as amended.

13. Prior Approval of Training Seminars, Workshops or Conferences

Contractor shall obtain prior DHCS approval of the location, costs, dates, agenda, instructors, instructional materials, and attendees at any reimbursable training seminar, workshop, or conference conducted pursuant to this Agreement and of any reimbursable publicity or educational materials to be made available for distribution. The Contractor shall acknowledge the support of the State whenever publicizing the work under this Agreement in any media. This provision does not apply to necessary staff meetings or training sessions held for the staff of the Contractor or Subcontractor to conduct routine business matters.

14. Confidentiality of Information

- a. The Contractor and its employees, agents, or subcontractors shall protect from unauthorized disclosure names and other identifying information concerning persons either receiving services pursuant to this Agreement or persons whose names or identifying information become available or

are disclosed to the Contractor, its employees, agents, or subcontractors as a result of services performed under this Agreement, except for statistical information not identifying any such person.

- b. The Contractor and its employees, agents, or subcontractors shall not use such identifying information for any purpose other than carrying out the Contractor's obligations under this Agreement.
- c. The Contractor and its employees, agents, or subcontractors shall promptly transmit to the DHCS Program Contract Manager all requests for disclosure of such identifying information not emanating from the client or person.
- d. The Contractor shall not disclose, except as otherwise specifically permitted by this Agreement or authorized by the client, any such identifying information to anyone other than DHCS without prior written authorization from the DHCS Program Contract Manager, except if disclosure is required by State or Federal law.
- e. For purposes of this provision, identity shall include, but not be limited to name, identifying number, symbol, or other identifying particular assigned to the individual, such as finger or voice print or a photograph.
- f. As deemed applicable by DHCS, this provision may be supplemented by additional terms and conditions covering personal health information (PHI) or personal, sensitive, and/or confidential information (PSCI). Said terms and conditions will be outlined in one or more exhibits that will either be attached to this Agreement or incorporated into this Agreement by reference.

15. Documents, Publications and Written Reports

Any document, publication or written report (excluding progress reports, financial reports and normal contractual communications) prepared as a requirement of this Agreement shall contain, in a separate section preceding the main body of the document, the number and dollar amounts of all contracts or agreements and subcontracts relating to the preparation of such document or report, if the total cost for work by nonemployees of the State exceeds \$5,000.

16. Dispute Resolution Process

- a. A Contractor grievance exists whenever there is a dispute arising from DHCS' action in the administration of an agreement. If there is a dispute or grievance between the Contractor and DHCS, the Contractor must seek resolution using the procedure outlined below.
 - (1) The Contractor should first informally discuss the problem with the DHCS Program Contract Manager. If the problem cannot be resolved informally, the Contractor shall direct its grievance together with any evidence, in writing, to the program Branch Chief. The grievance shall state the issues in dispute, the legal authority or other basis for the Contractor's position and the remedy sought. The Branch Chief shall render a decision within ten (10) working days after receipt of the written grievance from the Contractor. The Branch Chief shall respond in writing to the Contractor indicating the decision and reasons therefore. If the Contractor disagrees with the Branch Chief's decision, the Contractor may appeal to the second level.
 - (2) When appealing to the second level, the Contractor must prepare an appeal indicating the reasons for disagreement with Branch Chief's decision. The Contractor shall include with the appeal a copy of the Contractor's original statement of dispute along with any supporting evidence and a copy of the Branch Chief's decision. The appeal shall be addressed to the Deputy Director of the division in which the branch is organized within ten (10) working days from receipt of the Branch Chief's decision. The Deputy Director of the division in which the branch is organized or his/her designee shall meet with the Contractor to review the issues raised. A written decision signed by the Deputy Director of the division in which the branch is organized or his/her designee shall be directed to the Contractor within twenty (20) working days of receipt of the Contractor's second level appeal.

- b. If the Contractor wishes to appeal the decision of the Deputy Director of the division in which the branch is organized or his/her designee, the Contractor shall follow the procedures set forth in Health and Safety Code Section 100171.
- c. Unless otherwise stipulated in writing by DHCS, all dispute, grievance and/or appeal correspondence shall be directed to the DHCS Program Contract Manager.

When a grievance is received and organizational differences exist, the Contractor shall be notified in writing by the DHCS Program Contract Manager of the level, name, and/or title of the appropriate management official that is responsible for issuing a decision at a given level.

