9.1. **Independent Contractor**

In providing services herein, Contractor, and the agents and employees thereof, shall work in an independent capacity and as an independent contractor and not as agents or employees of County. Contractor acknowledges that it customarily engages independently in the trade, occupation, or business as that involved in the work required herein. Further the Parties agree that Contractor shall perform the work required herein free from the control and direction of County, and that the nature of the work is outside the usual course of County's business. In performing the work required herein, Contractor shall not be entitled to any employment benefits, Workers' Compensation, or other programs afforded to County employees. Contractor shall hold County harmless and indemnify County against such claim by its agents or employees. County makes no representation as to the effect of this independent contractor relationship on Contractor's previously earned California Public Employees Retirement System ("CalPERS") retirement benefits, if any, and Contractor specifically assumes the responsibility for making such determination. Contractor shall be responsible for all reports and obligations including but not limited to: social security taxes, income tax withholding, unemployment insurance, disability insurance, workers' compensation and other applicable federal and state taxes.

9.2. **No Agent Authority** Contractor shall have no power to incur any debt, obligation, or liability on behalf of County or otherwise to act on behalf of County as an agent. 9.3. **Indemnification of CalPERS Determination** In the event that Contractor or any employee, agent, or subcontractor of Contractor providing service under this Contract is determined by a court of competent jurisdiction or CalPERS to be eligible for enrollment in CalPERS as an employee of County due to Contractor's acts or omissions, Contractor shall indemnify, defend and hold harmless County for all payments on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of County.

10. **Assignment and Subcontracting** Except as specifically provided herein, the rights, responsibilities, duties and services to be performed under this Contract are personal to Contractor and may not be transferred, subcontracted, or assigned without the prior written consent of County. Contractor shall not substitute or replace any personnel for those specifically named herein or in its proposal without the prior written consent of County.

Contractor shall cause and require each transferee, subcontractor, and assignee to comply with the insurance provisions set forth herein, to the extent such insurance provisions are required of Contractor under this Contract. Failure of Contractor to so cause and require such compliance by each transferee, subcontractor, and assignee shall constitute a material breach of this Contract, and, in addition to any other remedy available at law or otherwise, shall serve as a basis upon which County may elect to suspend payments hereunder, or terminate this Contract, or both.

11. **Licenses, Permits, Etc.** Contractor represents and warrants to County that Contractor shall, at its sole cost and expense, obtain or keep in effect at all times during the term of this Contract, any licenses,

The Indemnifying Party agrees to investigate, handle, respond to, provide defense for, and defend any such claims, demand, or suit at the sole expense of the Indemnifying Party, using legal counsel approved in writing by Indemnified Party. Indemnifying Party also agrees to bear all other costs and expenses related thereto, even if the claim or claims alleged are groundless, false, or fraudulent. This provision is not intended to create any cause of action in favor of any third party against either Party or to enlarge in any way either Party’s liability but is intended solely to provide for indemnification of the Indemnified Party from liability for damages, or injuries to third persons or property, arising from or in connection with Indemnifying Party’s performance pursuant to this Contract. This obligation is independent of, and shall not in any way be limited by, the minimum insurance obligations contained in this Contract.

J&C expends significant time and effort locating Providers, arranging for coverage, arranging for transportation, and otherwise arranging to meet CLIENT's staffing needs. The Provider placed by J&C must arrange his/her schedule as far in advance as possible, which may involve foregoing other opportunities. As a result, the following provisions apply with respect to COUNTY's cancellation of services:

**4.1** COUNTY may request that a Provider be removed, or a placement cancelled (a) at any time if the request is based on COUNTY's reasonable dissatisfaction with the clinical performance or professional conduct of such Provider; or (b) at any time and for any reason, provided that J&C receives from COUNTY at least 30 days prior written notice. COUNTY also agrees to reimburse J&C for any fees and/or charges incurred by J&C that result from the cancellation including, but not limited to: airline penalties for cancellation and rescheduling, non-refundable housing deposits plus all other non-cancellable amounts which COUNTY would have been required to pay or reimburse J&C for/through the remaining term of the locum tenens period requested by COUNTY (such as non-cancellable rental or lease costs).

**4.3** J&C will not, in any event, remove a Provider from or cancel an assignment for illegal reasons.

## **5.0 SUBSEQUENT PLACEMENT, RECRUITMENT OR OTHER USAGE OF A CANDIDATE**

J&C's locum tenens trial practice option allows COUNTY to work with a Provider prior to entering into a permanent commitment with him/her. Upon payment of the amount set forth below, COUNTY may enter into a direct relationship with a Provider who has worked with COUNTY or has been introduced or presented through J&C, following completion of 60 days locum tenens coverage by that Provider. The recruitment fee is \$45,000.00 for a physician and \$35,000.00 for an advanced practitioner. The recruitment fee is payable for any Provider introduced to COUNTY or the assigned facility by J&C who:

