NEVADA COUNTY BOARD OF SUPERVISORS

Board Agenda Memo

MEETING DATE: June 23, 2020

TO: Board of Supervisors

FROM: Steve Monaghan – IGS-Emergency Management

SUBJECT: Resolution approving a Memorandum of Understanding (MOU) between the County of Nevada and the United States Forest Service regarding the evaluation of the benefits and feasibility of a shared use facility and authorizing the Chief Information Officer to execute the MOU (Facilities Management)

RECOMMENDATION: Adopt the Resolution

FUNDING: Funding is not required.

BACKGROUND: The County of Nevada and the United States Forest Service (USFS) desire to cooperate in exploring the benefits and feasibility of a shared use facility. This MOU provides the understanding and framework required to move forward in the construction of a shared use facility on County property which will include the co-location of the USFS Supervisors Office under a long-term ground lease agreement.

Shared uses of the building facility would include, but not necessarily be limited to, community and partner meeting/conference space; collaboration site for vegetative fuel management efforts; CalFire and Nevada County Consolidated Fire Department integration; and visitor information services.