The audit shall be completed by the 15th day of the fifth month following the end of the Contractor's fiscal year, **and/or**
 - (2) ***If the Contractor is a nonprofit organization (as defined in H&S Code Section 38040) and receives less than \$25,000 per year from any State agency under a direct service contract or agreement,*** the Contractor agrees to obtain a biennial single, organization wide financial and compliance audit, unless there is evidence of fraud or other violation of state law in connection with this Agreement. This audit does not fulfill the audit requirements of Paragraph c(3) below. The audit shall be completed by the 15th day of the fifth month following the end of the Contractor's fiscal year, **and/or**
 - (3) ***If the Contractor is a State or Local Government entity or Nonprofit organization (as defined by 2 C.F.R. §§ 200.64, 200.70, and 200.90) and expends \$750,000 or more in Federal awards,*** the Contractor agrees to obtain an annual single, organization wide, financial and compliance audit according to the requirements specified in 2 C.F.R. 200.501 entitled "Audit Requirements". An audit conducted pursuant to this provision will fulfill the audit requirements outlined in Paragraphs c(1) and c(2) above. The audit shall be completed by the end of the ninth month following the end of the audit period. The requirements of this provision apply if:

The DHCS program funding this Agreement must provide advance written approval of the specific amount allowed for said audit expenses.
- f. The State or its authorized designee, including the Bureau of State Audits, is responsible for conducting agreement performance audits which are not financial and compliance audits. Performance audits are defined by Generally Accepted Government Auditing Standards.
- g. Nothing in this Agreement limits the State's responsibility or authority to enforce State law or regulations, procedures, or reporting requirements arising thereto.
- h. Nothing in this provision limits the authority of the State to make audits of this Agreement, provided however, that if independent audits arranged for by the Contractor meet Generally Accepted Governmental Auditing Standards, the State shall rely on those audits and any additional audit work and shall build upon the work already done.
- i. The State may, at its option, direct its own auditors to perform either of the audits described above. The Contractor will be given advance written notification, if the State chooses to exercise its option to perform said audits.
- j. The Contractor shall include a clause in any agreement the Contractor enters into with the audit firm doing the single organization wide audit to provide access by the State or Federal Government to the working papers of the independent auditor who prepares the single organization wide audit for the Contractor.
- k. Federal or state auditors shall have "expanded scope auditing" authority to conduct specific program audits during the same period in which a single organization wide audit is being performed, but the audit report has not been issued. The federal or state auditors shall review and have access to the current audit work being conducted and will not apply any testing or review procedures which have not been satisfied by previous audit work that has been completed.

The term "expanded scope auditing" is applied and defined in the U.S. General Accounting Office (GAO) issued Standards for *Audit of Government Organizations, Programs, Activities and Functions*, better known as the "yellow book".

Acceptance or rejection of the proposal may be made orally within the 60-day period and confirmed in writing within five days of said decision. Upon written acceptance of the proposal, DHCS will initiate an amendment to this Agreement to formally implement the approved proposal.

 - (7) Will include a clause entitled, "Debarment and Suspension Certification" that essentially sets forth the provisions herein, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- c. If the Contractor is unable to certify to any of the statements in this certification, the Contractor shall submit an explanation to the DHCS Program Contract Manager.

21. Smoke-Free Workplace Certification

(Applicable to federally funded agreements/grants and subcontracts/subawards, that provide health, day care, early childhood development services, education or library services to children under 18 directly or through local governments.)

- a. Public Law 103-227, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by federal programs either directly or through state or local governments, by federal grant, contract, loan, or loan guarantee. The law also applies to children's services that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities where WIC coupons are redeemed.
- b. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible party.
- c. By signing this Agreement, Contractor or Grantee certifies that it will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act. The prohibitions herein are effective December 26, 1994.
- d. Contractor or Grantee further agrees that it will insert this certification into any subawards (subcontracts or subgrants) entered into that provide for children's services as described in the Act.

22. Covenant Against Contingent Fees

(Applicable only to federally funded agreements.)

The Contractor warrants that no person or selling agency has been employed or retained to solicit/secure this Agreement upon an agreement of understanding for a commission, percentage, brokerage, or contingent fee, except *bona fide* employees or *bona fide* established commercial or selling agencies retained by the Contractor for the purpose of securing business. For breach or violation of this warranty, DHCS shall have the right to annul this Agreement without liability or in its discretion to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, and brokerage or contingent fee.

23. Payment Withholds

(Applicable only if a final report is required by this Agreement. Not applicable to government entities.)

