Tine,
Thank you I haven't received this yet. Yes Charles is my choice for appointment to this position. I appreciate his service and I will reach out directly to Mr. Faber this week to express my appreciation and support.

Hi Hardy,

Charles Faber, Richard's Dist. V appointee to the Building and Accessibility Standards Board of Appeals, submitted his application for reappointment on February 3rd. You may have already received the application from Julie; if so, I apologize for the redundancy. Please let me know if you'd like to reappoint him to the District V member position.
