**NEVADA COUNTY BOARD OF SUPERVISORS
Board Agenda Memo**

MEETING DATE: May 10 , 2022
TO: Board of Supervisors
FROM: Trisha Tillotson, Acting Director of Public Works
SUBJECT: Resolution Proclaiming May 15th – 21st, as National Public Works Week in Nevada County and honoring Public Works Staff.

RECOMMENDATION: Adopt the Resolution

FUNDING: N/A

BACKGROUND:

National Public Works Week was established in 1960 by the American Public Works Association as a mechanism for celebrating the Public Works professionals in North America. For 62 years, many states, provinces, cities/towns, and municipalities from across North America come together to celebrate National Public Works Week with official government proclamations and resolutions in honor of the contributions Public Works makes to their communities.

This year's theme is "Ready and Resilient. Within every Public Works professional lies an unsung hero. Public Works professionals are always **READY** to serve their communities and **RESILIENT** as ever in their abilities to adjust and assist after encountering challenges.

Public Works Professionals help keep our community strong by providing an infrastructure of services in transportation, wastewater, solid waste, road maintenance, engineering, and administration. They are what makes our community a great place to live and work.

By issuing this resolution, we look to celebrate National Public Works week and to honor our Public Works Staff for their superior efforts during our 2021 December Storm Event. We are extending special recognition to our Road Maintenance Division whose crews went above and beyond during the storm working around the clock to ensure public safety.