Unless waived or otherwise stipulated in this Agreement, DHCS may, at its discretion, withhold 10 percent (10%) of the face amount of the Agreement, 50 percent (50%) of the final invoice, or \$3,000 whichever is greater, until DHCS receives a final report that meets the terms, conditions and/or scope of work requirements of this Agreement.

24. Performance Evaluation

(Not applicable to grant agreements.)

DHCS may, at its discretion, evaluate the performance of the Contractor at the conclusion of this Agreement. If performance is evaluated, the evaluation shall not be a public record and shall remain on file with DHCS. Negative performance evaluations may be considered by DHCS prior to making future contract awards.

25. Officials Not to Benefit

No members of or delegate of Congress or the State Legislature shall be admitted to any share or part of this Agreement, or to any benefit that may arise therefrom. This provision shall not be construed to extend to this Agreement if made with a corporation for its general benefits.

26. Four-Digit Date Compliance

(Applicable to agreements in which Information Technology (IT) services are provided to DHCS or if IT equipment is procured.)

Contractor warrants that it will provide only Four-Digit Date Compliant (as defined below) Deliverables and/or services to the State. "Four Digit Date compliant" Deliverables and services can accurately process, calculate, compare, and sequence date data, including without limitation date data arising out of or relating to leap years and changes in centuries. This warranty and representation is subject to the warranty terms and conditions of this Contract and does not limit the generality of warranty obligations set forth elsewhere herein.

27. Prohibited Use of State Funds for Software

(Applicable to agreements in which computer software is used in performance of the work.)

Contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

28. Use of Small, Minority Owned and Women's Businesses

(Applicable to that portion of an agreement that is federally funded and entered into with institutions of higher education, hospitals, nonprofit organizations or commercial businesses.)

Positive efforts shall be made to use small businesses, minority-owned firms and women's business enterprises, whenever possible (i.e., procurement of goods and/or services). Contractors shall take all of the following steps to further this goal.

- (1) Ensure that small businesses, minority-owned firms, and women's business enterprises are used to the fullest extent practicable.
- (2) Make information on forthcoming purchasing and contracting opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women's business enterprises.
- (3) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.
- (4) Encourage contracting with consortiums of small businesses, minority-owned firms and women's business enterprises when a contract is too large for one of these firms to handle individually.
- (5) Use the services and assistance, as appropriate, of such organizations as the Federal Small Business Administration and the U.S. Department of Commerce's Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women's business enterprises.

29. Alien Ineligibility Certification

(Applicable to sole proprietors entering federally funded agreements.)

30. Union Organizing

(Applicable only to grant agreements.)

Grantee, by signing this Agreement, hereby acknowledges the applicability of Government Code Sections 16645 through 16649 to this Agreement. Furthermore, Grantee, by signing this Agreement, hereby certifies that:

- a. No state funds disbursed by this grant will be used to assist, promote or deter union organizing.
- b. Grantee shall account for state funds disbursed for a specific expenditure by this grant, to show those funds were allocated to that expenditure.
- c. Grantee shall, where state funds are not designated as described in b herein, allocate, on a pro-rata basis, all disbursements that support the grant program.
- d. If Grantee makes expenditures to assist, promote or deter union organizing, Grantee will maintain records sufficient to show that no state funds were used for those expenditures, and that Grantee shall provide those records to the Attorney General upon request.

31. Contract Uniformity (Fringe Benefit Allowability)

(Applicable only to nonprofit organizations.)

Pursuant to the provisions of Article 7 (commencing with Section 100525) of Chapter 3 of Part 1 of Division 101 of the Health and Safety Code, DHCS sets forth the following policies, procedures, and guidelines regarding the reimbursement of fringe benefits.

- a. As used herein fringe benefits shall mean an employment benefit given by one's employer to an employee in addition to one's regular or normal wages or salary.
- b. As used herein, fringe benefits do not include:
 - (1) Compensation for personal services paid currently or accrued by the Contractor for services of employees rendered during the term of this Agreement, which is identified as regular or normal salaries and wages, annual leave, vacation, sick leave, holidays, jury duty and/or military leave/training.
 - (2) Director's and executive committee member's fees.
 - (3) Incentive awards and/or bonus incentive pay.
 - (4) Allowances for off-site pay.
 - (5) Location allowances.
 - (6) Hardship pay.
 - (7) Cost-of-living differentials
- c. Specific allowable fringe benefits include:
 - (1) Fringe benefits in the form of employer contributions for the employer's portion of payroll taxes (i.e., FICA, SUI, SDI), employee health plans (i.e., health, dental and vision), unemployment insurance, worker's compensation insurance, and the employer's share of pension/retirement plans, provided they are granted in accordance with established written organization policies and meet all legal and Internal Revenue Service requirements.
- d. To be an allowable fringe benefit, the cost must meet the following criteria:
 - (1) Be necessary and reasonable for the performance of the Agreement.
 - (2) Be determined in accordance with generally accepted accounting principles.
 - (3) Be consistent with policies that apply uniformly to all activities of the Contractor.
- e. Contractor agrees that all fringe benefits shall be at actual cost.