**5.1** Accepts a position with COUNTY or with the facility where the Provider was assigned or any facility, organization or group owned or operated by, or affiliated with COUNTY or with the assigned facility, whether or not in County's or its actual community, within two years of the date the Provider was introduced or presented, or if the Provider worked, two years from the last day the Provider last provided services to or for COUNTY; or

**5.2** Accepts a position within a 15 mile radius of the facility where the Provider provided services within two years of the date the Provider was introduced or presented, or if the Provider worked, two years from the last day the Provider last provided services to or for COUNTY, if COUNTY or the assigned facility personnel assist in obtaining the position or if the Provider has privileges at any facility, organization or group owned or operated by or affiliated with COUNTY or with the assigned facility. It is understood and agreed by the Parties that this provision only has effect in the event that during the time periods set forth immediately above, COUNTY actively assists the Provider in obtaining a position within a 15-mile radius of COUNTY's facility where Provider was introduced, presented, or provided services, and not the result of Provider independently obtaining a position at a non-client facility; or

**5.3** Accepts a position within a 15-mile radius of the owned or operated by or affiliated facility where the Provider provided services within two years of the date the Provider was introduced or presented, and COUNTY or the assigned facility personnel assisted the Provider in obtaining the position.

**5.4** Engages in locum tenens coverage for COUNTY or any of your affiliates or with the assigned facility, except through J&C, within two years of the date the Provider was introduced or presented, or if the Provider worked, two years from the last day the Provider last provided services to or for COUNTY. COUNTY shall not be liable under this provision unless and until COUNTY receives actual notice of Provider providing services to COUNTY or its affiliates or the assigned facility through a locum tenens provider other than J&C and COUNTY consents to Provider's continued provision of services to COUNTY through the other locum tenens provider.

**5.5** The recruitment fee is due on the first day the Provider performs any of the services listed above. Pending J&C's receipt of the recruitment fee, paid in full, all locum tenens fees based on the current rates structure will remain in full effect and due through the date on which the recruitment fee is paid in full. The locum tenens fees will NOT be credited against the separate recruitment fee. These obligations will remain in full effect regardless of the date of termination or cancellation of coverage or cancellation of this Client Agreement and whether or not either party is in breach of any term of this Client Agreement. In addition, should COUNTY elect to interview a candidate introduced to COUNTY by J&C for a permanent position, COUNTY agrees to pay expenses related to that interview.

## **6.0 STATUS OF PROVIDERS**

Providers are independent contractors of J&C and/or any one of its affiliates (including Jackson & Coker Medical, LLC). Providers are not employees, agents or subcontractors of J&C. Because Providers are independent contractors, neither J&C, nor COUNTY will be responsible for tax withholding or incurring employee social security payments, workers' compensation insurance, unemployment insurance or health insurance. All medical, healthcare, or clinical decisions or actions shall be solely those of the Provider.

## **7.0 STANDARDS OF SERVICE**

J&C is committed to customer satisfaction. COUNTY agrees to assist J&C in this process by providing J&C with meaningful feedback by (1) including locum tenens Providers placed through J&C in the ongoing quality assurance/risk management programs of COUNTY's facility, (2) providing necessary materials and reports on the performance of Providers to J&C's customer service/risk management team, medical director and legal counsel, and (3) advising J&C within 48 business hours of COUNTY's notification of any incident or claim involving a Provider placed through J&C so that J&C may assist in its resolution.

**EXHIBIT B**

The maximum amount payable under this Agreement shall not exceed Two Hundred Fifty One Thousand Eleven Dollars (\$251,011) for the contract term.

**1.0 FEES**

**1.1** COUNTY agrees to pay J&C the specific fees for each Provider as required on the applicable Provider Addendum, as set forth on the attached "Client Agreement Addendum," attached hereto and incorporated herein to this Attachment 1 referred to as "Provider Addendum" in this Agreement. Such fees are due and payable regardless of the number of cases or modalities performed by the Provider. Additionally, COUNTY agrees that: (a) it is COUNTY's responsibility to ensure all patient charts are completed by the Provider prior to the Provider's completion of service, and, (b) failure of verification of patient chart completion does not constitute in any way a reduction or elimination of COUNTY's responsibility to pay all fees to J&C as required.

**1.2** Immediately upon COUNTY's acceptance of a Provider, COUNTY agrees to pay J&C a deposit in the amount of \$15,000.00. Upon J&C's receipt of COUNTY's written request, COUNTY may apply the remaining balance of a deposit paid for a particular Provider against payment of the last two invoices for COUNTY's account relating to that Provider. In addition, provided that all amounts owed to J&C are paid in full, upon termination of this Agreement, J&C will refund the remaining balance of the deposit relating to that Provider to COUNTY.

**1.3** COUNTY agrees to pay J&C an administrative service fee in the amount of \$45.00 for each calendar day during which a Provider delivers services through patient contact or call availability.

