NEVADA COUNTY BOARD OF SUPERVISORS
Board Agenda Memo

MEETING DATE: January 24, 2017
TO: Board of Supervisors
FROM: Marc Mikan, Assistant Engineer
SUBJECT: **Resolution to Approve Bidding Documents and Specifications for the Nevada City Highway Sidewalk Extension Project – Contract No. 229622 Federal Contract No. CMLL 5917 (090) – Supervisor Districts I and III**

RECOMMENDATION: Approve the attached resolution, bidding documents and specifications for the Nevada City Highway Sidewalk Extension Project.

FUNDING: The project is budgeted in Fiscal Year 2016/17 and impacts the Road Capital Improvement Project (CIP) budget. Funding is provided through Congestion Mitigation and Air Quality (CMAQ) funds. There is no impact on the General Fund and no budget amendment is needed.

BACKGROUND: The plans specifications and cost estimate for the Nevada City Highway Sidewalk Extension Project have been completed. This project proposes construction of 2600 lineal feet of sidewalk and a class II bike lane along Nevada City Highway beginning at Banner Lava Cap overcrossing westerly to Glenwood Road in Grass Valley. The purpose of the project is to provide the final section of sidewalk connecting the communities of Nevada City and Grass Valley. Attached is a Map of the location.

The County staff engineer's estimate for the total project is \$379,000.00. The bid opening date is tentatively scheduled for March, with work to begin in May 2017. This project is primarily funded with Congestion Mitigation and Air Quality Funds (CMAQ), which requires authorization from CalTrans and FHWA to proceed with improvements. We anticipate receiving this approval in January 2017. If this authorization is delayed, the bid opening date may be postponed accordingly. Upon receiving final construction approval from CalTrans, the bid opening date will be set by the Director of Public Works, and the Purchasing Agent will advertise for bids.

Item Initiated by: Marc Mikan, Assistant Engineer
Approved by: Trisha Tillotson, Director of Public Works