f. Earned/Accrued Compensation

- (1) Compensation for vacation, sick leave and holidays is limited to that amount earned/accrued within the agreement term. Unused vacation, sick leave and holidays earned from periods prior to the agreement term cannot be claimed as allowable costs. See Provision f (3)(a) for an example.
- (2) For multiple year agreements, vacation and sick leave compensation, which is earned/accrued but not paid, due to employee(s) not taking time off may be carried over and claimed within the overall term of the multiple years of the Agreement. Holidays cannot be carried over from one agreement year to the next. See Provision f (3)(b) for an example.
- (3) For single year agreements, vacation, sick leave and holiday compensation that is earned/accrued but not paid, due to employee(s) not taking time off within the term of the Agreement, cannot be claimed as an allowable cost. See Provision f (3)(c) for an example.

(a) **Example No. 1:**

If an employee, John Doe, earns/accrues three weeks of vacation and twelve days of sick leave each year, then that is the maximum amount that may be claimed during a one year agreement. If John Doe has five weeks of vacation and eighteen days of sick leave at the beginning of an agreement, the Contractor during a one-year budget period may only claim up to three weeks of vacation and twelve days of sick leave as actually used by the employee. Amounts earned/accrued in periods prior to the beginning of the Agreement are not an allowable cost.

(b) **Example No. 2:**

If during a three-year (multiple year) agreement, John Doe does not use his three weeks of vacation in year one, or his three weeks in year two, but he does actually use nine weeks in year three; the Contractor would be allowed to claim all nine weeks paid for in year three. The total compensation over the three-year period cannot exceed 156 weeks (3 x 52 weeks).

(c) **Example No. 3:**

If during a single year agreement, John Doe works fifty weeks and used one week of vacation and one week of sick leave and all fifty-two weeks have been billed to DHCS, the remaining unused two weeks of vacation and seven days of sick leave may not be claimed as an allowable cost.

32. Suspension or Stop Work Notification

- a. DHCS may, at any time, issue a notice to suspend performance or stop work under this Agreement. The initial notification may be a verbal or written directive issued by the funding Program's Contract Manager. Upon receipt of said notice, the Contractor is to suspend and/or stop all, or any part, of the work called for by this Agreement.
- b. Written confirmation of the suspension or stop work notification with directions as to what work (if not all) is to be suspended and how to proceed will be provided within 30 working days of the verbal notification. The suspension or stop work notification shall remain in effect until further written notice is received from DHCS. The resumption of work (in whole or part) will be at DHCS' discretion and upon receipt of written confirmation.
 - (1) Upon receipt of a suspension or stop work notification, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize or halt the incurrence of costs allocable to the performance covered by the notification during the period of work suspension or stoppage.

- (2) Within 90 days of the issuance of a suspension or stop work notification, DHCS shall either:
 - (a) Cancel, extend, or modify the suspension or stop work notification; or
 - (b) Terminate the Agreement as provided for in the Cancellation / Termination clause of the Agreement.
- c. If a suspension or stop work notification issued under this clause is canceled or the period of suspension or any extension thereof is modified or expires, the Contractor may resume work only upon written concurrence of funding Program's Contract Manager.
- d. If the suspension or stop work notification is cancelled and the Agreement resumes, changes to the services, deliverables, performance dates, and/or contract terms resulting from the suspension or stop work notification shall require an amendment to the Agreement.
- e. If a suspension or stop work notification is not canceled and the Agreement is cancelled or terminated pursuant to the provision entitled Cancellation / Termination, DHCS shall allow reasonable costs resulting from the suspension or stop work notification in arriving at the settlement costs.
- f. DHCS shall not be liable to the Contractor for loss of profits because of any suspension or stop work notification issued under this clause.
