The meetings for this advisory county are too far away from my home to make this situation in any way practical. Last month, I spent 2 hours driving through snow and rain for a one hour meeting. This month, the meeting is in Davis a three hour round trip for me.....for an hour meeting.

I am honored that the supervisors appointed me to be on this Board and am sorry that it did not work out.

I will spend my time advocating for a senior center for Nevada County.