**1.4** COUNTY is responsible for verifying and signing Provider's Service Record on a weekly basis or assuring an authorized representative of the assigned facility does so. A signed service record indicates COUNTY's agreement that Provider has properly provided Services for the stated hours and that COUNTY will remit payment pursuant to the applicable Provider Addendum and other applicable provisions of this Client Agreement. If COUNTY has a question concerning the Provider's Service Record, COUNTY shall notify J&C within three (3) business days of COUNTY's receipt of the Service Record in question from the Provider. After three (3) business days, any and all Service Records(s) will be deemed accurate and valid, and J&C will be entitled to payment of service fees for the time reflected on that Service Record in accordance with the terms hereof.

The policy shall provide coverage for breach response costs as well as regulatory fines and penalties as well as credit monitoring expenses with limits sufficient to respond to these obligations.

### **Other Insurance Provisions:**

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured Status: County, its officers, employees, agents, and volunteers are to be covered as additional insureds** on the CGL policy with respect to liability arising out of the work or operations performed by or on behalf of Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to Contractor’s insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, then through the addition of both CG 20 10, CG 20 25, CG 20 33, or CG 20 38; and CG 20 37 forms if later revisions are used.)
2. **Primary Coverage** For any claims related to this contract, **Contractor’s insurance shall be primary** insurance primary coverage at least as broad as ISO CG 20 01 04 13 as respects County, its officers, employees, agents, and volunteers. 3. **Umbrella or Excess Policy** The Contractor may use Umbrella or Excess Policies to provide the liability limits as required in this agreement. This form of insurance will be acceptable provided that all of the Primary and Umbrella or Excess Policies shall provide all of the

insurance coverages herein required, including, but not limited to, primary and non-contributory, additional insured, Self-Insured Retentions (SIRs), indemnity, and defense requirements. Umbrella or Excess policies shall be provided on a true “following form” or broader coverage basis, with coverage at least as broad as provided on the underlying Commercial General Liability insurance. No insurance policies maintained by the Additional Insureds, whether primary or excess, and which also apply to a loss covered hereunder, shall be called upon to contribute to a loss until the Contractor’s primary and excess liability policies are exhausted.

4. **Notice of Cancellation** This policy shall not be changed without first giving thirty (30) days prior written notice and ten (10) days prior written notice of cancellation for non-payment of premium to County.
5. **Waiver of Subrogation** Contractor hereby grants to County a waiver of any right to subrogation which any insurer or said Contractor may acquire against County by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the County has received a waiver of subrogation endorsement from the insurer.
6. **Sole Proprietors** If Contractor is a Sole Proprietor and has no employees, they are not required to have Workers Compensation coverage. Contractor shall sign a statement attesting to this condition, and shall agree they have no rights, entitlements or claim against County for any type of employment benefits or workers’ compensation or other programs afforded to County employees.
7. **Self-Insured Retentions** must be declared to and approved by the County. The County may require the Contractor to provide proof of ability to pay losses and related investigations, claims administration, and defense expenses within the retention. The Policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or County. The CGL and any policies, including Excess liability policies, may not be subject to a self-insured retention (SIR) or deductible that exceeds **\$25,000** unless approved in writing by the County. Any and all deductibles and SIRs shall be the sole responsibility of the Contractor or subcontractor who procured such insurance and shall not apply to the Indemnified Additional Insured Parties. County may deduct from any amounts otherwise due Contractor to fund the SIR/deductible. Policies shall NOT contain any self-insured retention (SIR) provision that limits the satisfaction of the SIR to the Named. The policy must also provide that Defense costs, including the Allocated Loss Adjustment Expenses, will satisfy the SIR or deductible. County reserves the right to obtain a copy of any policies and endorsements for verification.
8. **Acceptability of Insurers:** Insurance is to be placed with insurers authorized to conduct business in the State with a current A.M. Best’s rating of no less than A:VII, unless otherwise acceptable to County.

  - b. Insurance must be maintained, and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.
  - c. If the coverage is canceled or non-renewed, and not replaced with another **claims-made policy form with a Retroactive Date**, prior to the contract effective date, Contractor must purchase “extended reporting” coverage for a minimum of **five (5)** years after completion of contract work.
10. **Verification of Coverage** Contractor may be requested to furnish County with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this clause) and the County reserves the right to request a copy of the Declarations and Endorsement page of the CGL policy listing

all policy endorsements to County before work begins. Failure to obtain and provide verification of the requested/required documents prior to the work beginning shall not waive Contractor's obligation to provide them.

11. **Subcontractors** Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that County is an additional insured on insurance required from subcontractors. For CGL coverage subcontractors shall provide coverage with a format at least as broad as CG 20 38 04 13.
12. **Special Risks or Circumstances** County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
13. **Premium Payments** The insurance companies shall have no recourse against County and funding agencies, its officers, and employees or any of them for payment of any premiums or assessments under any policy issued by a mutual insurance company.
14. **Material Breach** Failure of Contractor to maintain the insurance required by this Contract, or to comply with any of the requirements of this section, shall constitute a material breach of the entire Contract.
15. **Certificate Holder** the Certificate Holder on insurance certificates and related documents should read as follows:
