## **NEVADA COUNTY BOARD OF SUPERVISORS**

### **Board Agenda Memo**

---

**MEETING DATE:** August 11, 2020

**TO:** Board of Supervisors

**FROM:** **Steve Monaghan – Chief Information Officer**

**SUBJECT:** Nevada County Enterprise Information Security Program  
informational presentation to the Board

**RECOMMENDATION:** Accept the informational presentation to the Board

**FUNDING:** N/A

**BACKGROUND:** The Enterprise Information Security Program, adopted by Resolution 16-587, provides the guidance and direction for the County's cybersecurity and information systems. Major goals of the Information Security Program are to enhance the productivity of the government organization and the quality of life of its constituents, as well as ensure the protection and preservation of lives and systems. This is accomplished by maintaining the integrity, confidentiality and availability of the county's informational assets. This program is updated regularly to reflect organizational needs and industry cybersecurity best practices. This presentation is a status report of the program and the County's overall cybersecurity state.
